

Death Is Not The End Quote

Nicolae Sfetcu

The Last Enemy to Be Destroyed Ralph K. Hawkins, 2024-11-11 Sooner or later, we are all faced with death and are left asking whether death has the last word. The Bible does not pretend that death is not a problem, but instead views it as an enemy that has invaded God's world and torments humankind. The Bible teaches that Jesus Christ has triumphed over death, but there is debate about when that triumph will be realized. The apostle Paul says that death will be "the last enemy to be destroyed" (1 Cor 15:26), and the author of the letter to the Hebrews says that, ironically, it was "by his death" that Jesus "broke the power of death" (Heb 2:14). The Last Enemy to Be Destroyed will take readers on a guided tour of the progressive revelation from the garden of Eden, where the fall occurred and death first entered the world, to the last days, when the general resurrection will occur and death will finally be defeated once and for all. It will encourage anyone who has either lost a loved one or received a frightening diagnosis themselves. Readers will be assured that there will come a day when the last enemy, death, will be defeated, and we will be redeemed.

Death Nicolae Sfetcu, 2016-05-06 About death, grief, mourning, life after death and immortality. Why should we die like humans to survive as a species. No one wants to die. Even people who want to go to heaven don't want to die to get there. And yet death is the destination we all share. No one has ever escaped it. And that is as it should be, because Death is very likely the single best invention of Life. It is Life's change agent. It clears out the old to make way for the new. Death until Resurrection Joseph Saligoe, 2020-03-11 What really happens to the soul when people die? This groundbreaking book may appeal both to Luther experts and to those who know little about the Reformer. It demonstrates that Luther constantly taught over the last twenty-four years of his life that death is like an unconscious sleep. It also shows why this matters today for Christians. Death until Resurrection is a great first step in understanding God's plan for renewal of the creation that can alleviate our common fears about death. Seeing what exactly the scriptural writers meant regarding death--as interpreted by one of the most prominent church leaders ever--also provides the benefit of helping us better understand core doctrines such as our resurrection, the nature of hell, and eternal life through salvation. This book offers that which very few writers on Luther have done: an explanation that can unravel his apparent contradictions and the Luther paradox on the nature of death and the soul using Luther's own words scattered throughout his voluminous writings. Learn

which group of widely acclaimed authors (or experts) on Luther was correct about what Luther believed about death: Lohse and George, or Althaus and Thiselton.

Endquote Marina Balina, Nancy Condee, Evgenii Aleksandrovich Dobrenko, 2000 Sots-art, the mock use of the Soviet ideological clichés of mass culture, originated in Soviet nonconformist art of the early 1970s. An original and provocative guide, Endquote: Sots-Art Literature and Soviet Grand Style examines the conceptual aspect of sots-art, sots-art poetry, and sots-art prose, and discusses where these still-vital intellectual currents may lead.
