

Good Quotes For Boss

Inspiration Journal for Boss & Coworker

Good Boss, Bad Boss Robert I. Sutton, 2010-09-07 Now with a new chapter that focuses on what great bosses really do. Dr. Sutton reveals new insights that he's learned since the writing of Good Boss, Bad Boss. Sutton adds revelatory thoughts about such legendary bosses as Ed Catmull, Steve Jobs, A.G. Lafley, and many more, and how you can implement their techniques. If you are a boss who wants to do great work, what can you do about it? Good Boss, Bad Boss is devoted to answering that question. Stanford Professor Robert Sutton weaves together the best psychological and management research with compelling stories and cases to reveal the mindset and moves of the best (and worst) bosses. This book was inspired by the deluge of emails, research, phone calls, and conversations that Dr. Sutton experienced after publishing his blockbuster bestseller *The No Asshole Rule*. He realized that most of these stories and studies swirled around a central figure in every workplace: THE BOSS. These heart-breaking, inspiring, and sometimes funny stories taught Sutton that most bosses - and their followers - wanted a lot more than just a jerk-free workplace. They aspired to become (or work for) an all-around great boss, somebody with the skill and grit to inspire superior work, commitment, and dignity among their charges. As Dr. Sutton digs into the nitty-gritty of what the best (and worst) bosses do, a theme runs throughout Good Boss, Bad Boss - which brings together the diverse lessons and is a hallmark of great bosses: They work doggedly to stay in tune with how their followers (and superiors, peers, and customers too) react to what they say and do. The best bosses are acutely aware that their success depends on having the self-awareness to control their moods and moves, to accurately interpret their impact on others, and to make adjustments on the fly that continuously spark effort, dignity, and pride among their people.

How to Get ANY MAN to Do ANYTHING You Want! Dusty White,2008-09-19 How to Get ANY MAN to do ANYTHING You Want is quite possibly the most evil (and most important) book ever written! It is the definitive guide to solving all of your problems with men, forever. This humorous and unfair guide to men shows you exactly how to get what you want - when you want it - without a lot of hassle, and makes you laugh all the way to happiness and personal enlightenment. Every woman should own a copy of this book (it fits nicely in your purse, and hides well under the bed). Nothing is left to chance. If you have a man in your life (or want to get a good one) this book shows you how to make him think of you as a goddess as you get him to stop fighting you for control, end arguments quickly and easily, and buy you that diamond tennis bracelet you have had your eye on. This book will make you more popular than you can imagine (well, with guys anyway), and transform a dull, boring relationship into a lively, fun one with lots of romance and affection for both of you.
