The Power of Constant Prayer and Communion With God William Jaynes, 2024-07-01 Billions of people in the world want a sound basis for improving the amount of fulfillment and personal success in their lives. Over the years, many have lauded the importance of prayer in one's life. To whatever degree that is true, how much more is constant prayer even more powerful than Sunday or Saturday prayer or even daily prayer. Communing with God throughout the day is one of the most underestimated means of experiencing peace and joy in one's life, as well as having God's love flow from one's heart and lips. Countless numbers of people around the world pray in order to have some of the key advantages in personal serenity, purpose, and insight that will enable them to have the edge in life necessary in order to have victory and fulfillment. How much more will constant prayer and communion with God enable people to have a permanent advantage and edge. This book

examines how the practice of constant prayer and communion with God can fill a person with more love, joy, peace, self-discipline, faith, direction in life, humility, sensitivity to God, consistency, and purpose. It is intellectually stimulating, but immensely practical. By applying the many principles shared in this book, it can literally change your life and make you stronger in virtually every area of your life.

The Power of Agreement Ron Phillips, DMin, Ronnie Phillips, 2014-05-06 When we work together in meaningful relationships and friendships, God's power works through us to bring His Kingdom to earth. Jesus came to bring reconciliation. In the Sermon on the Mount, he declares that our offerings will not bring a harvest until we reconcile with our brothers. The word he often uses to describe our relationships is agreement--in Greek, *sumphoneo*. It is the word we get the English symphony from. Every instrument in an orchestra is different but when they are led by a capable conductor the music is miraculous. This is the kind of harmony that is sweet to the ears of God. This kind of relationship makes miracles possible. God loves this kind of unity! The Power of Agreement shows you how to have this kind of unity in all of your relationships. The kind God desires for each of us. The kind He uses to change our lives so that we have a lasting impact in the lives of people around us. The truth is, we need each other. And if we want to change the world. If we want God's will to truly be done on earth, we need to know how to come into agreement with people and build healthy, strong relationships.

Whatever Happened to the Power of God Michael L. Brown, 1991-05 Why are the seriously ill seldom healed? Why do people fall in the Spirit yet remain unchanged? Why can believers speak in tongues and wage spiritual warfare without impacting society? This book confronts you with its life-changing answers.

Wade Cook's Power Quotes Wade Cook, 1998 Multimillionaire Wade Cook knows that few things are more important than choosing good advisors. The Making of American Liberal Theology Gary J. Dorrien, 2006-01-01 In this first of three volumes, Dorrien identifies the indigenous roots of American liberal theology and demonstrates a wider, longer-running tradition than has been thought. The tradition took shape in the nineteenth century, motivated by a desire to map a modernist third way between orthodoxy and rationalistic deism/atheism. It is defined by its openness to modern intellectual inquiry; its commitment to the authority of individual reason and experience; its conception of Christianity as an ethical way of life; and its commitment to make Christianity credible and socially relevant to modern people. Dorrien takes a narrative approach and provides a biographical reading of important religious thinkers of the time, including William E. Channing, Ralph Waldo Emerson, Horace Bushnell, Henry Ward Beecher, Elizabeth Cady Stanton, and Charles Briggs. Dorrien notes that, although liberal theology moved into elite academic institutions, its conceptual foundations were laid in the pulpit rather than the classroom.
