Leadership, from the Middle to the Top Larry A. Wilske, 2011-06 While there is no standard guideline to success in leadership per-se, there are some general principles that will consistently lead in that direction. Having a plan is often the most overlooked, yet required part of a new leadership position or challenge. Then from that plan, a basis of principles (ethos, culture, philosophy and virtues) is what will ensure a lasting effect. Leadership is generational and as such, it's the second and third-order effects that we want to influence in our new leadership role. This book is a continuing reference guide to setting up a leadership plan with some specific desired effects. This is your guide to developing a philosophy, mission statement and a temporal plan of actions and milestones for your new leadership tenure. It also has tools that will help you draw from and foster the existing base of wisdom among your subordinates. Put shortly, you've been promoted; here's your next step. Contained are a series of simple tasks that may take months even years to be accomplished, thus giving your leadership tenure lasting effects through your immediate replacement as well as empowering their replacements to take the wheel and stand the watch! This is not a book to be read once and taken for immediate interpretation. This is an ongoing reference guide with hundreds of simple points of thought to be applied to almost any leadership challenge. What's missing in this book is what you, the leader, need to find for yourself, on your terms to develop into the book of your tenure. Good luck!

Journal of Character Education Jacques S. Benninga, Marvin W. Berkowitz, 2020-08-01 The Journal of Character Education is the only professional journal in education devoted to character education. It is designed to cover the field—from the latest research to applied best practices. We include original research reports, editorials and conceptual articles by the best minds in our field, reviews of the latest books, and other relevant strategies and manuscripts by educators that describe best practices in teaching and learning related to character education. The Journal of Character Education has for over a decade been the sole scholarly journal focused on research, theory, measurement, and practice of character education. This issue includes a Voices section highlighting the 2017 Character.org Sandy Award recipient, along with four peer-reviewed articles, and a book review.

The Glitches within the Human Race Stuart Miller, 2022-01-05 I provide a deep, analytical, and philosophical explanation of why certain cultural and social issues exist. With each topic, I discuss what it is, give examples for each, and

break down each example providing more detail of just some of the possible reasons as to why people do them (possible mentalities). I also provide some of my own experiences and everything discussed in this book, I have personally witnessed and or have gone thru. I included the following: * Situations based on personal experience and or witnessing them, with some online research to support certain issues. * My perception, perspective, and mentality on various issues that affects everyone to some degree * Quotes that further support certain chapter topics * Philosophies, analogies, and comparisons to provide better contextual clarification on certain issues * Detailed breakdown of the examples provided within each chapter * Explanation of what it will take to help fix each of these issues * Some of the many possible reasons why people behave the way they do and some of the possible motives, intentions, and life experiences from both sides (person doing the behavior and the person receiving the treatment) * Solutions to all the topics that are discussed (changes that we need to make with how we think and act towards others) Furthermore, I provide much thought-provoking material to challenge the way we think and view society, in ways you might not have considered. I discuss many unhealthy mentalities and behaviors which is damaging to people on a much larger scale and it's having a much greater influence on others both directly and indirectly in ways that we do not even realize. This book is something the whole world needs to read and here is why: * Providing solutions to some of the biggest cultural and social issues which have existed for far too long * The way the world is with how we treat others is badly broken and some of the solutions are in this book which the world needs the solutions I provide * We do the same or similar behaviors towards others expecting different results and this is not working at all * We need to step outside our comfort zone by changing their behaviors in ways we're not used to doing (to get something you've never had, you must first do something that you've never done) * The world needs to be less close-minded and use less tunnel vision (the mind is like a parachute, it can't work if it's not opened) I see the world differently, and the purpose of this book is to share different ways of looking at situations and the numerous possibilities to take into consideration. I share my perception and perspective, viewpoint, mentality, and some of my own philosophies. I provide a more in-depth perspective of looking at a variety of life situations and the possible reasons as to why people choose to treat others the way they do. I think a lot of people might find this content in general interesting, beneficial, inspiring, and or even life-changing.

Walking in God's Favor Christina Marie Hollensbe, 2017-01-09 In her dynamic new devotional, WALKING IN GODS FAVOR, speaker and author Christina Marie Hollensbe provides you with powerful God moments for your daily walk with Christ. Christina looks for indicators of Gods presence in her own life and captures them through her prayer journals. After many years of writing, Christina Hollensbe heard the Lord calling her to share her God-inspired writings with others. While reading WALKING IN GODS FAVOR, you will learn that God makes a certain point of letting us know Hes alive and involved in our everyday lives. God moments are all around us. We just have to learn to recognize them. Each days devotion is filled with practical biblical application along with personal stories, and life-changing promises from Gods Word. Using this

devotional, you will learn to trust God, grab hold of His scripture, apply the Word to your life, and experience WALKING IN GODS FAVOR!

Doing the Right Thing Arjo Klamer, 2020-04-15 This book is for all those who are seeking a human perspective on economic and organizational processes. It lays the foundations for a value based approach to the economy. The key questions are: What is important to you or your organization? What is this action or that organization good for? The book is directed at the prevalence of instrumentalist thinking in the current economy and responds to the calls for another economy. Another economy demands another economics. The value based approach is another economics; it focuses on values and on the most important goods such as families, homes, communities, knowledge, and art. It places economic processes in their cultural context. What does it take to do the right thing, as a person, as an organization, as a society? What is the good to strive for? This book gives directions for the answers. The value based approach restores the ancient idea that quality of life and of society is what the economy is all about. It advocates shifting the focus from quantities (how much?) to qualities (what is important?).

Thoughts for My Children Frank Sanders, 2022-12-07 My purpose in writing this short book is to share my thoughts with my loved ones, especially the children in my life. I hope these words will be a lasting legacy to my children and grandchildren as they grow up and after I am gone. None of these thoughts are original or insightful. They are simple truths and ideas. But young people seldom take the time to sit down and think about basic things. As people like me get older, we see young people make mistakes or suffer or destroy relationships and friendships over simple and obvious issues. I have often looked back and wished I had made some small things part of my approach much earlier in my life. I still often wish I could impart some time-gathered wisdom to my children and grandchildren to smooth their path, allow them to avoid mistakes, and give them a long-term perspective in this short-term, short-sighted world. This book is my effort to share some of what I have learned. These short chapters are not an exhaustive examination of the topics under discussion. Rather they are straight to the point and simple as a grandfather would make the point to a young person who is not excited about sitting down for a long discussion about meaning of life issues with Granddad. I hope the young people who read these words will get the gist. For those who need more depth, hopefully, these words will get the discussion started. I plan to share this book with my grandkids. I hope it will be of interest to them. But just as important, I hope this book will be read and appreciated by many grandparents who love their grandchildren. Maybe my words will give them a chance to have a short discussion with their own loved ones. They can share all or some of the points as they see fit. They can share my thoughts and add to them their own take. If they agree with me, this may be an easy way to share some truth and advice. If they disagree, this will be a good place to begin the conversation. I pray that once the habit of discussion with their grandchildren is established, they can share other thoughts that are important to them. God speed, Frank Sanders

Let's Play Yoga! Márcia De Luca,Lúcia Barros,2018-08-21 A playful, exuberantly illustrated book that introduces yoga to kids ages 5 to 8 with simple postures and techniques to foster a calm mind and healthy body How can a magic tree, a cow with a fidgety son, or a wise lion teach kids about being kinder, calmer, and stronger? With yoga! In Let's Play Yoga!, these and other colorful characters promote balance and discernment—through creative stories kids can read on their own, all grounded in traditional yoga poses. This vibrant book also includes: The ten principles of yoga: nonviolence, truth, non-stealing, right use of energy, detachment, cleanliness, contentment, discipline, self-study and trust. Stories to help you learn: Wise and playful teachers, from Gomu the spotted cow to Vriksha the magic tree, show how practicing yoga—and living its principles—is a gift to yourself and others. Thirteen yoga poses: Step-by-step illustrations show how to do Tadasana (mountain pose), Trikonasana (triangle pose), and more, plus meditation and breathing exercises. And an abundance of benefits: By “playing yoga,” kids will cultivate balance, discipline, and focus. The result? They become more aware of their own feelings, thoughts, and actions; more engaged at school; and happier at home. In the hands of talented authors, yoga becomes a lifelong skill to help kids pave the way to a more compassionate future for all, even as they explore new ways to move.

Defending the Eyewitness Rachel Lee,2014-04-01 The New York Times–bestselling author delivers “a page-turner full of mystery and suspense, keeping the reader engaged every step of the way” (Fresh Fiction). The note wasn't a threat, exactly. But for Corey Donahue, who'd witnessed her mother's murder as a child, it felt very menacing. Surprisingly, the one person she trusted to show the note to was a man merely renting a room from her—Austin Mendez. Traumatized since childhood, Corey had never trusted men . . . until Austin moved in. Six years undercover had caused Austin to shut everyone out . . . until Corey. The vulnerability she hid from others made him yearn to break down the walls she'd erected around her heart. And with a killer closing in, two lost souls were discovering the trust they'd lost—and much more—in each other's arms. “Two emotionally wounded characters draw readers into Lee's story. Steady pacing, efficient and in-depth writing and a suspenseful plot keep the pages turning.” —RT Book Reviews (4 stars)

Do The Right Thing When No One Is Looking Introduction

In today's digital age, the availability of Do The Right Thing When No One Is Looking books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Do The Right Thing When No One Is Looking books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Do The Right Thing When No One Is Looking books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Do The Right Thing When No One Is Looking versions, you eliminate the need to spend money on physical copies. This not only saves you

money but also reduces the environmental impact associated with book production and transportation. Furthermore, Do The Right Thing When No One Is Looking books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Do The Right Thing When

No One Is Looking books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Do The Right Thing When No One Is Looking books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a nonprofit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts,

research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Do The Right Thing When No One Is Looking books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips.
