The Gathering Storm Robert Jordan, Brandon Sanderson, 2009-10-27 The Wheel of Time is now an original series on Prime Video, starring Rosamund Pike as Moiraine! With Robert Jordan's untimely passing in 2007, Brandon Sanderson, the New York Times bestselling author of the Mistborn novels and the Stormlight Archive, was chosen by Jordan's editor—his wife, Harriet McDougal—to complete the final volume in The Wheel of Time®, later expanded to three books. The Gathering Storm, the twelfth novel in Jordan's #1 New York Times bestselling epic fantasy series, begins the story's dramatic conclusion as Rand al'Thor, the Dragon Reborn, struggles to unite a fractured network of kingdoms and alliances in preparation for the Last Battle. War is coming. The Dark One's forces are brutal and unrelenting. Rand must forge a united front, but the Seanchan remain an immediate threat, as do the Forsaken. With so many shadows swirling around him, Rand is consumed by his responsibilities, turning heartless in the eyes of his allies, and even more merciless to his enemies. Meanwhile the Seanchan march on the White Tower, where Egwene al'Vere works to rally the disparate factions of the Aes Sedai together, even as their tyrannical leader schemes against her. Providing leadership in the face of increasing uncertainty and despair, Egwene's fight will prove the mettle of the Aes Sedai, and her conflict will decide the future of the White Tower—and possibly the world itself. Since its debut in 1990, The Wheel of Time® by Robert Jordan has captivated millions of readers around the globe with its scope, originality, and compelling characters. The last six books in series were all instant #1 New York Times bestsellers, and The Eye of the World was named one of America's best-loved novels by PBS's The Great American Read. The Gathering Storm Robert Jordan, Brandon Sanderson, 2009-10-27 Tarmon Gai'don, the Last Battle, looms. And mankind is not ready. The final volume of the Wheel of Time, *A Memory of Light*, was partially written by Robert Jordan before his untimely passing in 2007. Brandon Sanderson, New York Times bestselling author of the Mistborn books, was chosen by Jordan's editor---his wife, Harriet McDougal---to complete the final book. The scope and size of the volume was such that it could not be contained in a single book, and so Tor proudly presents *The Gathering Storm* as the first of three novels that will make up *A Memory of Light*. This short sequence will complete the struggle against the Shadow, bringing to a close a journey begun almost twenty years ago and marking the conclusion of the Wheel of Time, the preeminent fantasy epic of our era. In this epic novel, Robert Jordan's international bestselling series begins its dramatic conclusion. Rand al'Thor, the Dragon Reborn, struggles to unite a fractured network of kingdoms and alliances in preparation for the Last Battle. As he attempts to halt the Seanchan encroachment northward---wishing he could form at least a temporary truce with the invaders---his allies watch in terror the shadow that seems to be growing within the heart of the Dragon Reborn himself. Egwene al'Vere, the Amyrlin Seat of the rebel Aes Sedai, is a captive of the White Tower and subject to the whims of their tyrannical leader. As days tick toward the Seanchan attack she knows is imminent, Egwene works to hold together the disparate factions of Aes Sedai while providing leadership in the face of increasing uncertainty and despair. Her fight will prove the mettle of the Aes Sedai, and her conflict will decide the future of the White Tower---and possibly the world itself. The Wheel of Time turns, and Ages come and pass. What was, what will be, and what is, may yet fall under the Shadow.

The Gathering Storm Hamza Sokko, 2012 The slow awakening of the people of Bulembe to the true meaning of 'independence' encapsulated in the parallel stories of the Kamuyuga family, who shed their old identity and turn into the wealth-grabbing 'Alkarims', and the Lubele family, who remain exploited peasants. But do the people remain forever caught under the burdens of the past, blinded by the skin-deep 'changes' to the present? This is revealed through the eyes of Simon Lubele, son of Bulembe dedicated to real change. The author renders the tranquil beauty of the Anyalungu plateau on which Bulembe lies, deep-rooted customs of its peasants, the crushing twin burdens of static African tradition and oppressive colonial machinery with poignancy and quiet insight.

The Gathering Storm Anne Marie Gazzolo,2022-04-30 The first book in this fantasy series begins the epic struggle of mortals and immortals against an ancient evil as it rises again. It focuses on the immortals in the land of Afallon and the dark night that falls upon them as they struggle against their old adversary, called once brother and friend, who seeks to continue his quest to dominate all the mortal worlds and ensnares some of his kin to join him. Notes the immortal historian-scribe of these dark times: Grieved I grows my hand far more accustomed to holding a blade rather than a quill as delighted my heart in days of peace. But no more those days. Pray I to Athair, the One above all, come they again and walk I in the bright light of my homeland once more. For now, stand my brothers and sisters and I in the darkness of a world at war. Reigns now lament and stout-hearted purpose in our hearts, the clash of blades in the halls, the splash of blood on the stones. Fight we once more, kin against kin, as our great adversary rises again to trouble our fair land of Afallon and seek to crush us and the mortal worlds under the cruel fist of his domination. In spare breathing spaces between one battle and the next, pen I this tale by oil lamp and moonlight. Win must we, mortal and immortal, if our lands and peoples are not to be cast into everlasting night. Athair have mercy.
