Lo sviluppo endogeno e i saperi tradizionali come risposte alla crisi AA. VV., 2013-09-20T00:00:00+02:00 1791.5

Bibbia Edimedia CEI Conferenza Episcopale Italiana, 2014-01-12 Testo ufficiale della Conferenza Episcopale Italiana CEI Edizione arricchita da video, film, musica, link, opere d'arte. Per riscoprire l'attualità delle Sacre Scritture nella vita quotidiana Una Bibbia viva, attuale, che vive nella cultura e nell'esperienza quotidiana della nostra esistenza, che propone link interattivi a film, immagini d'arte, contributi video e musicali. Una Bibbia giovane, stimolante, su cui discutere, che pungola a una riflessione ispirata, che stimola il dialogo ma anche il senso critico, con proposte di approfondimento che prendono spunto dalle diverse forme d'arte. Se volete rileggere l'Apocalisse o la Genesi, o meditare sui Vangeli, confrontando opere di registi che a essi si sono ispirati con passione, fede o anche onesta provocazione, ecco la Bibbia interattiva che fa per voi. Se volete ripercorrere la storia dell'arte scoprendo come i grandi artisti hanno interpretato la Parola, esplorando le loro opere con un semplice clic, o accompagnarvi nella lettura con le note di musica e canzoni, ecco la Bibbia che fa per voi. Una Bibbia che parla al cuore di tutti, pensata per uomini e donne che cercano risposte alle loro domande più profonde o hanno, semplicemente, bisogno di un amico da tenere con sé quando la vita è in salita, e la Parola di Dio diventa conforto e speranza. Una Bibbia, che è cibo dell'anima, con cui pregare e meditare. Ma anche, e soprattutto, una Bibbia da vivere, con cui farsi accompagnare nel concreto della vita reale, per riscoprire il messaggio biblico nelle tante vicende e situazioni che Dio ci fa incontrare lungo il nostro cammino. Introduzioni generali ad Antico e Nuovo Testamento Un linguaggio semplice e immediato, grazie al quale il lettore può avere una visione d'insieme della storia, della cronologia, della letteratura, della formazione e della teologia delle Scritture. Presentazioni di ogni singolo Libro: di ogni Libro vengono elencate le caratteristiche letterarie, i temi e gli elementi che hanno portato alla sua formazione, con chiavi di lettura storica e teologica. Indici e piani tematici Indici che riportano i principali episodi biblici dell'Antico e del Nuovo Testamento, oltre alle parabole del Vangelo. Proposte di lettura che seguono filoni a tema. I piani tematici possono fare da spunto anche per una lettura condivisa, in gruppi di preghiera e in comunità. Navigazione ipertestuale Il sommario iniziale permette di accedere, con un semplice clic, alle varie sezioni delle introduzioni e ai singoli Libri e capitoli. Anche dagli indici tematici e dai piani di lettura è possibile accedere ai singoli capitoli, sempre con un clic. Risorse multimediali Box di approfondimento e link a risorse online: all'interno sia delle introduzioni che nel testo, sono presenti box in cui i vari argomenti vengono arricchiti da

informazioni aggiuntive, citazioni letterarie e rimandi a risorse esterne online. I box cinema, oltre a rimandare alla clip del film, propongono un approfondimento sulla trama, e spunti di riflessione sulla tematica della pellicola. Cliccando sui simbolini link, "cinema", "arte" o "musica", presenti nel testo e negli approfondimenti, si accede direttamente al sito Internet o alla risorsa online. Consigliabile una connessione Wi-Fi

Piero Sanpaolesi Arianna Spinosa,2011

Territori del cinema AA. VV.,2013-12-01T00:00:00+01:00 Le sale cinematografiche rappresentano un patrimonio architettonico e culturale. La consapevolezza di tale patrimonio è indispensabile per avviare un processo di valorizzazione e di sviluppo. Da questi presupposti nasce l'esigenza di un'indagine sulle singole sale della Puglia con l'obiettivo di costituire un bagaglio di informazioni utili alla comprensione dello scenario attuale e alla programmazione di uno scenario futuro. La ricerca, promossa dall'Assessorato al Mediterraneo della Regione Puglia in collaborazione con il Politecnico di Bari, nata nell'ambito delle attività del Nucleo Tecnico regionale di Valutazione per l'esercizio cinematografico, è composta da quattro parti: la prima riguarda il luogo cinema analizzato nei suoi aspetti storici, tipologici, sociali e culturali; la seconda contiene il censimento degli esercizi cinematografici pugliesi (260 tra attivi e inattivi) eseguito attraverso la redazione di schede di catalogazione che contengono descrizioni, rilievi fotografici, disegni di progetto, immagini d'epoca e fotografiche d'autore; la terza propone riflessioni, valutazioni urbanistiche, economiche e legislative; la quarta presenta i contributi a firma di personalità che afferiscono al mondo del cinema. Questo lavoro di ricerca è un supporto indispensabile sia per la tutela e il recupero del patrimonio esistente sia per definire i parametri utili per la programmazione dell'esercizio cinematografico in Puglia.

Dinamiche della forma Martina Di Bella, 2017-09-22 Molti aspetti della vita ci accomunano gli uni agli altri ma è il nostro e personale modo di guardarli a renderci veramente unici. È possibile che uno schema percettivo determinato diventi coscienza particolare? Questa è una delle domande che anima silenziosamente “Dinamiche della forma”. Si parlerà di arte, dell'essere umano e di come questi si uniscano in un continuo scambio reciproco. Il rapporto tra immagine e coscienza è qualcosa di sottile e quasi impercettibile, soprattutto nei casi in cui l'arte ci dia figure rarefatte e interpretabili soggettivamente. Ogni cosa che osserviamo ci apre a un nuovo gioco introspettivo in cui siamo noi stessi a decidere il destino di sensazioni ed emozioni. Il tempo e i ricordi hanno ruoli essenziali in un intricato meccanismo di elaborazione contenutistica. Molte volte ci troviamo di fronte a qualcosa che possiamo capire solo attraverso ciò che fa parte del nostro passato personale: quello che cogliamo è sempre legato alla nostra intimità o, per meglio dire, a quei sentimenti che ci hanno accompagnati e che forse sono ancora con noi nel momento in cui fruiamo visivamente di un'opera. Può l'arte essere veicolo percettivo per creare o animare coscienze al di là delle imposizioni? Un'immaginazione dinamica e uno scambio continuo creano movimento e danno valore a qualcosa che apparentemente non trasmette nulla. La dinamica della forma è l'essenza stessa della vita semplice o complicata che sia: una vita sfumata e meravigliosa con le sue luci e le sue ombre.

Hasselblad Masters Christian Nørgaard, 2008 This commemorative book features intriguing images from ten master photographers from around the world and is the result of a rigorous and challenging judging process. Hasselblad--known for manufacturing the finest photographic equipment for over 50 years--sponsors the exclusive Masters contest each year, celebrating the best in both established and rising photographic talent. Starting with 1,700 worthy contestants who submitted ten photographs each, the team at Hasselblad painstakingly whittled down the pool of entrants to 100 finalists. Five editors of respected international photo magazines then selected the ten winners. These ten Hasselblad masters, representing the crème de la crème of world photography, were given use of the best cameras in the world and asked to interpret the theme passion in their own inimitable styles. This book contains these creative pictorials from each of the winning photographers. A comprehensive overview of the best in contemporary photography An ideal gift for aficionados of fine art photography 170 color and b/w photographs
