It is by the way you create your letter that your reader can identify whether you are friendly, rude, or you just simply want to do business. Your letter shows your attitude. This is one reason why it is important to consider your way of writing, write professionally and with courtesy. Success of business transactions is not only dependent on your ability to talk and communicate verbally, but also the way you communicate in letters. How important is learning the proper way of writing business letters? This book will help you to improve your written communication by guiding you through the steps and guidelines of making an effective letter. Aside from that, you will learn to see that planning is important. Gathering information and doing some research will help you. As you go through answer complaints, it will save you to make adjustments, it is important and friendly to reply to inquiries, it is good to be precise in your quotations, it is proper to acknowledge placed orders or acknowledge payment, it is worth to check all outgoing orders for shipment and delivery, it is important to have an insurance policy, it is tedious to deal internationally without bank transactions, and it is by connection that you can increase your sales. You need to connect to your customers and readers in order to build a good working relationship. If you are able to establish a good relationship, they will value you as their business partners. It also provides ample opportunities for the students to build awareness and practice the language in real-life scenarios. Its integrated skills approach develops the students self-confidence to survive and succeed in professional and social encounters within the English speaking global community.

Students in this market spend most of their time editing reports and letters for grammar, style and format. With the Gregg manual, students become proficient at editing business communication through the instruction on grammar, spelling, usage, and have exercises to refine their skills in the accompanying worksheets.
