Inter-ethnic and Religious Conflict Resolution in Nigeria Ernest E. Uwazie, Isaac Olawale Albert, G. N.

Uzoigwe, 1999-01-01 Since 1982, Nigeria has experienced more than ten large scale ethnic or religious riots in its major cities. These violent clashes have wreaked economic, political, and social havoc; caused an enormous number of deaths and injuries; and posed serious obstacles to Nigeria's sociopolitical development as well as retarded efforts at nation-building. The papers collected in this book serve as a critical part of an overall objective to develop and promote mechanisms for the understanding and resolution of ethnic and religious conflicts in Nigeria. Both academic and community leaders address various aspects of these conflicts, and Uwazie offers several thoughtful options for their successful resolution. Inter-Ethnic and Religious Conflict Resolution in Nigeria will interest students of African history and current affairs, scholars of anthropology and ethnicity studies, and those involved in international relations and peace studies.

Get Better in Hausa, Igbo & Yoruba Yinka Amuda, 2016 The Exercises in this booklet deal with errors that could be committed by students of the Hausa, Igbo and Yoruba languages of Nigeria, as well as the English language. It contains 20 varied exercises to test learners' use of the languages; together with the answers to those exercises which are contained at the back of the book, for learners to verify the correctness of their own answers. This book, which can also be used as a workbook in schools, boosts understanding and skills in the areas of structuring sentences, changing tenses and choosing

good words. The book also contains 200 vivid illustrations - each question is written alongside an illustration to aid the understanding of each one. It is a comprehensive and detailed aid in enhancing literacy for different age groups, from school age to mature learners, as well as those who are especially interested in learning Nigerian languages. The book is aimed at learners who already have knowledge of one or more of the languages, and who want to improve their skills in the use of them and possibly others. Nigeria is Africa's most populous country with over 180m inhabitants. Nigerians will also likely make up a large portion of the African diaspora all over the world. This workbook is also useful for this demographic, which includes children (born to Nigerian parents) growing up outside of Nigeria. Such ones may want to improve or refresh their knowledge of these 3 Nigerian languages.
