Frost Like Night Sara Raasch, 2016-09-20 *Game of Thrones* meets *Graceling* in this action-packed fantasy—the highly anticipated final book in the New York Times bestselling *Snow Like Ashes* series by Sara Raasch. Perfect for fans of *An Ember in the Ashes* and *A Court of Thorns and Roses*. Angra is alive, his Decay is spreading—and no one is safe. Meira will do

anything to save her world. With Angra trying to break through her mental defenses, she desperately needs to learn to control her own magic—so when the leader of a mysterious Order from Paisly offers to teach her, Meira jumps at the chance. But the true solution to stopping the Decay lies in a labyrinth deep beneath the Season Kingdoms. To defeat Angra, Meira will have to enter the labyrinth, destroy the very magic she’s learning to control—and make the biggest sacrifice of all. Mather will do anything to save his queen. He needs to rally the Children of the Thaw, find Meira—and finally tell her how he really feels. But with a plan of attack that leaves no kingdom unscathed and a major betrayal within their ranks, winning the war—and protecting Meira—slips farther and farther out of reach. Ceridwen will do anything to save her people. Angra had her brother killed, stole her kingdom, and made her a prisoner. But when she’s freed by an unexpected ally who reveals a shocking truth behind Summer’s slave trade, Ceridwen must take action to save her true love and her kingdom, even if it costs her what little she has left. As Angra unleashes the Decay on the world, Meira, Mather, and Ceridwen must bring the kingdoms of Primoria together...or lose everything.

Ice Like Fire Sara Raasch, 2015 When Cordellian debt forces the Winterians to dig their mines for payment, they unearth something powerful and possibly dangerous: Primoria's lost chasm of magic. Theron sees this find as an opportunity -- with this much magic, the world can finally stand against threats like Angra. But Meira fears the danger the chasm poses -- the last time the world had access to so much magic, it spawned the Decay.

Dark Star Burning, Ash Falls White Amélie Wen Zhao, 2024-12-03 NEW YORK TIMES BESTSELLER • The epic sequel to the book *Song of Silver, Flame Like Night*, is a fast-paced, riveting YA fantasy inspired by the mythology and folklore of ancient China. The Demon Gods have risen. Skies’ End has fallen to the colonizers. And Lan and Zen have chosen sides. But they will not fight together. Though Lan inherited the power of the Silver Dragon, she understands the path she must take. She believes the Demon Gods to be the cause of war, conflict, and turmoil, and that the future of the Last Kingdom depends on their being eliminated forever. Worse, she knows that if the Elantians manage to bind one of the legendary beings, their army will be unstoppable. To save her kingdom and her people, Lan will need to find the only mythical weapon capable of destroying the Demon Gods: the Godslayer. Zen is sure that the only way to free the Last Kingdom is to use the power of the Demon Gods. When he bound the Black Tortoise, he paid the ultimate price: to inherit its strength, he will forfeit his body, his mind, and his soul. Yet one Demon God is not enough against the might of the colonizers. In the ruins of the northern Mansorian lands slumbers a magical army of demonic practitioners capable of facing off against the Elantians—but Zen must find the Seal to awaken them to fight by his side. At the center of both Lan’s and Zen’s journeys is one city: Shaklahira, a former stronghold of the Imperial Court that vanished without a trace when the Elantians invaded. Its location is a mystery, and both are sure that it holds the answers they need, but the past it hides might be more dangerous than anything they’ve faced yet. The battle for the Last Kingdom rages on. But to win the war, Lan will have to decide: Can she face the boy she

loves again? And when she does, can she kill him to free her people?

Bunyan Characters (1st Series) Alexander Whyte, 2019-11-27 In *Bunyan Characters (1st Series)*, Alexander Whyte delves deep into the intricate tapestry of John Bunyan's literary universe, analyzing the most compelling figures from Bunyan's works, particularly *The Pilgrim's Progress*. Whyte's engaging prose combines insight and reverence, skillfully intertwining biographical sketches and theological reflections. The book is set against the backdrop of 17th-century England, a time resonating with religious tumult and literary innovation, positioning Bunyan not only as a writer but also as a profound thinker. Whyte's eloquent style and deft character analyses enhance our understanding of Bunyan's enduring legacy and the spiritual truths embedded within his allegories. Alexander Whyte, a prominent Scottish Presbyterian minister and theologian, was known for his passionate sermons and literary criticism. His profound interest in Bunyan's theology and narrative technique stemmed from his own experiences of faith and struggle within a rigid ecclesiastical framework. Whyte's admiration for Bunyan's moral complexity and spiritual depth significantly informed his interpretation of these vivid characters, making Whyte a bridge between the 17th-century and modern readers striving for meaning. This work is highly recommended for scholars of English literature, theologians, and anyone interested in the rich interplay of character and faith within Bunyan's writings. Whyte's profound insights not only celebrate Bunyan's characters but also illuminate their relevance, inviting readers to explore the timeless questions of faith, morality, and human experience. In this enriched edition, we have carefully created added value for your reading experience: - Hand-picked Memorable Quotes shine a spotlight on moments of literary brilliance. - Interactive footnotes clarify unusual references, historical allusions, and archaic phrases for an effortless, more informed read.

Life Sketches and Echoes from the Valley. Series 1-3 Marianne Farningham, 1871

Elsie Dinsmore: Complete Series (28 Books in One Edition) Martha Finley, 2023-12-30 Martha Finley's *Elsie Dinsmore: Complete Series* is a seminal collection of 28 interlinked narratives that chronicle the life journey of a virtuous young girl navigating the challenges of 19th-century America. Written in an accessible yet lyrical style, Finley combines elements of sentimentality and didacticism, providing readers with thought-provoking explorations of faith, morality, and the trials of adolescence. The series is notable for its rich character development and vivid depictions of familial relationships, reflecting the broader societal values and expectations of women during this period. Martha Finley, born in 1828, was a prolific author and a member of the Holiness movement, which undoubtedly influenced her writings. The moral fortitude and religious principles displayed in *Elsie Dinsmore* echo Finley's own beliefs and the pedagogical methods of her era, aiming to instill ethical values within her young audience. Her experiences as a teacher and her reformist leanings serve as a backdrop to the character of Elsie, making this series not only a tale of personal growth but also a commentary on societal norms. This complete series is highly recommended for readers interested in historical fiction, children's literature, and moral tales.

Finley's enduring themes of resilience, compassion, and faith resonate beyond their time, offering vital lessons for contemporary readers. Whether for academic study or leisurely reading, this comprehensive edition is an indispensable treasure trove for those drawn to classic literature.
