Girl, Get Your Money Straight! Glinda Bridgforth, 2000 An assistant vice president at Wells Fargo Bank, where she had worked for more than a decade, Glinda Bridgforth capably managed a \$90 million unit. Yet her own financial situation was spinning out of control. It was 1988, and time for what she now affectionately calls her three Bs -- breakdown, breakout, and breakthrough. Today, she's not only a financial success, she's the guru for helping African-American women through the same monetary ups and downs she experienced. Drawing on Bridgforth's business savvy, the experiences of her clients, and her own hard-won turnaround, *Girl, Get Your Money Straight!* is an upbeat, inspiring guide to help black women everywhere get smart about money and start funding their dreams. Where other finance books for African Americans offer basic advice, this is the first to delve deeply into the emotional and cultural factors that affect how black women manage their money. Written in a fresh, fun sister-to-sister style, *Girl, Get Your Money Straight!* offers a perfect mix of emotional coaching and nuts-and-bolts financial advice. Through affirmations and exercises, Bridgforth shows readers how to take

Savor the Flavor & Get Twice the Luv Jamala M. Johnson, 2015-01-23 Pink Passion: A ruling passion motivates, pushes, stretches, encourages, inspires and in some instances a ruling passion might even challenge you to reach your full potential. Make no mistake about it, a ruling passion is much different from a goal. In general, a goal is a set deadline or time frame establish by the goal setter to complete and accomplish a particular task. Normally, goal setters classify goals into categories, short term and long term. For a tantamount of consumers and shoppers, once a goal is set it stays at the center of attention until the goal is accomplished. Totally different from a goal__putatively, a passion, so to speak, is something that you love to do more than anything else that you do daily. Straight forwardly speaking, when you have a passion it consumes your every thought, it pretty much paints the picture of how you view, see, and live life. A strong feeling, longing, or desire; each of us as consumers and shoppers have different passions__ostensibly, even with the various passions available as choices, some consumers and shoppers have not found their ruling passion, understandably, it could take years before a consumer or shopper stumbles upon their ruling passion. At any rate that you find your passion, a passion or a ruling passion could be just about anything that you love and enjoy to do at home, away from the job, on vacation and during holidays. From shopping to

blogging to cooking to singing to acting to dancing, it's what you love to do the most, it's what motivates, pushes, stretches, encourages, inspires, and challenges you, it's your ruling passion. In previous years, I have had a passion to try and do many things. While in college, I rediscovered my passion for the English language and writing. Within the past seven years, I developed a passion for shopping and blogging. 2009, I developed a passion for pink. Along with my passion for pink, I believe my ruling passion is to be an award winning editor and writer. Veritably, all passions begin with you_if you have found your ruling passion stick with it, share it, and create a niche for your passion. And for the percentage of you (consumers and shoppers) who you havent found your ruling passion, start_right now and start doing what you love and enjoy, it's not too late.

Live Like You're Blessed Dr. Suzan Johnson Cook,2007-12-18 One of today's leading ministers, Suzan Johnson Cook epitomizes the positive attitudes and self-help spirit that make a profound difference in the way we live. Live Like You're Blessed illuminates her winning formula in an engaging combination of autobiographical anecdotes and lessons drawn from her pastoral work. Using the letters in the word "blessed" as her starting point, Cook illustrates the spiritual concepts that will help readers cope with life's difficult challenges. B represents balance: maintaining emotional equilibrium and finding the time for work, play, and worship L stands for love: accepting the love that flows from God and extending it to family, friends, and colleagues E is for energy: developing the physical stamina that nurtures emotional well-being and our dreams S is the spirit of God within: finding the inner strength and faith that allow us to serve as His hands on earth S represents success: achieving financial goals while living in alignment with our convictions and values E stands for encouragement: sharing the courage and hope at the heart of Jesus' teachings D is for devotion to God: exploring difficult questions, rather than accepting pat answers Filled with simple exercises and helpful suggestions, Live Like You're Blessed is a realistic and inspirational plan for serving God and living life to the fullest.

What's with All That Stuff, Cacjohnson!#@! Jamala M. Johnson,2012-04-04 Partly autobiographical,Whats with all that stuff,cacjohnson!#@! (A Shoppers Guide to Better Shopping) a shopping guide with a twist thats a very real,a very personal and a very sincere discussion with the author about stuff plus shopping tips she learned from family and friends at a very young age.While it becomes apparent that the author had a love for stuff and shopping at a young age, she digs deeper into the reasons that she attributes to loving stuff and shopping. Perhaps Men are from mars and women are from venus but when it comes to shopping the author aver I shop;therefore,I am. Above all,the author quickly becomes a shoppers guide to

better shopping with the assistance of some very familiar family habits including grocery shopping, back-to-school shopping & holiday shopping tips, ultimately, to expose what's with all that stuff?

Girl, Get Your Credit Straight! Glinda Bridgforth, 2007-01-01 Examines the dangers of debt spending and offers a complete program for eliminating debt, improving one's credit, tracking expenditures, budgeting, supplementing one's income, consolidating loans, and other ways to improve financial well-being.

Enemy Feminisms Sophie Lewis, 2025-02-18 From the author of *Abolish the Family*, a provocative compendium of the feminisms we love to dismiss and making the case for the bold, liberatory feminist politics we'll need to stand against fascism, nationalism, femmephobia, and cisness. In recent years, "white feminism" and girlboss feminism have taken a justified beating. We know that leaning in won't make our jobs any more tolerable and that white women have proven to be, at best, unreliable allies. But in a time of rising fascism, ceaseless attacks on reproductive justice, and violent transphobia, we need to reckon with what Western feminism has wrought if we have any hope of building the feminist world we need. Sophie Lewis offers an unflinching tour of enemy feminisms, from 19th century imperial feminists and police officers to 20th century KKK feminists and pornophobes to today's anti-abortion and TERF feminists. Enemy feminisms exist. Feminism is not an inherent political good. Only when we acknowledge that can we finally reckon with the ways these feminisms have pushed us toward counterproductive and even violent ends. And only then can we finally engage in feminist strategizing that is truly antifascist. At once a left transfeminist battlecry against cisness, a decolonial takedown of nationalist womanhoods, and a sex-radical retort to femmephobia in all its guises, *Enemy Feminisms* is above all a fierce, brilliant love letter to feminism.
