My new job landed me in another country, but it might as well have been an entirely different world. An underground world of magic and secrets ruthlessly guarded by an elite group of Fae warriors. This place has brought out a power buried deep within me. A dark and monstrous power. I have no choice but to turn to the Fae for help. Lochlan is the leader of those warriors meant to guard the border between realms. He's secretive and arrogant yet undeniably alluring. I have no reason to trust him, but he's the only person who can teach me to protect myself. He pushes me to my limits and threatens to unravel me with every husky command. More than anyone, he has the power to undo me. Because with every lesson, I lose more of myself to him and this new world I never asked to be a part of. This is a must read for fans of Karen Moning's Fever Series and all fantasy lovers... Solid 5 stars for this one! Can't wait for the next. -Lady Reading, Goodreads

Predictable. And this one's going to set me free, he just doesn't know it yet. Knight I've been ordered to watch her. To ensure she doesn't escape. But I'm torn. She holds the key to something I want. Something outside of her cozy prison. I never thought I'd be disloyal to the man who saved my life, but I need answers. She thinks she can escape me once we're outside these walls. But without her magic, she's no match for me. Once I get the answers I seek, she's going right back in her cage. Where she belongs. But fate brought us together. He is the very last man on earth that I should want. Yet, I find myself needing him in ways I never thought I'd need a man. Fen I have known nothing but survival

for centuries. Until I met Cat. She made me remember what it is to live—gentle and innocent when I am harsh and unforgiving. Now that I've tasted her sweetness, there's no turning back. If I had any honor left, I'd stay away from her. But Cat is mine, and I will do anything to keep her. I would kill for her. I would die for her. **While this book can be read by itself in theory, the majority of the world building and character introduction takes place in the first book of the series, *Curse & Craving*.
