

# Skeletons Of The Zahara

**Philip M. O'Brien**

**Skeletons on the Zahara** Dean King, 2025-05-01 A National Bestseller—the true story of shipwrecked American sailors in Africa who were captured by slavers and forced to trek through the Sahara. This true-life saga reads like a cross between *Master and Commander* and *Lawrence of Arabia*. — People The western Sahara is a baking hot and desolate place, home only to nomads and their camels, and to locusts, snails and thorny scrub—and its barren and ever-changing coastline has baffled sailors for centuries. In August 1815, the US brig *Commerce* was dashed against Cape Bojador and lost, although through bravery and quick thinking the ship's captain, James Riley, managed to lead all of his crew to safety. What followed was an extraordinary and desperate battle for survival in the face of human hostility, starvation, dehydration, death and despair. Captured, robbed and enslaved, the sailors were dragged and driven through the desert by their new owners, who neither spoke their language nor cared for their plight. Reduced to drinking urine, flayed by the sun, crippled by walking miles across burning stones and sand and losing over half of their body weights, the sailors struggled to hold onto both their humanity and their sanity. To reach safety, they would have to overcome not only the desert but also the greed and anger of those who would keep them in captivity. From the cold waters of the Atlantic to the searing Saharan sands, from the heart of the desert to the heart of man, *Skeletons on the Zahara* is a spectacular odyssey through the extremes and a gripping account of courage, brotherhood, and survival. A little bit *H. Rider Haggard*, a little bit *Jon Krakauer*, a little bit *Nathaniel Philbrick*, and a whole lot of gruesome fun. — Salon

Summary of Dean King's *Skeletons on the Zahara* Everest Media, 2022-07-02T22:59:00Z Please note: This is a companion version & not the original book. Sample Book Insights: #1 The crew of the 220-ton brig *Commerce* set sail in 1815. They were headed first to New Orleans, and if the peace held, they would cross the Atlantic to Gibraltar and partway down the west coast of Africa to the Cape Verde Islands for salt to bring back to Connecticut. #2 The Connecticut River, which flows through the center of the state, had been blocked by the British for almost two decades. But in 1814, after the British had burned down many American buildings in Washington, D. C. , the American people called for war. #3 In January 1815, news of the Treaty of Ghent had arrived, putting an end to the conflict. However, it had also put an end to the run of bitter luck for Captain Riley. #4 Captain Riley took on three Sages as crew members: Justus, Josiah, and Aaron. He had faith in Justus's nephew, James Riley, and he liked his intelligence, industry, and no-nonsense attitude.

Skeletons of the Zahara Proof Dean King,2003-11-13

**Unbound** Dean King,2010-03-03 In October 1934, the Chinese Communist Army found itself facing annihilation, surrounded by hundreds of thousands of Nationalist soldiers. Rather than surrender, 86,000 Communists embarked on an epic flight to safety. Only thirty were women. Their trek would eventually cover 4,000 miles over 370 days. Under enemy fire they crossed highland awamps, climbed Tibetan peaks, scrambled over chain bridges, and trudged through the sands of the western deserts. Fewer than 10,000 of them would survive, but remarkably all of the women would live to tell the tale. *Unbound* is an amazing story of love, friendship, and survival written by a new master of adventure narrative.

**From Captives to Consuls** Brett Goodin,2020-10-13 How three white, non-elite American sailors turned their experiences of captivity into diverse career opportunities—and influenced America's physical, commercial, ideological, and diplomatic development. Winner of the John Lyman Book Award by the North American Society for Oceanic History From 1784 to 1815, hundreds of American sailors were held as white slaves in the North African Barbary States. In *From Captives to Consuls*, Brett Goodin vividly traces the lives of three of these men—Richard O'Brien, James Cathcart, and James Riley—from the Atlantic coast during the American Revolution to North Africa, from Philadelphia to the Louisiana Territories, and finally to the western frontier. This first scholarly biography of American captives in Barbary sifts through their highly curated writings to reveal how ordinary individuals in extraordinary circumstances could maneuver through and contribute to nation building in early America, all the while advancing their own interests. The three subjects of this collective biography both reflected and helped refine evolving American concepts of liberty, identity, race, masculinity, and nationhood. Time and again, Goodin reveals, O'Brien, Cathcart, and Riley uncovered opportunities in their adversity. They variously found advantage first in the Revolution as privateers, then in captivity by writing bestselling captivity narratives and successfully framing their ordeal as a qualification for coveted government employment. They even used their modest fame as ex-captives to become diplomats, get elected to state legislatures, and survey the nation's territorial expansions in the South and West. Their successful self-interested pursuit of opportunities offered by the expanding American empire, Goodin argues, constitutes what he calls the invisible hand of American nation building. Goodin shows how these ordinary men, lacking the genius of a Benjamin Franklin or Alexander Hamilton, depended on sheer luck and adaptability in their quest for financial independence and public recognition. Drawing on archival collections, newspapers, private correspondence, and government documents, *From Captives to Consuls* sheds new light on the significance of ordinary individuals in guiding early American ideas of science, international relations, and what it meant to be a self-made man.

American Slaves and African Masters C. Sears,2012-09-06 Whether by falling prey to Algerian corsairs or crashing onto the desert shores of Western Sahara, a handful of Americans in the first years of the Republic found themselves enslaved in a system that differed so markedly from nineteenth century U.S. slavery that some contemporaries and modern scholars

hesitate to categorize their experiences as 'slavery.' Sears uses a comparative approach, placing African enslavement of Americans and Europeans in the context of Mediterranean and Ottoman slaveries, while individually investigating the system of slavery in Algiers and Western Sahara. This work illuminates the commonalities and peculiarities of these slaveries, while contributing to a growing body of literature that showcases the flexibility of slavery as an institution.

**Not So Innocent Abroad** Ulrike Brissin, Bernard Schweizer, 2009-10-02 With its specific focus on the connections between politics, travel, and travel writing, *Not So Innocent Abroad* offers a fresh approach to the study of travel literature. The authors make clear that travel and travel writing are never an “innocent” enterprise; rather, journeying always occurs within political systems, and travel writing either reflects the traveler’s political stance, includes political aspects of foreign cultures, or directly or indirectly influences political decisions. In contrast to most scholarly publications that primarily focus on travel literature of former colonial nations, this volume includes a broader range of travelogues depicting cultures worldwide, spanning from the eighteenth to the twenty-first century. It thus offers with its comparative approach not only a geographically wide selection but also an historical dimension to the political aspects of travel writing. Although most travel literature generally has followed the Horatian principle to instruct and delight the armchair traveler, the authors of this volume clearly address the broader political implications of travel and travel writing within networks of “naked” politics, such as international or interior conflicts, emigration laws, or national propaganda. They also reveal how insidiously political messages are dissimulated through travel writing.

**Guys Read: True Stories** Jon Scieszka, Jim Murphy, Elizabeth Partridge, Nathan Hale, James Sturm, Candace Fleming, Douglas Florian, Sy Montgomery, Steve Sheinkin, T. Edward Nickens, Thanh Hà Lai, 2014-09-16 Jon Scieszka's *Guys Read* anthology series for tweens turns to nonfiction in its fifth volume, *True Stories*. The fifth installment in the *Guys Read* Library of Great Reading features ten stories that are 100% amazing, 100% adventurous, 100% unbelievable—and 100% true. A star-studded group of award-winning nonfiction authors and journalists provides something for every reader, all aligned with the Common Core State Standards. Compiled and edited by real-life literature legend Jon Scieszka, *Guys Read: True Stories* is a mind-blowing collection of essays, biographies, how-to guides, and more, all proving that the truth is most definitely out there. Supports the Common Core State Standards

**Cooperative Living**, 2005

*Some Remarks* Neal Stephenson, 2012-08-07 #1 New York Times bestselling author Neal Stephenson is, quite simply, one of the best and most respected writers alive. He’s taken sf to places it’s never been (*Snow Crash*, *Anathem*). He’s reinvented the historical novel (*The Baroque Cycle*), the international thriller (*Reamde*), and both at the same time (*Cryptonomicon*). Now he treats his legion of fans to *Some Remarks*, an enthralling collection of essays—Stephenson’s first nonfiction work

since his long essay on technology, *In the Beginning...Was the Command Line*, more than a decade ago—as well as new and previously published short writings both fiction and non. *Some Remarks* is a magnificent showcase of a brilliantly inventive mind and talent, as he discourses on everything from Sir Isaac Newton to Star Wars.
