Behind Closed Doors Murray Murray Arnold Straus, Richard J. Gelles, Suzanne K. Steinmetz, *Behind Closed Doors* is grounded in the unprecedented national survey of the extent, patterns, and causes of violence in the American family. Based on a study of over 2,000 families, the authors provide landmark insights into this phenomenon of violence and what causes Americans to inflict it on their family members. The authors explore the relationship between spousal abuse and child abuse as well as abuse between siblings, violence by children against their parents, and the causes and effects of verbal abuse. Taken together, their analysis provides a vivid picture of how violence is woven into the fabric of family life and why the hallmark of family life is both love and violence. This is a comprehensive, highly readable account of interest to both the professional and the layperson on an important topic, which concerns the social well-being of us all.

Her family had come to American [America] from Italy on vacation and simply never left. Her Catholic parents had disowned her. There was nowhere to go. Eventually, Daniella's mother gave up her daughter to be raised by strangers. This is the story of that child. This heart-wrenching memoir chronicles the childhood of a daughter without a mother. In vivid detail, Daniella describes how her mother's abandonment deeply traumatized her. However, she wouldn't let it break her. Some would have chosen to accept it. Daniella chose to get mad. This passion and anger would fuel her own journey toward a new family and a new life. Along the way, she shows remarkable compassion for the people she has met and for that scared, pregnant teenage girl all those years ago.--Back cover.
