## Nancy Mehl

*Rising Darkness (Finding Sanctuary Book #3)* Nancy Mehl, 2015-10-27 Romantic Suspense to Keep Readers Guessing Until the Last Page Sophie Wittenbauer left her strict Mennonite hometown under a cloud of shame and regret. After a rough childhood, her teenage poor choices harmed others, leaving her with no choice but to change her life. Her entry-level writing job at a newspaper puts her in the right place at the right time to overhear office gossip about a prisoner who has information on a decades-old unsolved crime. While the other reporters write off the tip as the ravings of an angry criminal, Sophie can't ignore it because she knows the name of this prisoner from her old life. Upon learning from the man that one of the other suspects is hiding out in the Missouri town of Sanctuary, she takes on a false identity to investigate and meets the young pastor of a local church--the very man she'd loved as a troubled teenager. As she gets closer to finding the suspect, will the truth of her own past come out before she discovers the identity of the criminal--or the very person she's seeking puts a fatal stop to her investigation?

*Mind Games (Kaely Quinn Profiler Book #1)* Nancy Mehl, 2018-12-04 Kaely Quinn's talents as an FBI behavior analyst are impossible to ignore, no matter how unorthodox her methods. But when a reporter outs her as the daughter of an infamous serial killer, she's demoted to field agent and transferred to St. Louis. When the same reporter who ruined her career claims to have received an anonymous poem predicting a string of murders, ending with Kaely's, the reporter's ulterior motives bring his claim into question. But when a body is found that fits the poem's predictions, the threat is undeniable, and the FBI sends Special Agent Noah Hunter to St. Louis. Initially resentful of the assignment, Noah is surprised at how quickly his respect for Kaely grows, despite her oddities. But with a brazen serial killer who breaks all the normal patterns on the loose, Noah and Kaely are tested to their limits to catch the murderer before anyone else--including Kaely herself--is killed.

*Dead Fall (The Quantico Files Book #2)* Nancy Mehl, 2021-11-02 He has a deadly endgame in mind--and he's already chosen each victim . . . including her. After putting to rest the most personal case of her career, Alex Donovan is ready to move on and focus on her future at the FBI's elite Behavioral Analysis Unit. When the BAU cofounder is discovered dead in his hotel room, the FBI is called in to work on the strangest case they've ever faced. How do you find a killer who murders his victims from a distance? When it becomes clear that the killer is targeting agents in Alex's unit, they are ordered into lockdown, sheltered in the dorms at Quantico. Alex bunks with controversial agent Kaely Quinn, and as they work together,

Alex discovers in Kaely the role model she's never had--despite being warned away. As Alex questions the type of agent she wants to become, things get personal when the brilliant killer strikes close to home. Now Alex will do anything to find the killer--even at the risk of her own life.

**Fatal Frost (Defenders of Justice Book #1)** Nancy Mehl, 2016-11-01 Mehl Ramps Up the Suspense in This Brand-New U.S. Marshals Series Mercy Brennan followed in her father's footsteps in a law enforcement career, but she has no interest in any other connection to him. A U.S. Marshal in St. Louis, Missouri, she's assigned to a joint task force with the St. Louis PD that puts her back into contact with her father and in the sights of St. Louis's most powerful gang. When the gang has reason to believe Mercy has possession of some highly sensitive and incriminating information, her boss assigns Mark St. Laurent--a Deputy U.S. Marshal and Mercy's ex-boyfriend--to get her out of town until they can guarantee her safety. Initially unaware of the danger she's in and uncomfortable working with Mark, Mercy's frustration escalates when she discovers the extent her boss and Mark have been keeping her in the dark. It isn't until a freak ice storm hits, stranding them at a remote location and out of contact with the district office, that the full severity of their situation becomes clear. As the storm worsens, the forces of nature combine with a deadly enemy closing in to put their lives at imminent risk. Can they survive long enough for help to arrive--if help is even coming at all?

**Gathering Shadows (Finding Sanctuary Book #1)** Nancy Mehl, 2014-04-29 Wynter Evans is a promising young reporter for a television station in St. Louis, but even a bright future doesn't take away her pain over the disappearance of her brother nine years ago. So when she stumbles across a photograph of a boy with an eerie resemblance to him, she can't pass up the chance to track him down. With research for work as her cover, she sets out with one of the station's photogs for the place where the picture was taken: the town of Sanctuary. Almost as soon as she arrives, she meets the town's handsome young mayor, Rueben King, and together they begin to uncover long held secrets that could tear the small town apart and change everything Wynter thought she knew about her life. As the truth of her family's past hides in the shadows, it's clear someone will stop at nothing to keep the answers she's searching for hidden forever--even if the cost is Wynter's very life.

**Dark Deception (Defenders of Justice Book #2)** Nancy Mehl, 2017-06-06 Kate O'Brien's quiet life in small-town Shelter Cove, Arkansas is shaken when her past suddenly comes roaring back to life. Four years ago, she and her twin sister were attacked by an elusive serial killer. Only Kate survived, and she's been in witness protection ever since. When new evidence arises to suggest the convicted man wasn't the murderer, she's subpoenaed to testify in the new trial. Afraid to go back into that world, Kate only agrees if Tony DeLuca, the deputy Marshal who protected her during the original trial, escorts her to St. Louis. Tony readily takes on the assignment; Kate's beauty and inner strength made more of an impression on him than he expected. But when Kate's safety is threatened, Tony must race against the clock to keep her alive and put this ugly case to rest before anyone else gets killed.

*Unforeseeable (Road to Kingdom Book #3)* Nancy Mehl, 2013-09-01 Callie Hoffman has a good life in Kingdom, Kansas. She's engaged to Levi Housler, the new pastor of Kingdom Mennonite Church, and she spends her days working with Lizzie Housler, her friend and soon-to-be sister-in-law, at the town cafe. When a body is discovered on the road outside Kingdom and the deceased turns out to be the victim of a serial killer, the new county sheriff begins questioning Kingdom residents. Unsettled at the prospect of a killer in Kingdom, Callie is desperate to find answers for herself, especially when her own fiancé seems to know more about the murder than he's telling. As the town battles an entirely unforeseen danger and Callie's very life is threatened, the stakes are as high as they've ever been and the people of Kingdom must learn anew to put their trust in God alone. Small-town life meets a dangerous outside world in this taut, suspenseful story, the third (after *Inescapable* and *Unbreakable*) in Mehl's Mennonite-flavored romantic suspense series. A good choice for readers who liked Amy Wallace's *Place of Refuge* series. --Library Journal

*Blind Betrayal (Defenders of Justice Book #3)* Nancy Mehl, 2018-04-17 Deputy U.S. Marshal Casey Sloane has worked at the St. Louis Marshals office for two years and is given a routine assignment to help transport a reporter to D.C. to testify before a grand jury. Valerie, the reporter, was writing a story about an up-and-coming environmentalist who suddenly disappeared and, she later discovered, whose backers purportedly have ties to a terrorist. When the seemingly ordinary assignment suddenly takes a shocking turn, Casey is forced to put aside her own feelings about the unexpected reappearance of a man from her past as she and two other Marshals take Valerie on the run. And as it becomes dangerously clear Valerie's testimony has even bigger implications than they knew, they'll do whatever it takes to make it out alive.

**Night Fall (The Quantico Files Book #1)** Nancy Mehl, 2021-03-30 Now that Alexandra Alex Donovan is finally free of her troubled upbringing, she's able to live out her childhood dream of working for the FBI. But soon after she becomes a member of the FBI's elite Behavioral Analysis Unit, authorities in Kansas and Missouri contact them about bodies found on freight trains traveling across the country--all killed in the same way. Alex never expected to be forced to confront her past in this new job, but she immediately recognizes the graffiti messages the killer is leaving on the train cars. When the BAU sends her to gather information about the messages from her aunt in Wichita, Kansas, Alex is haunted by the struggles she thought she'd left behind forever. In a race against time to solve the case while battling her own weaknesses, Alex must face how far she'll go--and what she's willing to risk--to put a stop to the Train Killer.

*Unbreakable (Road to Kingdom Book #2)* Nancy Mehl, 2013-02-01 Mennonite Romantic Suspense Sure to Thrill Readers Gentle and unassuming Hope Kauffman has never been one to question or try to make changes. She quietly helps her father run Kingdom Quilts and has agreed to the betrothal her father arranged for her with the devout but shy Ebbie Miller. Despite Hope's and other Kingdom residents' attempts to maintain the status quo, changes have already begun to stir in the small Mennonite town. The handsome and charismatic Jonathon Wiese is the leader of the move to reform, and when one of

Kingdom's own is threatened by a mysterious outsider, Jonathon is one of the first to push for the town to arm itself. Hope's fiancée, Ebbie, is at the forefront of those demanding the town stay true to its traditions of nonviolence. When strange incidents around town result in outright attacks on several townspeople, Hope can't help but question what she's always been taught. As the town that's always stood so strong together is torn apart at the seams, Hope is caught between opposing sides, both represented by those she has come to care for. With tensions high and lives endangered by an unknown threat, Hope fears Kingdom can never survive in one piece.

Deadly Echoes (Finding Sanctuary Book #2) Nancy Mehl, 2015-01-27 After a youth filled with tragedy and upheaval, Sarah Miller's life is finally settled with all echoes of the past silent at last. She happily calls Sanctuary her home and spends her days teaching at the local school. Sarah's joy at her recent reunion with her sister, Hannah, and meeting the niece she didn't know she had is too soon interrupted when Deputy Sheriff Paul Gleason informs Sarah her sister has been killed. As she learns more about Hannah's death, the circumstances are eerily similar to their parents' murder. Sarah enlists Paul's help in digging deeper into the murders the police are dismissing as burglaries gone wrong. Paul's concern encourages Sarah's growing feelings for him, but as their investigation peels back the layers of lies almost twenty years old, they get close to uncovering the truth one person will do anything to hide--even if that means coming after the last remaining members of the Miller family.

Mind Games Nancy Mehl, 2018 When an anonymous poem predicts a string of murders, ending with her own, FBI behavior analyst Kaely Quinn is paired up with special agent Noah Hunter, who resents his assignment. But this brazen serial killer breaks all the normal patterns, and soon Noah and Kaely are tested to their limits to catch the murderer before anyone else--including Kaely--is killed.

**Dead End (Kaely Quinn Profiler Book #3)** Nancy Mehl, 2020-03-31 When a body is discovered in a field in Iowa, the police uncover fourteen additional corpses ranging from 20 years old to recent. The remains point to a serial killer with an MO the authorities have seen before--Ed Oliphant, a man who has been in prison for over 20 years . . . and is Special Agent Kaely Quinn's father. After several failed interview attempts to discover if Ed has been training someone to be a copycat killer, the police turn to Kaely in St. Louis. Kaely promised herself she would never step foot in her hometown or set eyes on her father again. She's always refused to confront her past, but if she wants to prevent any more deaths, she must come face-to-face with the man she's hated for years. As more bodies are discovered, Kaely races against time and her own personal turmoil to uncover the killer. Will this most personal case yet cost Kaely her identity and perhaps even her life?

Inescapable (Road to Kingdom Book #1) Nancy Mehl, 2012-07-01 Page-Turning Romantic Suspense Set Against the Backdrop of a Small Mennonite Town Lizzie Engel is used to running away. At eighteen, she left her Mennonite hometown, her family, and her faith with plans never to return. Five years later, Lizzie finds she'll have to run again. False accusations at

As Lizzie becomes reacquainted with Kingdom, she realizes she may not have left her Mennonite roots and her faith as firmly in the past as she thought. She draws on the support of Noah Housler, an old friend, as she hides out and attempts to plan her next steps.
