Vivre du bonheur malgré un cancer Ghislaine Richard, 2020-04-29 T00:00:00-04:00 Vivre du bonheur malgré un cancer. Quand notre cœur parle d'amour constitue un guide pour venir en aide à une personne aux prises avec un cancer ou une autre maladie. Ce guide, composé de dix méditations et d'autant de prières, peut répondre à une quête de sens et permettre de redécouvrir ou de maintenir la présence du bonheur. À notre connaissance, peu de manuscrits offrent une telle solution pour vivre du bonheur malgré la souffrance et, souvent, le peu d'espoir que fait naître le diagnostic d'un cancer. Ce cheminement permet de prendre du recul face au cancer ou à une autre maladie. Il facilite également le développement ou l'évolution de valeurs spirituelles orientées vers le bonheur. Ces valeurs favorisent les prises de contact profondes avec le soi. Les méditations et les prières proposées permettent de s'engager spirituellement, et ce, de façon active, et elles conduisent à se réaliser ou à s'accomplir dans l'amour. En effet, elles mènent vers une ouverture spirituelle et une réconciliation. Les valeurs spirituelles prônées sont: l'ouverture du cœur, la joie, la tolérance, la sérénité, la ferveur, la vigilance, la résilience, le discernement, la mission jointe à la gratitude et la libération vers un amour infini. Ce cheminement s'adresse à des adultes ayant un cancer ou une autre maladie. Les méditations et les prières peuvent se réaliser en individuel ou en groupe (dans le contexte d'une retraite, par exemple) et elles sont idéales pour les personnes qui cherchent à se libérer, se recueillir, se ressourcer ou à cheminer personnellement dans l'acceptation de la maladie. La durée des méditations et prières est de quinze à vingt minutes. Elles peuvent être répétées selon le besoin, à un ou plusieurs jours d'intervalle.

Prayer For Healing From Cancer Dorma Jean McGruder, 2004-04 Cancer is one of the most frightening words that we can hear. But God is more powerful than cancer and God is right there with you. My prayer is that you will continue to be encouraged, uplifted and ultimately healed. You are strong and my heart and prayers are with you. Prayer works! Whether it is breast, lung, liver, brain, leukemia, prostate, no matter the location or severity, God can heal your cancer. This prayer is comforting, strengthening and powerful. Trust God and watch as He can and will do. The power is prayer, our faith and God's hand. I expect God to heal you! If surgery and medication are required, that's why God gave us doctors. Man does the treating but God does the healing! I was given 3 months to live. Cancer was everywhere. Some were planning my funeral, but I was praying. I ordered this prayer, used the oil and I am cancer free, back to work and telling the world what God has done. Yours was the best prayer I ever heard. I had faith and hope before I was completely healed. Thank you! Alleen Cho, Honolulu.

Pilgrim Prayers for People Living with Cancer Susan M. Northey, 2004 Northey, a cancer survivor, has written stories that reflect the lives of people who are living with cancer. She shares her own story and writes about other cancer survivors she has met during her years of treatment and attending survival meetings. The 33 stories, which offer a human side to living with cancer, will give insight to those battling cancer and those who care for them. The thought provoking and moving stories that end with scripture and prayer will provide readers with the reassurance of God's grace, mercy, and omnipresence during difficult times.
