Trust Your Increments Laura Casselman,2023-02-14 From the age of 3, Laura Casselman has always had one goal—to become a Radio City Rockette. So how did her journey with dance lead her to become the CEO of a major tech company? *Trust Your Increments* depicts the twists and turns of Laura Casselman’s career, from dancing in a one-stoplight southern town and performing on stage in the Christmas Spectacular to entering the boardrooms of NYC and spearheading JVZoo, an industry leader that has been listed on the Inc. 5000 of America’s fastest growing companies four times. Written for professionals seeking to change the trajectory of their own careers, *Trust Your Increments* aims to show a new generation of business leaders how to get what they want with incremental, easily-applicable steps. Laura Casselman knows the unspoken role of business as an “Old Boy’s Club” and details her honest experiences with male dominated boardrooms, blatant sexism, and wage inequality in the corporate environment. Her insights within *Trust Your Increments* empower and inspire readers to challenge the status quo and forge ahead as they foster change within the workplace.

Heidi's Guide to Four Letter Words Tara Sivec,Andi Arndt,2019-12-03 Cowritten by USA Today best-selling author Tara Sivec and award-winning narrator Andi Arndt, a hysterically funny, heartfelt romance about starting over and taking chances. Nothing good ever comes from drinking a box of wine alone. So when I decided to entertain my drunken self by setting up some hand-me-down podcasting equipment and reading the steamy parts from romance novels, I never thought anyone would actually listen. The fact that I admitted my huge crush on my sexy next door neighbor made the whole thing even more mortifying. But sometimes life surprises you, and that’s how my podcast, Heidi’s Discount Erotica, was born. Now I, Heidi Larsen, a sweet former kindergarten teacher in Waconia, Minnesota, lead a scandalous double life reading erotic novels to the listening world. And with each episode, I find myself embracing my new alter ego more and more. Now I’m starting to feel more comfortable in my own skin and do things I never would have dreamed of - like kissing my neighbor. Look out, Waconia, because Heidi’s on the loose! She’s in your ears, in your hearts, and down your pants...wait, that didn’t sound as good as it did in my head. Well, you get the picture, don’tcha know!

Jamie and Charlotte are looking for a winter break reprieve in Sussex after a fall semester that almost got them killed. But nothing about their time off is proving simple, including Holmes and Watson's growing feelings for each other. When Charlotte's beloved Uncle Leander goes missing from the Holmes estate—after being oddly private about his latest assignment in a German art forgery ring—the game is afoot once again, and Charlotte throws herself into a search for answers. So begins a dangerous race through the gritty underground scene in Berlin and glittering art houses in Prague, where Holmes and Watson discover that this complicated case might change everything they know about their families, themselves, and each other.
