Other essays include Wright Thompson's bittersweet profile of Michael Jordan's fifty-something second act (ESPN the Magazine); Jean M. Twenge's revealing look at fertility myths and baby politics (The Atlantic); Janet Reitman's controversial study of the Boston Marathon bomber Dzhokhar Tsarnaev (Rolling Stone); Luke Mogelson's harrowing experience accompanying asylum seekers on a potentially deadly sea voyage to Australia (New York Times Magazine); Lisa Miller's poignant report from Newtown, Connecticut, as the town tries to cope with the aftermath of one of the nation's worst mass shootings (New York); Emily Nussbaum's critiques of gender and politics on television (The New Yorker); and Witold Rybczynski's poetic engagement with modern architecture (Architect). George Orwell Thomas Cushman, John Rodden, 2015-11-17 The year 2003 was the 100th anniversary of the birth of George Orwell, one of the most influential authors of the twentieth century. Orwell's books are assigned today in over 60,000 classrooms annually. In this book essays by prominent writers and scholars explain why his impact continues in a world much changed from his own. The essays explore new aspects of Orwell's life and work and his continuing relevance for the interpretation of modern social, political, and cultural affairs. Thematic topics include: the use and abuse of 1984; ideas, ideologues, and intellectuals; biography and autobiography; literary and stylistic analyses; and the reception of Orwell's work abroad. The volume is an ideal secondary source for those who continue to be influenced by Orwell's insights and for teachers of Orwell's work. Contributors: Christopher Hitchens, Jonathan Rose, Ian Williams, Morris Dickstein, John Rodden, Thomas Cushman, Ronald F. Thiemann, Lawrence Rosenwald, Todd Gitlin, Erika Gottlieb, Dennis Wrong, Daphne Patai, Jim Sleeper, William Cain, Lynette Hunter, Margery Sabin, Vladimir Shalpentokh, Miquel Berga, Gilbert Bonifas, Robert Conquest.

Please Scream Inside Your Heart Dave Pell, 2021-11-09 From the publisher of the NextDraft newsletter comes a cathartic and humorous ride through the unnerving, maddening hellscape of the 2020 press cycle, reestablishing the line between real news and real life. Please lower your shoulder restraint and keep your hands and feet in. You're about to board a roller coaster ride through a year that was at once laughable and lethal. If you've got an anti-anxiety prescription, now would probably be a good time to call in a refill. *Please Scream Inside Your Heart* is a time capsule; a real-time ride through the maddening hell that was the 2020 news cycle—when historic turmoil and media mania stretched American sanity, democracy, and toilet paper. Who better to examine this unhinged period in all of its twists and turns than news addict Dave Pell, aka the internet's Managing Editor? Fueled by the wisdom and advice of his two Holocaust-surviving parents, for whom parts of this story were all too familiar, Pell puts the key stories of 2020 into context with pith and punch; highlighting turning points that widened America's divisions, deepened our obsession with a media-driven civil war, and nearly knocked the country off its tracks. Pell also examines the role of technology in society—and how we somehow built the exact opposite of what we thought we were building. Why did the lies spread faster than the truth? How did our tech addiction contribute to the nightmare? Why do you feel a vibration in your pocket right now? In 2020, the news was everywhere, and everything was political—even the air we breathed. So brace yourself as you're hurtled through the twists and turns of the corkscrewiest year in American history; one that included two impeachment trials, a global pandemic, Black Lives Matter, the biggest election of a lifetime, a slide towards autocracy, and a warning from the makers of Lysol not to drink their products.

Backward Glances Conrad Black, 2016-10-25 From the preeminent columnist, historian, and bestselling author writing at the top of his game comes an essential collection of writing on politics, economics, culture, religion, and more. Conrad Black is one of our best known writers, historians, and businessmen. This never-before-published collection of Conrad's finest journalism, selected from many of the most prestigious publications in the English-speaking world, spans his full career. Included here are Conrad's best columns on Canada, its history and future; the U.S. as superpower; the Middle East; the Catholic Church; Wall Street; and journalism. Also, influential columns on everything from free trade to prison reform; and unexpected delights, including a much-read column on rescued kittens. On all of these subjects, Conrad Black is an intellectual force and these are the reflections of a masterful stylist, whose opinions defy expectation and whose wit and brilliance is on display in everything he writes.

Thomas Jefferson Christopher Hitchens, 2009-10-13 An artful portrait of a complex, formative figure in American history and his turbulent era, from a New York Times -bestselling author. A balanced, readable portrait. A refreshing perspective. — New York Times Book Review In this unique biography of Thomas Jefferson, leading journalist and social critic Christopher Hitchens offers a startlingly new and provocative interpretation of our Founding Father—a man conflicted by power who wrote the Declaration of Independence and acted as ambassador to France yet yearned for a quieter career in the Virginia

legislature. A masterly writer, Jefferson was an awkward public speaker. A professed proponent of emancipation, he elided the issue of slavery from the Declaration of Independence and continued to own human property. A reluctant candidate, he left an indelible presidential legacy. This opinionated, lively narrative sheds light not only on Jefferson's complex personality but on the politics of his time, making it both a fascinating character study and an excellent review of early American history. — Publishers Weekly Hitchens brings his inimitable style of coruscating precision to Jefferson's ambiguities, which have long provoked disparate opinions . . . Imaginative without being inventive, Hitchens is the rare author who can prune a complicated life such as Jefferson's to reveal its salient characteristics. — Booklist

Interplay Dennis Joseph Enright, 1995 A commonplace book by its very nature, must be unique; D. J. Enright's proves to be a mixture of personal, critical, playful, and profound. It is a commerce between the author and many other authors, touching, for instance, on childhood, young murderers, the use and abuse of stereotypes, modern biography, ars erotica, contemporary manners, old age, animals, obsolete notions of integrity in business and government, and the machinery of dreaming. A common reader himself, and as light of heart as the subject will allow, the author explores such prose poets as Nietzsche, Schopenhauer, and Freud. He looks into the world of books, contemporary Grub Street, the eccentricities of criticism, the reductive tendency of current fiction, literary theory and practice, and the necessity and impracticability of censorship. There are also some new poems in a work that is amusing, and thought-provoking, and highly revealing of Enright himself. Some extracts... 'Voltaire, giving a lesson in tragic diction to a young actress who lacked fire: My dear young lady, act as though the devil were in you! What would you do if a cruel tyrant had just separated you from your lover? She answered: I would take another.' 'Biography, the great growth industry, the stealer of review space, the crowder-out of bookshops...' 'Given the depravity of adults, we can only hope that children are not as innocent as probably most of them are.'

Christopher Hitchens: The Last Interview Christopher Hitchens, 2017-12-05 This selection of interviews showcases the remarkable career of one of this generation's greatest and most divisive thinkers—featuring a foreword by Stephen Fry. “. . . pulls together some of Hitchens's greatest dialogues, each sparkling with intelligence and wit.” —New York Times Book Review If someone says I'm doing this out of faith, I say, Why don't you do it out of conviction? One of his generation's greatest public intellectuals, and perhaps its fiercest, Christopher Hitchens was a brilliant interview subject. This collection—which spans from his early prominence as a hero of the Left to his controversial support for the wars in Iraq and Afghanistan toward the end of his life—showcases Hitch's trademark wit on subjects as diverse as his mistrust of the media, his love of literature, his dislike of the Clintons, and his condemnation of all things religious. Beginning with an introduction and tribute from his longtime friend Stephen Fry, this collection culminates in Hitchens's fearless final interview with Richard Dawkins, which shows a man as unafraid of death as he was of everything in life.

Married to the Icepick Killer Carol Muske-Dukes, 2002 The author offers essays and observations that explore the

frequently uneasy relationship between Los Angeles and literature, discussing topics ranging from freeway billboards spouting Emily Dickinson quotations to show business.
