Martha Stewart's Homekeeping Handbook Martha Stewart, 2006-10-31 Whether your home is small or large, an apartment in the city or a country cottage, it is a space that should be at once beautiful and livable. The key to that is managing the upkeep without feeling flustered. Until now, there has never been a comprehensive resource that not only tells how to care for your home and everything in it, but that also simplifies the process by explaining just when. With secrets from Martha Stewart for accomplishing the most challenging homekeeping tasks with ease, this detailed and comprehensive book is the only one you will need to help you keep your home looking its best, floor to ceiling, room by room. In Martha Stewart's Homekeeping Handbook, Martha shares her unparalleled expertise in home maintenance and care. Readable and practical-and graced with charts, sidebars, illustrated techniques, and personal anecdotes from Martha's decades of experience caring for her homes- this is far more than just a compendium of ways to keep your house clean. It covers everything from properly executing a living room floor plan to setting a formal table; from choosing HEPA filters to sealing soapstone countertops; from organizing your home office to polishing your silver and caring for family heirlooms. Martha Stewart's Homekeeping Handbook is organized for clarity and maximum practicality: Room by Room covers the upkeep of the appliances, tools, furnishings, and surfaces found in each room, from the entryway to the kitchen, from the attic to the laundry room. Throughout the House instructs the reader on the proper ways to routinely clean and periodically maintain everything in the home, including dusting, sweeping, vacuuming, polishing, scrubbing, waxing and much more. Comfort and Safety focuses on techniques to ensure your home is running properly and safely, such as recognizing when to clean vents, fixing a leaky faucet, and eradicating pests. A-to-Z Materials Guide provides an invaluable resource that explains the unusual materials that many favorite objects are made of- from abalone to zinc- and how to care for them so they last. Encyclopedic yet friendly, Martha Stewart's Homekeeping Handbook is a seminal work- a must-have for everyone who wants a well-cared-for home that will endure for generations.

A Year of Biblical Womanhood Rachel Held Evans, 2012 NEW YORK TIMES BESTSELLER Have you ever wondered what God truly expects of women Is there really a prescription for biblical womanhood Does the Bible's idea of womanhood have a place in modern Christianity New York Times bestselling author Rachel Held Evans embarks on a year-long study of what it means to live by the standards of biblical womanhood. Strong-willed and independent, Evans couldn't sew a button on a

blouse before she embarked on a radical life experiment--a year of biblical womanhood. Intrigued by the traditionalist resurgence that led many of her friends to abandon their careers to assume traditional gender roles in the home, Evans decided to try it for herself, vowing to take all of the Bible's instructions for women as literally as possible for a full year. Along the way, Evans explores the rich heritage of scriptural heroines, models of grace, and all-around women of valor that we come to know in the Bible. She consults with women who practice these ancient biblical mandates in their own lives--from an Orthodox Jewish woman who changed the way Evans reads the Bible to an Amish community that taught her the true meaning of modesty. In *A Year of Biblical Womanhood*, Evans shares her courageous and often humorous journey of: exploring what a woman's place is according to the Scriptures applying the Bible's teachings to day-to-day life, sometimes to literal extremes focusing on virtues like domesticity, obedience, beauty, submission, and grace developing a Biblical Woman's Ten Commandments to serve as a guide for daily living Join Evans as she dives deep into the lives of the women we meet in Scripture and redefines what it means to live biblically.
