**Because of Sean** Susan Henley, 2005-03 Because of Sean, the true story of a mother's courage both before and after the death of her young son, profiles lessons learned and hope gained--all in the name of God, eternal memories, and unconditional love. Author Susan Henley never suspected the worst when her son Sean suddenly developed a fever at a soccer practice. When the fever persisted after several days, she and Sean visited the doctor. Suddenly, Henley's world was turned upside down when she heard the awful word: leukemia. In a mother's poignant and loving conversational style, Henley describes the long first night in the hospital, how she learned to cope with terminal illness, when she learned that ignorance may be bliss, and how she dealt with relapse and Sean's last week of life. Because of Sean is a sometimes-funny, more often sad, tale of a family's struggle and spiritual journey through a difficult crisis. Sean's story will make you laugh and cry, but it will also offer hope and healing through its most important message: you can survive and re-create beautiful memories of your child.

*Missbenj* J L Dominek, 2017-02-07 Beautiful Jeanie had resigned herself to knowing that the cancer had spread, and there was nothing more they could do. She knew the signs and understood her life on earth was drawing to an end. All earthly matters were dealt with including re-homing arrangements for her beloved little dogs. Everything had been settled, and all was in order. Then as she sat in the doctors office waiting for her final appointment, something completely unexpected happens. She meets an oddly familiar stranger who reaches out to her with an expression of charity and generosity. He offers her a place to stay that would provide her with the comfort and solitude that she longed for so she could peacefully pass through her final days. At the time, Jeanie accepted the strangers offer; she did not know that there was more to come. In a matter of days, she had a reason to hope. Her health was improving. Perhaps it was a miracle. She had to know more about this wonderful stranger, and as the story unfolds, we learn that Jeanie is about to live an extraordinary life.

After the Snow Began to Fall Robert Butler,2012-11-05 After the Snow Began to Fall is a novel that will make you laugh, cry, sit on the edge of your seat at times, and present you with questions (maybe even a few answers) that have challenged each of us during our lifetimes. The world in which these characters live is much different than that which we face, but their approach to living should be an inspiration to all. They must make do with less and become innovative when it counts. Life and death decisions are intertwined with humor and romance. Without anyone else to come to their aid, they struggle to survive and create a new life for themselves and those who join them along the way. In addition, this novel is rather unique, I think, because it is actually two novels in one. One of the characters is a writer who creates a novel for the other characters as the story proceeds.
