

Socialism Vs Fascism Vs Communism

William Ebenstein, Edwin Fogelman

HITLER WAS SOCIALIST -Nazis, Communists, Fascists Johnny Quest, Hector J. Peabody, Ian Tinny, Adolf Hitler was a socialist. Most of what is written about Hitler is deceitfully designed to hide the fact that he touted "socialism" by the very word. Consider the following revelations explained herein (with special thanks to archives of Dr. Rex Curry's work): 1. Hitler called himself a "Socialist." The word Socialist appears throughout Mein Kampf as a self-description by Hitler. Hitler and his supporters self-identified as "socialists" by the very term in voluminous speeches and writings. 2. Hitler never called himself a Nazi. There was no "Nazi Party" nor "Nazi Germany" as those are lies to hide the true names of the entities. 3. Hitler never called himself a "Fascist." 4. The term "Nazi" isn't in Mein Kampf nor in Triumph of the Will. 5. The term "Fascist" never appears in Mein Kampf as a self-description by Hitler. 6. The term "swastika" never appears in the original Mein Kampf. 7. There is no evidence that Hitler ever used the word "swastika." 8. The symbol that Hitler did use was intended to represent "S"-letter shapes for "socialist." 9. Hitler altered his own signature to reflect his "S-shapes for socialism" logo branding. 10. Hitler was influenced by American socialists - the USA's Pledge of Allegiance to the flag was the origin of Nazi salutes and Nazi behavior. 11. The classic military salute (to the brow) also contributed to the creation of the Nazi salute (with the right-arm extended stiffly). 12. Mussolini was a long-time socialist leader, with a socialist background, raised by socialists to be a socialist, and he joined socialists known as "fascio, fasci, and fascisti." 13. Fascism came from a socialist (e.g. Mussolini). Communism came from a socialist (e.g. Marx). Fascism and Communism came from socialists. 14. German socialists partnered with Soviet socialists to launch WWII, invading Poland together, and going onward from there, killing millions. Hitler, Mussolini, Stalin, Mao, and other tyrants were influenced by propaganda in the USA, including the childish American socialists Francis Bellamy and Edward Bellamy. Both Bellamy cousins wanted government to take over all schools, to teach socialism to all youngsters worldwide. Francis Bellamy was the author of the Pledge of Allegiance to the flag, the origin of the infamous stiff-armed salute adopted later under German socialism and Adolf Hitler. Long before the Deutschland fad began, American schoolchildren were taught to chant in unison and perform the same salute each day in government schools that imposed segregation by law and taught racism as official policy. Anyone who rejected the ritual in the schools was persecuted. "America's Nazi salute" was often performed by public officials in the USA from 1892 through 1942. What happened to old photographs and films of the American Nazi salute performed by federal, state, county, and local officials?

Those photos and films are rare because people don't want to know the truth about the government's past. TV, newspapers and other MSM will not show a historic photo or video of the early American straight-arm salute nor mention its history and impact worldwide. American youth groups (Scouting) adopted Bellamy's American Nazi salute (with Bellamy's encouragement) AND saluted swastika badges (卐) worn by fellow scouts. Many Americans were accustomed to "Nazi salutes for swastikas" long before German socialism (and Hitler Youth) adopted similar behavior under Hitler. That helps to explain another inconvenient truth: swastikas were promoted in the US military and worn as a patch on the upper left arm of American soldiers in a fashion that would become uniform under German socialism. There are photos in this book! The military salute was the origin of Nazi salutes, via the USA's flag pledge in government schools. Public officials in the USA who preceded the German socialist (Hitler) and the Italian socialist (Mussolini) were sources for the stiff-armed salute (and brainwashed chanting) in Germany, Italy, and other foreign countries.

Today's Isms: Communism, Fascism, Capitalism, Socialism William Ebenstein, 1970

Today's Isms William Ebenstein, Edwin Fogelman, 1985 Discusses the historical background, psychological roots, strengths, weaknesses, practices, evolution, and future of these political systems.

Hitler's Secret Book Lin Xun, Micky Barnetti, Aunt Jemima, Many secrets revealed about Adolf Hitler, including - 1. NEW HITLER DISCOVERY: Hitler renamed his political party from DAP to NSDAP - National Socialist German Workers Party - because he needed the word Socialist in his party's name so that Hitler could use swastikas as S-letter shaped logos for SOCIALIST as the party's emblem. The party's name had to fit in Hitler's socialist branding campaign that used the swastika and many other similar alphabetical symbols, including the "SS" and "SA" and "NSV" and "VW" etc. He was selling socialism by selling flags and related merchandise (cf. Francis Bellamy). The "new discovery" part is that the public doesn't know that Hitler's use of the swastika as alphabetical symbolism is a reason why he changed the name of the party (adding the word "socialist"). The new discovery is also that it is additional proof that Hitler employed the swastika as alphabetical symbolism of "S"-letter shapes for his socialism. The discoveries are from the historian Dr. Rex Curry's work. 2. NEW SWASTIKA DISCOVERY: Vladimir Lenin's swastika is revealed herein. The impact of Lenin's swastikas was reinforced at that time with additional swastikas on ruble money (paper currency). The swastika became a symbol of socialism under Lenin. It's influence upon Adolf Hitler is explained in this book. 3. Hitler altered his own signature to reflect his "S-shapes for socialism" logo branding. 4. There is no evidence that Hitler ever used the word "swastika" in his life. 5. The term "swastika" never appears in the original Mein Kampf. 6. Hitler and his supporters self-identified as "socialists" by the very word in voluminous speeches and writings. The term Socialist appears throughout Hitler's book "Mein Kampf" as a self-description by Hitler. 7. Hitler never called himself a Nazi. There was no "Nazi Germany." There was no "Nazi Party." Those terms are slang to hide how Hitler and his comrades self-identified: SOCIALIST. 8. Hitler never called himself a "Fascist." That term is misused to

hide how Hitler and his comrades self-identified: SOCIALIST. 9. The term “Nazi” isn’t in Mein Kampf nor in Triumph of the Will. 10. The term “Fascist” never appears in Mein Kampf as a self-description by Hitler. 11. Soviet socialists and German socialists partnered for International Socialism in 1939. They launched WWII, invading Poland together, and continued onward from there, killing millions. Soviet socialism had signed on for Hitler’s Holocaust. 12. After Hitler’s death, Stalin continued the plan he had made with Hitler for Global Socialism. Stalin took over the same areas that Hitler had captured. He used the same facilities that Hitler had used. Hitler’s Holocaust never ended. Stalin replaced Hitler. 13. Nazi salutes and Nazi behavior originated in the USA from the “Pledge of Allegiance to the Flag.” The pledge was written by an American National Socialist named Francis Bellamy. Francis Bellamy was the cousin of Edward Bellamy, another infamous American National Socialist. They worked together to promote their dogma in the USA. 14. The classic military salute (to the brow) also contributed to the creation of the Nazi salute (with the right-arm extended stiffly). 15. The Bellamy cousins promoted socialist schools that imposed segregation by law and taught racism as official policy. 16. Mussolini was a long-time socialist leader, with a socialist background, raised by socialists to be a socialist, and he joined socialists known as “fascio, fasci, and fascisti.” 17. Fascism came from a socialist (e.g. Mussolini). Communism came from a socialist (e.g. Marx). Fascism and Communism came from socialists. Hitler’s political philosophy continues to be admired by modern politicians. Bernie Sanders self-identifies the same as Hitler: SOCIALIST. Alexandria Ocasio Cortez self-identifies the same as Hitler too. They also admire Marx. Other politicians gladly adopt and repeat the same ideas even if they are too dishonest to admit that they are socialists. Every election witnesses Americans struggling to bring Germany’s past into the present. MSM polling reports that 70 percent of millennials say they would vote for a candidate who self-identifies the same as Hitler (2019 YouGov poll). According to another report, 60 percent of Millennials (age 24-39) support a “complete change of our economic system.” Hitler and Marx were anti-bourgeois and advocated revolution. Many people long for the same revolutions. The Deutschland’s two top germs continue to spread globally. China drooled over Marx the embarrassing video “Chinese President Xi Jinping delivers speech on anniversary of Marx’s birth” (2018). China is humiliated by the same old German who influenced Hitler. Of course, China has the largest population (billions) who self-identify the same as Hitler: SOCIALIST (the same way that Marx self-identified). China’s lethal attraction to Marx and Hitler was huge compared to the USA’s. That is why the books of Marx and Hitler were once considered too dangerous for the general public. But Mein Kampf was a bestseller as recently as 2017. Its popularity grows worldwide. It has always been one of Amazon’s better-selling book titles. Hitler and Marx are always trending on the internet. Germany’s two top white male racist political philosophers stay in vogue despite their stale policies. Ideas from the Deutschland duo are adored and repeated often on social media and by the mainstream media (MSM) in the USA. Hitler, Stalin, Mao, Mussolini, and other tyrants were influenced by propaganda in the USA, including the childish American socialists Francis Bellamy and Edward Bellamy. Both Bellamy cousins wanted

government to take over all schools, to teach socialism to all youngsters worldwide. Francis Bellamy was the author of the Pledge of Allegiance to the flag, the source of the infamous stiff-armed salute adopted later under German socialism and Adolf Hitler. Long before the Deutschland fad began, American schoolchildren were taught to chant in unison and perform the same salute each day in government schools that imposed segregation by law and taught racism as official policy. Anyone who rejected the ritual in the schools was persecuted. "America's Nazi salute" was often performed by public officials in the USA from 1892 through 1942. What happened to old photographs and films of the American Nazi salute performed by federal, state, county, and local officials? Those photos and films are rare because people don't want to know the truth about the government's past. TV, newspapers and other MSM will not show a historic photo or video of the early American straight-arm salute nor mention its history and impact worldwide.

The Anointed, The Elect, and The Damned! The Akurians, 2009-04-07 The Most High Lord God of All Creation, The Most High Supreme Lord of Spirits, the God of Ish (Adam) and Isha (Eve), the God of Enoch, the God of Noe (Noah), the God of Shem, the God of Melchizedek, the God of Audreah, the God of Abraham, the God of Ishmael, the God of Isaac, the God of Jacob (Israel) will personally communicate with YOU, personally! Be prepared to understand YOU have been lied to all your life about everything; and to possess True Spiritual Knowledge you have been deliberately denied. The Most High, Himself, will testify to you that each and every word, statement and claim in this book is absolute, irrevocable, consistently verifiable, indispensable and indisputable TRUTH!

Nazi Swastikas are IQ tests - Swastikologist Dr. Rex Curry decoded them Van Marxveldt, Karl Grosskreutz, Bubba Groover, Lin Xun, Nazi swastikas are IQ tests. Adolf Hitler's flag emblem represents "S means SOCIALIST." Germany's top socialist was also socialism's top graphic design artist and remains so today. That is one of many amazing discoveries by the swastikologist Professor Rex Curry. This book reveals Dr. Curry's surprises about Adolf Hitler's socialist symbolism including: (1) Hitler's socialist salute from USA socialists and their flag Pledge; (2) Hitler's socialist vocabulary; (3) logos for NSV, SA, SS, VW, Hitler's flag, and his other socialist emblems. As socialism's top ad man, Hitler pioneered public relations. This is a classic story, masterfully told, about how one graphic designer can influence culture for generations. Other historians were unable to discover Hitler's socialist symbolism and branding. Modern political debates often describe only two opposing alternatives as "Nazis" versus "Communists". The description is a hoax: the words "Nazis" and "Communists" are misleading verbiage to divert attention from the larger shared problem of "Socialism." Most scholars believed (mistakenly) that Hitler called his group "Nazis" and "Fascists"; they were ignorant of how Hitler self-identified: SOCIALIST. Ignorant of Hitler's vocabulary, they spoke the language of lies. Then historians learned about Dr. Curry's academic breakthroughs. The famed linguist was the only scholar who eschewed popular linguistic misnomers (e.g. Nazi, Fascist, Third Reich, swastika, etc). He taught accurate terminology (e.g. SOCIALISM and SOCIALIST and Hooked Cross or Hakenkreuz).

Please join the fight against anti-semantic teachers. Educational Outreach Programs (EOPs) energized by Dr. Curry's successes are the only services that school modern scholars that Hitler self-identified as Socialist. He did not self-identify as Nazi, nor as Fascist. The re-education resources are unique. If you ever see a sentence like the following one, then you know it was from EOPs for Dr. Curry's philosemantic scholarship: Hitler didn't call himself Nazi or Fascist, he called himself socialist. Today, Dr. Curry is a trailblazer in linguistics and about Hitler's nomenclature. The watchdog historian brought revolutionary changes to the English language. He is rewiring brains. He is opening eyes to old lies about German socialism's true lexicon. More and more commentators and educators are following Dr. Curry's lead. Linguistic EOPs above led to many amazing historical discoveries, including revelations about Sophie Scholl's White Rose group; Anne Frank's Diary; Joseph Goebbels' "Der Nazi Sozi"; Adolf Hitler's "Mein Kampf"; Martin Niemöller's verse "First They Came For the Socialists"; the swastika symbol; the hexagram (Star of David); the etymological history of "Roman Salute"; planetary brainwashing; how Wikipedia, and Web Search Engines, and Artificial Intelligence (AI) spew lies about socialism, Marx, Mein Kampf, and Hitler; and more! Except for the American Linguist Laureate Dr. Rex Curry, every other historian did not see how the USA's Pledge of Allegiance led to Nazi salutes and Nazi behavior; and how the original pledge's use of military salutes led to Nazi salutes. Also, historians hid how Hitler's flag was semaphore for "SOCIALISM." Historians did not see Hitler's complementary semiotics in his NSV, SA, SS, & VW logos, as compared with the logo of Hitler's party: the National Socialist German Workers Party. Even today, only exceptional scholars with extraordinary skills (e.g. Dr. Curry) are able to discern the "S"-letter shape of the NSV's logo (The National Socialist People's Welfare; in German: Nationalsozialistische Volkswohlfahrt). The S symbolism is almost as difficult to perceive as in Hitler's Hakenkreuz (hooked cross). It is as undetectable as in the symbols for the SS and SA (Schutzstaffel and Sturmabteilung). All historians (other than Dr. Curry) did not see how Hitler used his party's symbol to represent S-letter shapes for SOCIALIST. Do you not see?

ARE YOU A NOT SEE? Mister Gusano, Robert C. Prenic, William Phideaux, Are you a "Not-See"? Do you not see? Most historians did not see the amazing discoveries explained in this book about the academic work of Professor Dr. Rex Curry. Most people do not see it because they have been deceived by socialist schools (government schools) and the old media. The symbol on the cover of this book represents the "Not-See" movement. Modern political debates often describe the only two opposing alternatives as "Communists" versus "Nazis." The description is a dishonest trick: the words "Communist" and "Nazi" are used to divert attention from the larger shared problem of "Socialism." The famed Linguist Dr. Rex Curry exposed modern historical amnesia concerning Hitler's vocabulary. Almost everyone (including every so-called scholar) refers ignorantly to Hitler as a Nazi or a Fascist and not as a Socialist. Educational Outreach Programs (EOPs) energized by Dr. Rex Curry's scholarship are the only services that inform benighted scholars that Hitler self-identified as Socialist. He did not self-identify as Nazi, nor as Fascist. No other linguist provides this vital public awareness. So, if you ever see a sentence like

the following one, then you know it was from EOPs for Dr. Curry's work: Hitler didn't call himself Nazi or Fascist, he called himself Socialist. The linguistic EOPs above led to many amazing historical discoveries, including revelations about Anne Frank's Diary; Adolf Hitler's "Mein Kampf"; Sophie Scholl's White Rose group; Joseph Goebbels' "Der Nazi Sozi"; Martin Niemoller's verse "First They Came For the Socialists"; the swastika symbol, the hexagram (Star of David), and how Hitler changed BOTH symbols together; the etymological history of "Roman Salute"; and much more! Except for the American Linguist Laureate Dr. Rex Curry, every other historian did not see how the USA's Pledge of Allegiance led to Nazi salutes and Nazi behavior; and how the original pledge's use of military salutes led to Nazi salutes. Also, historians did not see the similar symbolism of Adolf Hitler's NSV, SA, and SS logos, as compared with the logo of Hitler's party: the National Socialist German Workers Party. Even today, only exceptional scholars with extraordinary skills (e.g. Dr. Curry) are able to discern the "S"-letter shape of the NSV's logo (The National Socialist People's Welfare; in German: Nationalsozialistische Volkswohlfahrt). The S symbolism is almost as difficult to perceive as in Hitler's Hakenkreuz (hooked cross). It is as undetectable as in the symbols for the SS and SA (Schutzstaffel and Sturmabteilung). All historians (other than Dr. Curry) did not see how Hitler used his party's symbol to represent S-letter shapes for SOCIALIST. Do you not see? Professor Curry transformed the culture of India along with Hinduism and Buddhism. Before Dr. Curry's discoveries, Buddhists and Hindus published complaints that "Hitler stole their swastika symbol and ruined it and they want to restore respect for their ancient symbol." Educational Outreach Programs (EOP) about Dr. Curry's work taught India's commentators that Hitler's symbol was not a swastika, and that Hitler never called it a swastika. An upheaval occurred among Buddhists and Hindus in their objections. Now they proudly assert: "Hitler called his symbol a Hakenkreuz (hooked cross), not a swastika. It was not the same symbol. Dr. Curry told us!"

Socialism Vs Fascism Vs Communism Introduction

In today's digital age, the availability of Socialism Vs Fascism Vs Communism books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Socialism Vs Fascism Vs Communism books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Socialism Vs Fascism Vs Communism books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Socialism Vs Fascism Vs Communism versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental

impact associated with book production and transportation. Furthermore, Socialism Vs Fascism Vs Communism books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Socialism Vs Fascism Vs Communism books and manuals,

several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Socialism Vs Fascism Vs Communism books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a nonprofit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical

manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Socialism Vs Fascism Vs Communism books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Socialism Vs Fascism Vs Communism

books and manuals for download and embark on your journey of knowledge?

FAQs About Socialism Vs Fascism Vs Communism Books

1. Where can I buy Socialism Vs Fascism Vs Communism books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a Socialism Vs
4. How do I take care of Socialism Vs Fascism Vs Communism books? Storage: Keep them away from direct sunlight and in a dry environment. Handling: Avoid folding pages, use bookmarks, and handle them with clean hands. Cleaning: Gently dust the covers and pages occasionally.
5. Can I borrow books without buying them? Public Libraries: Local libraries offer a wide range of books for borrowing. Book Swaps: Community book exchanges or online platforms where people exchange books.
6. How can I track my reading progress or manage my book collection? Book Tracking Apps: Goodreads, LibraryThing, and

- Book Catalogue are popular apps for tracking your reading progress and managing book collections. Spreadsheets: You can create your own spreadsheet to track books read, ratings, and other details.
7. What are Socialism Vs Fascism Vs Communism audiobooks, and where can I find them?
Audiobooks: Audio recordings of books, perfect for listening while commuting or multitasking. Platforms: Audible, LibriVox, and Google Play Books offer a wide selection of audiobooks.
8. How do I support authors or the book industry? Buy Books: Purchase books from authors or independent bookstores. Reviews: Leave reviews on platforms like Goodreads or Amazon. Promotion: Share your favorite books on social media or recommend them to friends.
9. Are there book clubs or reading communities I can join? Local Clubs: Check for local book clubs in libraries or community centers. Online Communities: Platforms

like Goodreads have virtual book clubs and discussion groups.

10. Can I read Socialism Vs Fascism Vs Communism books for free? Public Domain Books: Many classic books are available for free as they're in the public domain. Free E-books: Some websites offer free e-books legally, like Project Gutenberg or Open Library.
