The LAW of SUCCESS: the Complete Sixteen Lessons Napoleon Hill, 2016-08-05 The Law of Success in 16 lessons, the first book by Napoleon Hill, is not only the precursor and the base of Think and Grow Rich: it is Think and Grow Rich on Steroids! It was originally released as 16 books, each book dedicated completely to one of the LAWS OF SUCCESS, that we will see ten years later in Think and Grow Rich (among the five best-selling books of all times, being number one The Bible) But because of the different format, and because this book is so much bigger than Think and Grow Rich, Hill is able to give more examples and to explain each of the laws completely and with a deepness that was impossible to achieve in his best-selling classic. Since the course -that we bring now in one book- was supposed to be a series of installments, each lesson is a stand-alone book in itself. Then, you can go back to Think and Grow Rich and understand it in a way that you couldn't before. Yet, again, all the information is already here, deeper and with more examples and explanations. This is, without a doubt, the ultimate course on Success!

The Law of Success Napoleon Hill, 2021-03-23 Napoleon Hill's Original Master Class on Individual Achievement Before the landmark book Think and Grow Rich came The Law of Success, an eight-volume series in which Hill presents the complete Science of Success philosophy. Originally published in 1928, this success system contains sixteen lessons on personal achievement, gleaned from interviews with and research on over 500 top performers from various industries and walks of life. Now condensed for your convenience into one compact volume curated by the Trustees of the Napoleon Hill Foundation, The Law of Success details the exact steps by which any individual can harness the power of thought to turn their dreams into reality. This is much more than a guide or roadmap; it is a total lifestyle makeover, with concrete resources for everyday application. If you are serious about becoming the best version of yourself in your field, your relationships, your health, and your finances, then you are ready for the original master class on success. A message from the executive director and CEO of the Napoleon Hill Foundation There have been many requests over the years for a version that is more concise and compact yet contains the core lessons discovered and set forth in the discussion of the sixteen success principles. The Trustees of the Napoleon Hill Foundation heard these requests and took on the task of producing such a book, containing what they viewed as the essential lessons and most important portions of the original work, and what you are about to read is the result. This version has dispensed with the third party quotations and After the Lesson essays in the original work, deleted some stories that were repeated in other of Hill's books published after 1928, and eliminated repetition (rightly valued by Mr. Hill as a learning method but not appropriate for a compact volume.) The Trustees believe, and hope you will agree, that the resulting volume contains all the essential wisdom of this groundbreaking work, Law of Success. I have been the Executive Director of the Napoleon Hill Foundation since 2000, and I and the other Trustees who contributed to this work have nearly 200 years combined years of service to the Foundation. I believe they are singularly equipped to produce the best distillation of Napoleon Hill's seminal work and am proud to present this book for your enjoyment, appreciation, and education. --Don M. Green, Executive Director, Chief Executive Officer, and Trustee
