

# Good And Bad Art

## Christopher Dreisbach

*Good Art/Bad Art* Robert Florczyk, 2025-06-10 A manifesto and impassioned plea for artistic excellence When he attended The Cooper Union in the late 1960s, artist Robert Florczyk navigated a world of avant-garde experimentation, where modern art reigned supreme. Yet, within this bastion of innovation, and surrounded by cutting-edge, conceptual art, he, along with a few like-minded peers, quietly questioned the legitimacy of the contemporary masterpieces celebrated in the school's corridors and found himself at odds with the prevailing trends. Now, in *Good Art/Bad Art*, Florczyk unveils a critical exploration of the art world, providing a lucid guide for those who believe in the enduring standards of artistic excellence. But Florczyk's narrative extends beyond his personal journey. He shines a spotlight on the intimidation faced by art enthusiasts today—a fear to challenge the prevailing elitist art establishment. Florczyk dismantles the arguments for much of today's art, providing common-sense counterpoints to empower those who seek clarity amid the confusion. In a century where art history has been dominated by those distant from the artist's perspective, Florczyk advocates for a shift in focus. He argues for acknowledging an Ideal in art, one that transcends history, culture, and passing fads—a visual best that a society can accomplish. *Good Art/Bad Art* urges us to evaluate art not just through the lens of historians and critics but from the artist's viewpoint. To unravel the mystery of what makes art visually great, Florczyk introduces a simple, clear, and rational method for understanding and evaluating art. Rooted in aesthetics, these enduring standards cut through the complexities of explanations, statements, and theories, establishing excellence or exposing artistic missteps. *Good Art/Bad Art* provides readers with a visual journey, exploring both exemplary and questionable works of art. From the celebrated masterpieces of the past to the often-ignored gems of the present, Florczyk delves into the world of art as perceived by its own respective eras. Accompanied by illuminating quotes from artists, his selections aim to provoke thoughtful reflection. *Good Art/Bad Art* is more than a book—it is a cultural manifesto. Florczyk champions the cause of excellence in art, urging readers to defend it with sound, rational arguments. In an era where the art establishment veers towards inanity, offensiveness, and poor execution, this book stands as a guide for anyone who believes in the profound importance of preserving artistic standards.

*Collingwood on the Moral Principles of Art* Christopher Dreisbach, 2009 This book addresses the apparent contradiction in moral condemnation of good artworks. Since there is no direct contradiction, it must involve a third thing that connects

aesthetic value and moral value. A significant view about this third thing results from combining R. G. Collingwood's aesthetic and moral theories, and articulating a theory of judgment on his behalf. The view is that an artwork is aesthetically good if the artist fulfilled the moral duty to express emotion successfully. Why this matters and how it fits into the larger conversation about morality and art round out this book's study.--BOOK JACKET.

*Bad painting* Eva Badura-Triska, Susanne Neuburger, 2008 Baselitz, Georg ; Büttner, Werner ; Butzer, André ; Currin, John ; De Chirico, Giorgio ; Gallizio, Pinot ; Guston, Philip ; Jenney, Neil ; Jorn, Asger ; Kippenberger, Martin ; Magritte, René ; Morley, Malcolm ; Oehlen, Albert ; Picabia, Francis ; Polke, Sigmar ; Saul, Peter ; Schnabel, Julian ; Zimmer, Hans-Peter ; Spur Gruppe ; Sturm, Helmut ; Prem, Helmrud ; Yuskavage, Lisa.

**Aesthetics** Michel-Antoine Xhignesse, 2023-02-28 *Aesthetics: 50 Puzzles, Paradoxes, and Thought Experiments* is a teaching-focused resource, which highlights the contributions that imaginative scenarios—paradoxes, puzzles, and thought experiments alike—have made to the development of contemporary analytic aesthetics. The book is divided into sections pertaining to art-making, ontology, aesthetic judgements, appreciation and interpretation, and ethics and value, and offers an accessible summary of ten debates falling under each section. Each entry also features a detailed annotated bibliography, making it an ideal companion for courses surveying a broad collection of topics and readings in aesthetics. Key Features: Uses a problem-centered approach to aesthetics (rather than author- or theory-centered) making the text more inviting to first-time students of the subject Offers stand-alone chapters, allowing students to quickly understand an issue and giving instructors flexibility in assigning readings to match the themes of the course Provides up-to-date, annotated bibliographies at the end of each entry, amounting to an extensive review of the literature on contemporary analytic aesthetics

The Scholarship of Creative Writing Practice Marshall Moore, Sam Meekings, 2024-01-25 The first study to explore deeply and intimately the complex and multifaceted nature of creative writing practice, *The Scholarship of Creative Writing and Practice* offers a new route in scholarly inquiry for creative writing studies, probing beyond pedagogical methods (with which most of the field's scholarship is occupied) to explore the writing life as it is experienced by a wealth of international writer/academics. With academic creative writing programs beginning to adopt a more pragmatic, industry-focused stance, students of writing increasingly need and expect to complete their degrees moderately prepared to monetize the skills they have learned - so there is now more than ever a great responsibility to present studies, methodologies and experience that can inform students and instructors. In response, Sam Meekings and Marshall Moore have pulled together academic investigations from some of the most prominent names in creative writing studies to take stock of the diverse definitions and pluralities of creative practice, to examine how they have carved out a 'writing life', what work habits they have adopted to achieve this, how these practitioners work as creatives both within and outside of the academy and to put forward strategies for a viable writing life. Offering intelligent, philosophical, pragmatic and actionable methods for robust writing practice, this

book provides a multi-national perspective on the various aspects of practice and process. Essays explore what writing practice means for individuals and how this can be modeled for students; how the mythic nature of creativity can be channeled through practical working habits; practice through the lenses of social responsibility, sensitivity, empathy and imagination; writing during times of duress and the barriers writers encounter in their craft; the demand of author platforms; the role of the creative writing academic/writer; and the process of learning from published and practicing authors. Wide-ranging in its investigations and generous in insight, *The Scholarship of Creative Writing and Practice* presents creative, imaginative and transdisciplinary approaches to this under-researched area.

Embracing the Track of Phrase: An Psychological Symphony within **Good And Bad Art**

In some sort of consumed by displays and the ceaseless chatter of quick interaction, the melodic splendor and psychological symphony created by the published word often disappear in to the backdrop, eclipsed by the constant noise and disturbances that permeate our lives. But, situated within the pages of **Good And Bad Art** a marvelous fictional value full of fresh emotions, lies an immersive symphony waiting to be embraced. Constructed by an elegant musician of language, this

fascinating masterpiece conducts readers on an emotional journey, skillfully unraveling the concealed tunes and profound impact resonating within each cautiously crafted phrase. Within the depths of the emotional analysis, we will explore the book is key harmonies, analyze their enthralling writing model, and submit ourselves to the profound resonance that echoes in the depths of readers souls.
