**Prequels, Coquels and Sequels in Contemporary Anglophone Fiction** Armelle Parey, 2018-09-03 This book offers to delineate a key phenomenon in contemporary Anglophone fiction: novel expansion, when the plot and characters from a finished novel are retrieved to be developed in new adventures set before, after or during the narrative time of the source-text. If autographic and allographic sequels are almost as old as literature, prequels – that imagine the anteriority of a narrative – and coquels – that develop secondary characters in the same story time as the source-text – are more recent. The overall trend for novel expansion spread in the mid-1980s and 1990s and has since shown no sign of abating. This volume is organised following three types of relationships to the source-texts even if these occasionally combine to produce a more complex structure. This book comprises 11 essays, preceded by an introduction, that examine narrative strategies, aesthetic, ethical and political tendencies underlying these novel expansions. Following the overview provided in the introduction, the reader will find case studies of prequels, coquels and sequels before a final chapter that encompasses them all and more.

After the Shock A trip to Washington DC quickly turns into a disaster when explosions start ripping apart the city, leaving a high school group of young ambassadors scattered and shellshocked. The sudden, screeching halt of their car however has other plans. The Quietus Arabella never thought her life could get any worse - that was until she died (#FML, or #FMD actually). Sophia is the best Grim Reaper in the biz, but she's about to get her strangest assignment yet. One harrowing adventure across the underworld will change both their afterlives forever. As an added bonus, there is a section of questions for Book Clubs!

**Feminist Perspectives on Law and Literature** Laura Schmitz-Justen, Laura A. Zander, Hanna Luise Kroll, Laura Wittmann, 2025-04-21 The interdisciplinary study of law and literature can help us better understand intersectionality, and

vice versa: intersectional feminist perspectives are extremely valuable in the study of law and literature. Of course, neither feminist nor intersectional approaches are new in and of themselves: for decades, literary scholarship has studied the impact of particular constellations of gender, race, and class when it comes to representations of women in literary texts and has succeeded in shaking monolithic and stereotypical notions of womanhood. However, research at the intersection of law, literature and feminism has so far been limited and insular. Bringing together more than twenty international researchers from related disciplines, this volume is the first to bring questions of intersectional feminism to the forefront of law and literature scholarship. From reproductive and (trans-)gender justice in law and literature to feminist practices that intervene in judicial discourse, this volume brings into focus a wide range of cultural and legal phenomena in which gender and the law intersect in literary texts. The volume's commitment to intersectionality fittingly extends to its very make up: the contributors were selected to represent a diverse range of positions in terms of their gender, career stage and nationality.

Meet Me at the Lake Carley Fortune, 2023-05-02 INSTANT #1 NATIONAL BESTSELLER INSTANT #1 NEW YORK TIMES BESTSELLER \*SHORTLISTED FOR CANADA READS 2024\* In this breathtaking new novel from the #1 bestselling author of *Every Summer After*, a random connection sends two strangers on a daylong adventure where they make a promise one keeps and the other breaks, with life-changing effects. Fern Brookbanks has wasted far too much of her adult life thinking about Will Baxter. She spent just twenty-four hours in her early twenties with the aggravatingly attractive, idealistic artist, a chance encounter that spiraled into a daylong adventure in Toronto. The timing was wrong, but their connection was undeniable: they shared every secret, every dream, and made a pact to meet one year later. Fern showed up. Will didn't. At thirty-two, Fern's life doesn't look at all how she once imagined it would. Instead of living in the city, Fern's back home, running her mother's Muskoka lakeside resort—something she vowed never to do. The place is in disarray, her ex-boyfriend's the manager, and Fern doesn't know where to begin. She needs a plan—a lifeline. To her surprise, it comes in the form of Will, who arrives nine years too late, with a suitcase in tow and an offer to help on his lips. Will may be the only person who understands what Fern's going through. But how could she possibly trust this expensive-suit wearing mirage who seems nothing like the young man she met all those years ago. Will is hiding something, and Fern's not sure she wants to know what it is. But ten years ago, Will Baxter rescued Fern. Can she do the same for him?
