The Story and Its Writer, Compact Ann Charters, 2014-08-01 Suitable for a variety of courses, the compact edition of Ann Charters' bestselling *The Story and Its Writer* (now in print or e-book formats) offers about half the stories and commentaries of the full edition, with all of its highly-praised editorial features. No one has a better sense than Ann Charters of which stories work most effectively in the classroom and instructors look forward to every new edition of her anthology to see what her constant search for new fiction and neglected classics will turn up. Further, Charters knows that writers, not editors, have the most interesting and useful things to say about the making and the meaning of fiction, so to complement the stories, she offers her signature innovation: an array of the writers' own commentaries on the craft and traditions of storytelling. For in-depth, illustrated studies of particular writers or genres, her Casebooks provide unparalleled opportunities for discussion and writing. The new ninth edition features many very recent stories and commentaries by up-and-coming writers, a new Casebook on the important genre of Magical Realism, and expanded coverage of close reading.

The Story and Its Writer Compact Ann Charters, 2006-05-23 During her many years of teaching introduction to fiction courses, Ann Charters developed an acute sense of which stories work most effectively in the classroom. She also discovered that writers, not editors, have the most interesting and useful things to say about the making and the meaning of fiction. Accordingly, her choice of fiction in the first edition of her *The Story and Its Writer* was as notable for its student appeal as it

was for its quality and range. And to complement these stories, she introduced a lasting innovation: an array of the writers' own commentaries on the craft and traditions of the short story. In subsequent editions her sense of what works was confirmed as the book evolved into the most comprehensive, diverse-- and bestselling -- introduction to fiction anthology. Instructors rely on Ann Charters' ability to assemble an authoritative and teachable anthology, and anticipate each edition's selection of new writers and stories.
