Double Cup Love Eddie Huang, 2016 As he entered adulthood (of sorts), Huang began to wonder just how authentic his Chinese identity really was, a dilemma that grew more acute as he contemplated proposing marriage to his all-American (well, all-Italian-American) girlfriend. So he enlisted his brothers Emery and Evan and returned to the land his ancestors had abandoned. His immediate goal was to sample the best food in China, from four-star restaurants in Shanghai to sidewalk vendors in Chengdu, and open his own stand to see if his food stood up to Chinese tastes--but his deeper goal was to reconnect with his homeland, repair his frayed family relationships, decide whether to marry to his American girlfriend, and figure out just where to find meaning in his life.--Provided by publisher.

Make Rappers Rap Again Heidi R. Lewis, Professor of Feminist & Gender Studies Heidi R Lewis, 2025 In Make Rappers Rap Again, author Heidi R. Lewis interrogates the ways Mumble Rap has been subjugated within real Hip Hop and often situated as the catalyst for Hip Hop's decline or death.

Read This Book on a Silent Hill: Meditations, that they won't tell you Norbert Szász, 2022-10-31 Read This Book on a Silent Hill - aims to be a spiritual and intellectual journey through many fields. With shamans, psychonauts, hackers and non-believers, through the imperfect records of history, to the uncertainty of future, it deals with the most interesting and important topics. Life's contradictory nature is examined through short, but dense chapters, that aim to bring the reader into

the present moment. To provide a compass, it draws from a wide range of topics. On its pages, you will find about witch trials, psychedelics and their surrounding taboos, secret government programmes like the MKUltra, meditative techniques and reality perceptions, as well as an examination of our current state of being. What the monetary system and work culture of today holds for the human soul, how we got to this point and what cryptography and the power of free thinking can do for us. What the Matrix and french philosophy have in common. Whether things are getting better, or worse and what we can learn from tales of long dead grapevines, snails, fields of poppies and living bread. Ultimately, we will look at concepts such as time and marvel at the beauty of reality with all its separate, yet connected features and stare into the swirling fractal just a bit too long.

America Under the Influence Chloë Rae Edmonson,2023-09-04 In this book, Chloë Rae Edmonson analyzes performance sites from throughout U.S. history to reveal the material ways that drinking culture is performative, immersive performance is intoxicating, and how alcohol shapes performance space and practice. Combining archival research with firsthand accounts of immersive spaces, this study demonstrates how social drinking and performance in themed spaces often collude to reify power dynamics latent to mainstream American culture, such as patriarchal values, racial and wealth inequality, and labor exploitation. Yet there are also examples of how performers, designers, and consumers creatively subvert such dominant attitudes in pursuit of their own creative expression and fulfillment. Part I examines historic bars and clubs that are immersive by design, while Part II explores immersive theatre productions from the 1980s to today. At the heart of all these American examples, of course, is alcohol, its associated cultures of immersive consumption, and the wide range of influence it can have on the bodies and minds of performers and participants. In addition to its pop cultural appeal, this study will be relevant to scholars and university students interested in immersive theatre and performance, drinking culture, and American studies.

The Gucci Mane Guide to Greatness Gucci Mane,2021-11-09 From the platinum-selling recording artist and New York Times bestselling author of The Autobiography of Gucci Mane comes The Gucci Mane Guide to Greatness--an unprecedented look at Gucci Mane's secrets to success, health, wealth, and self-improvement.

Episodes Gucci Mane,2025-10-14 Gucci Mane, one of hip-hop's most iconic figures and a trailblazer in Atlanta's rap

culture, reveals his struggles with mental health and drug addiction that will provide fans and readers with insights into his career and life. As one of hip-hop's legendary figures and an indispensable fixture in Atlanta's vibrant rap culture, Gucci was on an upswing in his career when he sold his debut memoir, *The Autobiography of Gucci Mane* in 2016. He had just been released from prison, sporting a slimmer physique and health-conscious diet; he announced his ninth album, the platinum-selling *Everybody Looking*; and became the face of a global campaign with the luxury Italian designer that inspired his name and persona. But underneath all that, he was hiding some of his darkest struggles from the world. Now he is ready to tell his full story. In *Episodes*, Gucci revisits his life and shares what was really going on for the first time. The mental anguish, the pitfalls, the triggers no one speaks about. Each episode is Gucci experiencing something—something you may remember from the news or even heard in his music—and giving you the background of where he was mentally. He reveals how his fascination with money got the worst of him, why he committed certain crimes, the story behind his ice cream cone tattoo, and how his wife felt watching him overdose. Along the way, he interviews medical professionals and mental health experts to provide insight into mental health awareness. *Episodes* is Gucci's way of reaching beyond the "each one, teach one" approach of discussing mental illness behind closed doors, opting instead to cultivate a discourse amongst a culture that, while steadily improving how it regards mental health, still stigmatizes public discussions around the topic. This compelling memoir sheds light on both his inner struggles and his triumphs, offering an unflinching account of a man who defied the odds to leave a lasting legacy on music, culture, and conversations around mental health.

The Autobiography of Gucci Mane Gucci Mane, Neil Martinez-Belkin, 2017-09-19 The New York Times bestselling memoir from legendary rapper Gucci Mane spares no detail in this "cautionary tale that ends in triumph" (GQ). For the first time, Gucci Mane tells his extraordinary life story in his own words. It's "as wild, unpredictable, and fascinating as the man himself" (Complex). The platinum-selling trap pioneer began writing this remarkable autobiography while serving time in a federal maximum-security prison. When he was released in 2016, he emerged transformed—sober, focused, and creatively reinvigorated. A critically acclaimed classic in hip hop literature, *The Autobiography of Gucci Mane* offers raw insight into the volatile rise, fall, and rise again of one of the most influential artists in modern rap. It's a compelling story of addiction, fame, incarceration, and redemption that "provides incredible insight into one of the most influential rappers of the last decade...By the end, every reader will have a greater understanding of Gucci Mane, the man and the musician" (Pitchfork).

Gucci Mane Book - A Biography of Greatness Jj Vance, 2021-05-28 Gucci Mane Book - A Biography of Greatness: The Life and Times of Gucci Mane Legendary Hip-Hop Trap Rapper by JJ Vance Here's Just a Taste What You're About to Read in This Concise Gucci Mane Book: Ups and downs, high and low points. Wash. Rinse. Repeat. From a repeat offender with several run-ins with the law to a 2020 collaboration with Italian fashion powerhouse Gucci, only a handful of public figures in the 21st century can boast to having a career as prolifically dynamic and culturally relevant as the American rapper. Among many other things, he has been cited on several occasions for his groundbreaking contributions to the subgenre of hip hop known as trap music. Nowadays, it seems far-fetched that the hip-hop/R&B legend eked out a living by selling crack cocaine in East Atlanta's suburbs at one point in time. Sometimes going out in the pouring rain to carry out his trade while blowing into his hands to retain a fraction of body warmth. In this book, we will be taking an extensive look in the course of Gucci Mane's life story, from his humble beginnings in Bessemer, Alabama, to his meteoric rise to stardom and the infamy while going back decades and looking into his music career, which spans two decades. By the time we draw this book to a close, everything will be brought under the spotlight, including the controversies and his impact on pop culture today. It will be obvious that as long as you're determined and you set your mind to it, achieving success while living your best life is not a dream but very much a possibility. In many ways, this is a story of nature versus nurture; being on the come up and losing your way. At the same time, it is one of hope, and perhaps most importantly, entirely based on real events. First Verse Amir Butler, 2018-12-10 When I initially approached the idea of writing a book regarding the subject matter, I was cautioned by many of my close comrades to completely stay away from it. I was told that, 'it wasn't a good idea' and

that I should let by gones be by gone.'Almost everyone I'd briefed on my intentions felt that this story should be completely left dead somewhere alongside the grave of Henry Pookie Loc Clark III (the young man who lost his life during the conflict). For a short period of time, descendants had persuaded me to abandon an idea I'd felt strong about. Unlike my first manuscript, *Life Before Rap: A Glimpse Behind the Scenes of Young Jeezy's Rise To Stardom*, this book is inarguably controversial and could have potentially raised criminal implications.
