Quote ,1959

The Letters of Saint Catherine of Siena Catherine of Siena,2016-12-17 Saint Catherine of Siena (1347-1380) is widely considered one of the greatest saints of all time. She is best known for her mystical Dialogue with God the Father, for which she was declared a Doctor of the Church, but her letters are also unmatched in their spiritual power and profundity. Many people do not know that St Catherine was also a stigmatist, bearing the wounds and suffering the passion of Christ for the salvation of souls. She prayed to God to make the wounds invisible so as not to draw attention to herself. Only her confessor, Blessed Raymond of Capua, knew of her sharing in the sufferings of Our Lord until the day the saint died, when the wounds became visible for all to see. This edition of The Letters of St. Catherine, originally published in 1905 (but now in more modern English in this newly revised and edited version), includes an Introduction on the Life and Times of the Saint, a description of Saint Catherine as Seen in her Letters, the Chief Events in the Life of Saint Catherine, and a Brief Outline of Contemporary Public Events.

**The Catholic Worker Movement** Mark Zwick,Louise Zwick,2005 This book is essential reading for understanding the legacy behind the Catholic Worker Movement. The founders of the movement, Dorothy Day and Peter Maurin met during the Great Depression in 1932. Their collaboration sparked something in the Church that has been both an inspiration and a reproach to American Catholicism. Dorothy Day is already a cultural icon. Once maligned, she is now being considered for sainthood. From a bohemian circle that included Eugene O'Neil to her controversial labor politics to the founding of the Catholic Worker Movement, she lived out a civil rights pacifism with a spirituality that took radical message of the Gospel to heart. Peter Maurin has been less celebrated but was equally important to the movement that embraced and uplifted the poor among us. Dorothy Day said he was, a genius, a saint, an agitator, a writer, a lecturer, a poor man and a shabby tramp. Mark and Louise Zwick's thorough research into the Catholic Worker Movement reveals who influenced Peter Maurin and

Dorothy Day and how the influence materialized into much more than good ideas. Dostoevsky, Catherine of Siena, Teresa of Avila, Francis of Assisi, Therese of Lisieux, Jacques and Raissa Maritain and many others contributed to fire in the minds of two people that sought to blow the dynamite of the Church in 20th-century America. This fascinating and detailed work will be meaningful to readers interested in American history, social justice, religion and public life. It will also appeal to Catholics wishing to live the Gospel with lives of action, contemplation, and prayer. +
