Desperate Times Call for Desperate Measures J. D. R. Hawkins, 2013-06-27 At a time when America is suffering from poverty, gangsters are terrorizing the country, and alcohol is prohibited, Maxie Pierce finds herself facing even greater problems. Her father has gone missing, her mother is indifferent, and her relatives seem to be hiding something. Maxie feels that the only person she can trust is her Auntie Rose, who operates the Arcade Hotel in Little Chicago, otherwise known as Sioux City. Maxie soon learns that her aunt isn't without tarnish, either. Questionable characters keep showing up at the hotel, which makes her wonder if Rose's husband is up to no good with the Chicago mob. When one of the hotel patrons takes a plunge out of a two-story window, accusations start flying. Maxie decides to investigate the incident on her own, but strange, diabolical things keep getting in her way. Eventually, she comes to realize one important thing: There's no place like home ... even if it is corrupt."

Beyond the Consent of the Governed Craig M. Farnham, 2021-03-25 An actor who left the glitz and glamour of Hollywood and stepped onto the political stage. The son of a former president who, as president himself, led the nation to war. And the first African-American to be elected president of the United States. American history is filled with saints and sinners as well as leaders who inhabit a space somewhere in-between. It is important that we learn from them, and from our successes and failures as a nation, as we look ahead and map out a role for the United States in the 21st century. In this engaging new book, the author examines three presidential administrations whose legacies are --at best-- mixed. Ronald Reagan is the man who conservatives love to love, though his actual record as president involves runaway deficit spending and a scandal (Iran-Contra) that nearly cost him the White House. George W. Bush was a president whose personal faith resonated with many Americans; however, his decisions following the attacks on 9/11 would lead the United States into war abroad and ultimately endanger the economy at home. It is too soon to judge (in history's full scope) the presidency of Barack Obama. An early verdict, though, would be less-than-glowing: pointing to a period of political stagnation in Washington and of a president's inability to successfully deliver on the promise of "change." Whether one agrees or disagrees with the assessments laid out in the pages of this book, hopefully readers will put aside the name-calling and the venom of recent partisanship. It is hoped that "We the People" can agree in spirit while disagreeing on specific policy, and together begin a more open and honest discussion of the roads already traveled and the decisions we face looking forward. This cannot be

done, though, unless and until Americans acknowledge the cracks and imperfections in the image Ronald Reagan painted of a “shining city on a hill.”

1 & 2 Kings David B. Schreiner, Lee Compson,2022-08-16 Kerux Commentaries enable pastors and teachers to understand and effectively present the main message in a biblical text. Unlike any other commentary series, each volume is written by an expert in biblical exegesis and an experienced homiletician in partnership. Inclusion of a preaching author means that the commentary is focused on biblical insights that are useful in biblical teaching, with communication strategies and illustrations for each passage that are powerful and engaging. Each volume is divided into distinct preaching segments, in which the authors guide the reader through a well-tested sequence: exegetical analysis, theological focus, and teaching strategy. Based on the text-driven Big Idea model, Kerux enhances the reader's ability to deliver a message that is biblical, cohesive, and dynamic.

Leadership by the Book Brent Garrison,2016-02-16 Dr. Brent Garrison has reached a pinnacle, pointing leaders to the ultimate source of inspiration where one learns to lead the pack—from the back. Jerry Jenkins Multiple New York Times Bestselling Author Christian men and women across the country experience leadership in many different ways. Some lead a congregation, youth group or ministry, some in their homes, businesses, or non-professional organizations. The lives of many followers of Christ are marked by a combination of these roles. In Leadership by the Book, Brent Garrison offers examples from each book of the Old and New Testaments of how God’s servants have led His people, and the lessons that today’s leaders can learn from them. From Moses to John, Genesis to Revelations, Garrison offers a new perspective on ancient wisdom. Insightful applications and spiritual adaptations for modern problems on every page, Leadership by the Book will help Christian leaders in their personal, spiritual and professional lives to find timeless answers to difficult questions.

You Can't Lie to Me (Enhanced Edition) Janine Driver, 2012-08-28 In *You Can't Lie to Me*, the enhanced e-book edition, you will find five exclusive video interviews with Janine Driver giving you additional tricks, tips, and B.S. Barometer Tests to catch the liars in your life. Also featured in this edition are additional photos and text to help you further understand the nature of lying. What if you could increase your salary by 15 percent, kick problems and worries to the curb, and get a better night's rest simply by learning how to detect a lie the moment it starts (or even before)? What if you had an easy-to-use test that tipped you off the instant someone held something back from you? An innate lie detector so powerful it becomes an unconscious skill, applicable with any person, in any situation, to help you act fast before what began as an innocent white lie suddenly takes hold of you, your paycheck, or your happiness? No machine built to date has proven more effective than a well-trained human lie detector, says world-renowned body language expert Janine Driver, a former federal law enforcement investigator who has trained agents at the ATF, CIA, and FBI. Today, Driver teaches people like you to supercharge your internal BS Barometer quickly and accurately so you can protect yourself from liars and manipulators. *You Can't Lie to Me* will change the way you look at job applicants, coworkers, dates, salespeople, money managers—anyone from whom you want and deserve the truth— while simultaneously strengthening and deepening your relationships with your siblings, children, friends, and lovers. Driver distills nearly two decades of behind-the-scenes knowledge, cutting-edge science, and relatable case studies into a simple, powerful five-step program. Whether it's with your teenager, spouse, mechanic, or fellow board member, and whether you are communicating face-to-face or through phone calls, e-mails, texts, Facebook posts, or handwritten notes, you will have all the tools and confidence you need to spot deception. More important, you will recognize the truth as you build the caring, authentic connections that make life worth living. In *You Can't Lie to Me* learn how to perfect your inner lie detector (BS Barometer) and ban liars from your life, so you can feel more confident and create stronger, more trusting relationships. Lie detection expert Janine Driver delivers a step-by-step, foolproof program to: outsmart disloyal coworkers—and beat them to the plum promotions protect your children from predators and guard aging loved ones—and their nest eggs—from unscrupulous con artists hire honest employees whose resumes and experience you can trust say yes to honest partners and avoid lying cheaters get your boss's attention with these little tips save thousands of dollars each year using rich people's #1 trick Please note that due to the large file size of these special features this enhanced e-book may take longer to download than a standard e-book.

God's Girl Dee Johnson, 2012-04 Do you ever doubt yourself? Have you ever felt unworthy of God's love? Do you desire a closer relationship with the Lord? Author Dee Johnson, a licensed mental health professional, takes women from all walks of life on an uplifting journey through every day of the year. Full of applicable scripture, encouraging words, and examples from her own life, *God's Girl* is

designed to help women see themselves through the eyes of God, their creator. The daily messages will help women free themselves of the bondage of their past, will foster healing from the injustices around them, and will encourage them to walk in their God-given purpose. The devotions are structured to give women daily instruction on how to live a godly lifestyle while living a balanced, productive lifestyle during any stage of life, including single life, married life, and motherhood. Join Dee on her yearlong journey of faith, hope, and love to discover your worthiness as God's Girl.

You Can't Lie to Me Janine Driver, 2012-08-28 Janine Driver was trained as a lie detection expert for the ATF, FBI, and the CIA and is a New York Times bestselling author (*You Say More Than You Think*). Now she makes a powerful and incontrovertible declaration: *You Can't Lie to Me*. Driver—who is known in professional circles as “the Lyin’ Tamer” and has demonstrated her world-renowned expertise on such programs as *The Today Show*, *The Dr. Oz Show*, and *Nancy Grace*—now offers readers essential tools that will enable them to detect deceptions, recognize a liar, and ultimately improve their lives. For readers of *Never Be Lied to Again* by David Lieberman and anyone worried about the possibility of cheating partners, devious co-workers, lying employees, or ubiquitous con men, *You Can't Lie to Me* will help you uncover the truth in any situation while giving you the skills you need to keep yourself happy, your family safe, and your business protected.

Strictly Business: Desperate Times Call for Desperate Measures Monica Helene Thomas, 2015-11-24 Nick, Logan, Harold, Jack and Cage, five old childhood friends get back together one last time to commit crimes that are unimaginable. However, their criminal activity doesn't draw these knuckle heads any closer but instead widens the gap within their relationships. While spending time together these friends, begin to realize that they still remember each other's old childhood ways. But the more time they're together they also faces the reality that they've grown up. Monica H. Thomas, book author from Gainesville, Florida has five other published fiction books such as *My Brother's Keeper*, *What a crooked web we weave*, *I'll never amount to nothing so you say*, *A Friend's Betrayal* and *Nobody's Child*. Desperate Times Call for Desperate Measures Brenda Buie-Pearson, 2021-07 Life happens to each person in the earth realm. Sometimes it brings great joy, sometimes it is mundane, and sometimes life is stressful beyond belief. The purpose of this treatise is to help readers understand that even though drastic events occur in life, powerful solutions are available that provide measures to not only cope, but also to overcome obstacles or life situations that bring distress. The steps set forth in this book present one of the most powerful tools available to maneuver and navigate through drastic times, and that tool is prayer. The guidelines presented in these pages create a path in a simple form that will help the reader embrace a pathway to victory.

Unforgivable Amy Reed,2016-05-03 In this raw, gut-wrenching, and beautifully written sequel to *Invincible*, Marcus continues Evie's story of their intense romance, a stunning conclusion to this contemporary duology perfect for fans of Gayle Forman and Sara Zarr. Marcus knows pain. The kind that swallows you like a black hole. His brother committed suicide, his mother left him, and his dad ignores him inside their cavernous house. Relief seems to come only from drugs, alcohol, and secret acts of self-destruction. Until he met Evie. Together, they lived in the moment. They fell in love—hard—creating their own beautiful world. But they each had their own secrets, their own pain. *Unforgivable* takes off where *Invincible* ended—with Evie drowning in San Francisco Bay. Marcus finds her just in time, but her survival is not the happy ending he was hoping for. Forbidden from seeing Evie by her parents and unable to reach her, Marcus learns of a pain that might break him completely. The pain of losing Evie becomes tangled with the loss of his mother and brother, and he must face the ghosts he has been trying so desperately to outrun, or risk losing Evie forever.

Thinking Class Joanna Kadi,1996 In an era of increasing conservatism and a heightened attack on working people and women, Joanna Kadi's clear prose and arresting poetry strike out powerfully against the dominance of the upper class in all spheres of life. Kadi provides us with a personal and analytical look at how oppression by class intersects with oppression by race, gender, and sexuality. Examining the elite's supposed hegemony over intellectual work, *Thinking Class* rejects the idea that working people are not thinkers, and affirms the culture that springs up, beautiful and honest, from this society's true base.
