

Una Lingua Come Lirlandese

AW Chickering

La geografia delle lingue in Europa Cosimo Palagiano, 2006

Lingue migranti e nuovi paesaggi AA. VV., 2015-04-16T00:00:00+02:00 Il presente volume, che inaugura la collana Lingue Culture Mediazioni promossa dal Dipartimento di Scienze della Mediazione linguistica e di Studi interculturali (SMELSI), ospita una selezione dei contributi presentati in occasione del convegno omonimo, svoltosi il 22 e il 23 novembre 2012. La definizione di 'Atti di convegno', tuttavia, mal si adatta a questa raccolta di studi, che non si limita a trasferire gli interventi orali nella pagina scritta, bensì sviluppa ulteriori percorsi di studio e riflessione attraverso un approccio interdisciplinare adottato fin dalla progettazione dell'evento. Questa pluralità di sguardi, essenziale per lo studio di un fenomeno così complesso come quello delle migrazioni, ha configurato uno spazio di incontro tra accademici di diverse appartenenze disciplinari, in cui ognuno, pur senza rinunciare al rigore metodologico della propria area di ricerca, ha potuto aprirsi a nuove prospettive di indagine. I quattordici lavori qui riuniti, perciò, pur partendo da piattaforme disciplinari diversificate, convergono in vari aspetti, dai riferimenti teorici alle conclusioni e ai suggerimenti rivolti alle politiche in materia di immigrazione, educazione e lingua. È proprio nella loro varietà che questi contributi offrono un apporto significativo allo studio dei complessi fenomeni legati ai movimenti migratori, in cui la lingua, oltre a costituire un simbolo dell'identità etnica, si delinea come un'entità dinamica che si adatta al contesto e che a sua volta lo rimodella, permettendo di attivare identità multiple nei diversi contesti interazionali e nelle pratiche discorsive. Le lingue migranti al centro del nostro interesse, infatti, sono lingue in movimento, che s'incontrano e si rendono visibili all'interno di nuovi paesaggi, i quali a loro volta si trasformano, modificando le rappresentazioni collettive.

Guida per l'inclusione linguistica dei migranti Matteo Viale,2022-06-01 Concepita con l'intento di trasformare la proposta INCLUDEED in un prodotto tangibile, un progetto Erasmus+ che persegue l'integrazione di immigrati e rifugiati attraverso uno dei principali asset dell'Europa, le sue lingue, questa guida si propone di diventare un alleato di coloro che desiderano ampliare la propria conoscenza del fenomeno migratorio e di coloro che vogliono facilitare il processo di integrazione di questi gruppi. Originato dall'esperienza in questo campo delle università che compongono il consorzio INCLUDEED (Università di Salamanca, Università di Bologna, Università di Coimbra, Università di Heidelberg, Università di Poitiers e Trinity College Dublin), questo documento nasce dallo sforzo complessivo e il desiderio di realizzare una società egualitaria in termini di integrazione. Questo non sarebbe stato possibile, tuttavia, senza il supporto di diverse organizzazioni non governative (Croce Rossa, ACCEM, Fondazione CEPAIM e Fondazione Sierra-Pambley) che, grazie ai loro sforzi sul campo nell'accoglienza e nel supporto all'integrazione di immigrati e rifugiati in tutta Europa, hanno permesso di individuare le maggiori difficoltà e hanno permesso di costruire ponti tra diverse prospettive, unendo le forze in modo che convergessero nella stessa direzione. Questa guida affronta le diverse sfide che si presentano durante il processo di integrazione di questi gruppi e offre soluzioni che possano favorire la riuscita di questo complesso percorso. Pensato come un vademecum utile allo svolgimento di compiti da parte di diversi gruppi (professionisti dell'insegnamento delle lingue o volontari, organizzazioni non governative e istituzioni pubbliche nazionali e sovranazionali), vuole essere uno strumento di supporto che guidi l'azione di tutti coloro che partecipano al processo di integrazione linguistica dei nuovi arrivati, fornendo una panoramica sulla situazione in cui si trovano questi gruppi di persone e mettendo a disposizione degli strumenti per assisterli. In breve, è un documento che cerca di avvicinarsi, attraverso un linguaggio divulgativo ma rigoroso, ai progressi teorici in materia di integrazione e di accoglienza e di fornire agli operatori alcune risorse che possano essere usate nella vita reale. Ricordiamo infine che questo prodotto deve essere inteso come una proposta elaborata dalla responsabilità e dall'impegno di tutti coloro che hanno lavorato al suo sviluppo e che vuole essere uno strumento per risolvere alcune problematiche che emergono nel processo di integrazione di questi gruppi. A queste problematiche si è tentato di dare una risposta attraverso il grande coinvolgimento di tutte le persone che hanno partecipato a questo lavoro. Allo stesso modo, in queste pagine è possibile trovare informazioni su tutti i paesi del progetto, che ampliano la prospettiva della maggior parte dei materiali creati fino a ora e gli conferiscono il carattere di un'opera di riferimento internazionale.

Nuova antologia di lettere, scienze ed arti Francesco Protonotari,1883

Le chair et le pli Nicolò Seggiaro,2021-10-04T00:00:00+02:00 Il pensiero di Merleau-Ponty e quello di Deleuze si muovono su registri non solo indipendenti, ma differenti. E tuttavia innegabili sono anche affinità e prossimità, che, pur segnalate dalla critica, non sempre sono state indagate nei loro tratti fondamentali. Da questo punto di vista il concetto di

carne (chair) e quello di piega (pli) rivestono un'importanza fondamentale: da un lato consentono di orientarsi all'interno delle molte dimensioni delle rispettive filosofie dei due autori, filosofie di cui quei concetti rappresentano gli sviluppi estremi, dall'altro permettono di cogliere e accompagnare appieno la multivocità dell'Essere, cui quelle filosofie hanno costantemente voluto rimanere fedeli. Chair e pli sono quindi concetti complementari a partire dai quali è possibile rendere conto nel modo migliore di quella prossimità di pensiero senza con questo appiattire l'una sull'altra due posizioni filosofiche irriducibili.
