Blood Moon Michelle Isenhoff,2019-04-23 Hope rises from ashes, and love can take root in the most stubborn of hearts. Charleston lies in ruins and so, it seems, does Emily's future. Now that her father has banished her from Ella Wood over her vocal disapproval of slavery, independence looks far more terrifying. And without her father's pocketbook, her ability to fund her education is in question. Then, when Emily makes it clear that she intends to pursue the university anyway, Thad's hidden sentiments come to light. She's forced to a decision. Will she choose the man she's come to love or the art she's always loved? Richly textured, absorbing, and impeccably researched, *Blood Moon* is the second in this sweeping Southern romance series. And it's tagged with a price you'll also love. Download your copy and find out why *Blood Moon* was reader-nominated for a Cybils Award. All three books in the Ella Wood trilogy are clean and wholesome, as are the accompanying novellas. Sixty-Nine Weeks of Daniel, Chapter 9 Robert R. Armstrong,2012-04-05 The Sixty-Nine Weeks of Daniel, Chapter 9 examines the positions of Sir Robert Anderson and Harold Hoehner, as well as dates suggested by Frederick Larson in his DVD titled *The Star of Bethlehem*, regarding the date of the command to rebuild Jerusalem and the date of Christ's birth and crucifixion. In this edition, the very significant contributions of Drs. Colin Humphreys and W.G. Waddington regarding the pre-exilic calendar and the date of Christ's crucifixion are referenced. The sixty-nine week prophecy is one of the most amazing prophecies in Scripture, and the dates presented by Christian authors differ considerably. There are, however, dates that can be substantiated biblically, historically, and astronomically. These are presented, with the case for and against each.

The author received Christ as Savior and Lord while in medical school after hearing, during a Bible study, that Jesus was and is God, as presented in the first chapter of the book of John. Soon thereafter he read the seventy-week prophecy and has had an enduring interest in it since that time. After seeing Larsons DVD, which confirmed Hoehners date for Christs crucifixion and thus Christs triumphal entry, he started a more intensive examination of the proposed dates, resulting in the writing of The Sixty-Nine Weeks of Daniel, Chapter 9. It is hoped that the reader will gain an increased respect for and confidence in the accuracy and inspiration of Scripture, and that the Lord will receive the glory as a result. It is also hoped that seekers of truth will be encouraged to pursue their search in the pages of Scripture.

Under the Blood Red Moon Mina Hepsen,2008-09-30 Cursed with the ability to hear the thoughts of others, beautiful Angelica Shelton Belanov feels most comfortable when hidden away in the library of her father's English country estate. Now family duty requires that she make an appearance at a glittering gala, mingling with the cream of London society in hopes of finding a suitable husband. Assailed by the unwanted "chatter" of many minds, Angelica finds relief in the company of a handsome aristocratic stranger who remains, refreshingly, an enigma. But Prince Alexander is not like other men. The powerful leader of an Eastern clan of immortals, he has come to London to hunt down a rogue vampire who threatens the survival of his dwindling kind. Angelica can sense that Alexander is dangerous, a mystery to be unraveled at her own peril. Yet desire sears them both—she, the bewitching telepath, and he, the fearless leader who must learn to trust his heart. And unrestrained passion has strict demands that could cost them both their lives...and their souls.

The Werewolf Filmography Bryan Senn,2017-02-06 From the horrific to the heroic, cinematic werewolves are metaphors for our savage nature, symbolizing the secret, bestial side of humanity that hides beneath our civilized veneer. Examining acknowledged classics like The Wolf Man (1941) and The Howling (1981), as well as overlooked gems like Dog Soldiers (2011), this comprehensive filmography covers the highs and lows of the genre. Information is provided on production, cast and filmmakers, along with critical discussion of the tropes and underlying themes that make the werewolf a terrifying but fascinating figure.
