**A Path Through The Storm** Marjorie Joseph,2018-09-08 Two friends, torn apart by a scheming outsider. Paul and Christalyn are the best of friends from the outset. However, because they are friends so long, it's difficult for Paul to tell her he's developed feelings for her. Christalyn doesn't see a romantic future for them and takes their close-knit relationship for granted. So, when Christalyn meets Harrison Blake on her college campus, she is captivated by his worldly charm. Against her better judgement as a Christian woman, she starts to date the dashing, debonair counselor, with full knowledge Harrison does not share her faith and could possibly lead her astray. Then, Paul and Christalyn's journey begins through the eye of the storm. There seems no end to their torrential stint. Through tragedy, loss and distress, the couple emerges invincible, as they trust the God of heaven to navigate through the turbulence. It depicts the power of love, as stated in the biblical book of Song of Solomon 8:6, "Love is strong as death." Through the fire and the rain, they learn a valuable lesson, which is, love's reward is sweeter, after having partaken in the bitter hardships of life.

*I AM MCLOVIN* Andrew Buss,2025-02-18 When Superbad was released on August 17th in 2007, it proved itself to be a massive success right out of the gate, especially for those in the film's target millennial demographic. The film wound up dominating at the box office, bringing in \$170 million dollars worldwide, against a \$20 million dollar budget. It also launched

the careers of Jonah Hill, Michael Cera, Emma Stone, Bill Hader, Christopher Mintz-Plasse, and Seth Rogen whose careers are all thriving to this day. It further proved that Judd Apatow is now one of the most successful film producers of his generation, bringing the world hit after hit. Superbad remains, to this day, a beloved comedy film for millennials who grew up with it. This is because, unlike other comedies of that era, it embraced the awkwardness of the characters, particularly with someone like Michael Cera. Unlike the cartoonish representations of an 80s comedy like *Revenge of the Nerds*, Superbad presented itself with a depth to the characters that enabled millennials (and other generations) to bond with the movie in a more meaningful way. Full of interviews with people like Seth Rogen, Jonah Hill, Michael Cera, Emma Stone, Christopher Mintz-Plasse, Martha MacIsaac, Judd Apatow, Bill Hader, Greg Motolla, Evan Goldberg, and Shauna Robertson, *I Am McLovin* is a comprehensive guide to the movie that changed a generation.

Getting Lucky Kamryn Donovan, 2007 The Macon Street Apartments aren't a typical place to live, and its residents are far from ordinary. Peaches is a stripper who only cares about money, and for the right price she'll do more than strip. Romello is a hustler in love, but even after nine years and three kids he refuses to be tied down to girlfriend Jewel. Craig is a handsome businessman married to Alisha - their marriage is drama free, apart from Alisha's friend Ladonna who wants Craig for herself. Then Lucky Thompson moves in - and it doesn't take the residents long to figure out that people don't call him lucky for nothing...

**The Ramblings of an Old Man** Chef Cal Kraft, 2014-09-29 Do you long for a time when life was simpler? When everyone knew your name? Do you reminisce about family traditions, growing up in the 50's and 60's? Do you remember your teen years and that first kiss? Does your mouth start to water and your heart start to swell as you think back to family holiday meals presided over by mom or grandma? Well then, you can now take that trip down memory lane and re-create those luscious foods in the pages of "The Ramblings of an Old Man" by well-known personal chef and culinary instructor, Chef Cal Kraft and his constant feline companion, Miss Kitty. It all began in 2006. The author realized that he had spent over half his life living in the suburban community of Danbury Forest, a quaint neighborhood where families, escaping the hustle and bustle of Metropolitan DC, played together and supported each other in times good and bad. So he wrote a story about that and sent it in to the neighborhood paper. Chef Cal initiated what became his hugely popular monthly column, "The Chef's Corner," for the community newsletter. In it he shared tales about his family and his life growing up in the suburbs of New York. He also wrote about events within the community along with tales of past traditions in his life and others. Several of his articles ventured into the world of fiction as he imagined stories that might have occurred. Each contribution was accompanied by a tasty recipe, often tying the articles and recipes together. A long time, popular culinary instructor in Northern Virginia's Adult Community Education Program, Chef Cal is well-equipped with recipes that he knew his students, and now his readers, would rush to make themselves. Ramblings' contributions of over fifty recipes include traditional Italian delicacies; tasty old-fashioned comfort dishes; soups and casseroles; quick and easy desserts and special holiday treats. Also included is Chef Cal's interpretation of miniature apple pies. Without a doubt his book will be pulled out to create his meals whenever family and friends are gathered. Several times as Chef Cal was writing his stories, he found that Miss Kitty, the gorgeous white cat that lived with the author and his wife during most of this time, had something to say. So he wrote about that too. In some instances, he even let Miss Kitty write her own story. While the "Ramblings of an Old Man" is dedicated to the residents, both past and current of that wonderful community known as Danbury Forest, it also resonates with communities all across America. No matter where you live, be it a small hamlet, a rural town, a village, or in a big city, these stories are for you. Some are humorous, others sad. Some true, some imagined. They all however, tell a story and offer an opportunity to re-create the foods that accompanied it. So sit back and enjoy, "The Ramblings of an Old Man."
