Deerslayer Malcolm Shuman, M. S. Karl, 2014-08-26 When a young boy is implicated in a murder, Brady goes hunting for the real killer In Pete Brady's new hometown, hunting is a religion, and he is expected to convert if he's to run the local newspaper. When Sheriff Garitty takes his son out for his first hunt, he invites Pete to join them in the deer stand—a drafty, miserable place that would be unbearable if young Scotty weren't so excited. Pete is staring down his rifle barrel, trying to decide if he has the nerve to kill a deer, when a shot rings out. The boy has hit his target. But when they go to retrieve the kill, they find it isn't a deer, but a man. Scotty has trained his whole life for this moment, and Pete can't believe he would have mistaken a man—even a drunk like Dwayne Elkins—for an animal. To clear the boy's name, Brady goes in search of an ingenious killer, and soon finds himself in the crosshairs.

Windows Phone 7 Secrets Paul Thurrott, 2010-10-26 Written with unequalled internal access to the Window's Phone Team, this book will reveal to you the inner workings of Windows Phone and how to make it work the way you want it to. Personalized notations, interior elements, and author highlights emphasize key content throughout the book, making it easier for you to navigate the book. The book begins by showing you to select and setup the right Windows Phone, then moves on to discuss integrated experiences, applications and hubs, games, and much more.

McClure's Magazine, 1917

The Columbia Granger's Index to Poetry in Anthologies Tessa Kale, 2007 For over a hundred years, The Columbia Granger's Index to Poetry in Anthologies has been the preeminent index for answers to questions about the world of poetry, identifying the author of a poem or the anthologies in which it can be found when only a title, first line, or last line is known. This latest edition—a must have for libraries—brings its index up to date as of May 31, 2006. This latest version features 85,000 classic and contemporary poems by 12,000 poets. Also included are works in translation and for the first time poetry in Spanish, Vietnamese, and French. The subject organization of the poems is especially useful. Hundreds of new subjects have been added, indexing poems on highly relevant topics such as Osama bin Laden, the war in Iraq, Dick Cheney, the Internet, and Rosa Parks, as well as timeless subjects like the Bill of Rights, unspoken love, faith, and inspiration. Our impressive team of consultants includes J. D. McClatchy, Harvey Shapiro, and former poet laureate Mark Strand. From The Norton Anthology of Poetry (2005 edition) to Poetry after 9/11 and Garrison Keillor's Good Poems, this new edition puts readers in touch with

the best of the latest anthologies and the lasting favorites.
