

# Spring Break Guys Gone Wild

**Ian Pickup**

Out, 2005-08

Selected Amazon Reviews Kevin Killian, 2024-11-26 A book-length selection from Kevin Killian's legendary corpus of more than two thousand product reviews posted on Amazon.com. An enchanting roll of duct tape. Love Actually on Blu-ray Disc. The Toaster Oven Cookbook, The Biography of Stevie Nicks, and an anthology of poets who died of AIDS. In this only book-length selection from his legendary corpus of more than two thousand product reviews posted on Amazon.com, sagacious shopper Kevin Killian holds forth on these household essentials and many, many, many others. The beloved author of more than a dozen volumes of innovative poetry, fiction, drama, and scholarship, Killian was for decades a charismatic participant in San Francisco's New Narrative writing circle. From 2003-2019, he was also one of Amazon's most prolific reviewers, rising to rarefied "Top 100" and "Hall of Fame" status on the site. Alternately hilarious and heartfelt, Killian's commentaries consider an incredible variety of items, each review a literary escapade hidden in plain sight amongst the retailer's endless pages of user-generated content. Selected Amazon Reviews at last gathers an appropriately wide swath of this material between two covers, revealing the project to be a unified whole and always more than a lark. Some for "verified purchases," others for products enjoyed in theory, Killian's reviews draw on the influential strategies of New Narrative, his unrivaled fandom for both elevated and popular culture, and the fine art of fabulation. Many of them are ingeniously funny—flash-fictional riffs on the commodity as talismanic object, written by a cast of personas worthy of Pessoa. And many others are serious, even scholarly—earnest tributes to contemporaries, and to small-press books that may not have received attention elsewhere, offered with exemplary attention. All of Killian's reviews subvert the Amazon platform, queering it to his own play with language, identity, genre, critique. Killian's prose is a consistent pleasure throughout Selected Amazon Reviews, brimming with wit, lyricism, and true affection. As the Hall of Famer himself reflected on this form-of-his-own-invention shortly before his untimely passing in 2019: "They're reviews of a sort, but they also seem like novels. They're poems. They're essays about life. I get a lot of my kinks out there, on Amazon."

**Public Nudity and the Rhetoric of the Body** Brett Lunceford, 2018-12-14 Although nudity is something that everyone has experience with, public nudity is still largely considered taboo. Public Nudity and the Rhetoric of the Body examines instances of public nudity where sexuality is at the forefront of public body display. It presents a range of case studies: the

legal aspects of sexualized public nudity as it relates to communication theory and the First Amendment; the controversies surrounding the work of photographer Jock Sturges; the public performance art of Milo Moiré; the topless protests of FEMEN; the social media activism of Aliaa Magda Elmahdy; the ritualized flashing during Mardi Gras in New Orleans; and the sexual displays of Folsom Street Fair, the largest leather pride festival. Taken together, these cases teach much about identity, self-determination, and sexuality, and illustrate the complicated rhetorical nature of the human body in the public sphere.

**Out** ,2004-08 Out is a fashion, style, celebrity and opinion magazine for the modern gay man.

**Stepdog** Mireya Navarro,2015-04-21 Stepdog is the hilarious and heartwarming tale of a woman who has finally met the man of her dreams—and the dog of her nightmares. Winner of the June 2015 Elle Readers Prize Lots of dogs eat shoes, bite people, destroy furniture . . . but Eddie tried to destroy a marriage. After more than three decades of happy single womanhood, Mia Navarro wasn't really looking to change her relationship status. The idea of being a step-anything to anyone was foreign to her, something she never thought about. . . . Until she fell in love with Jim and agreed to marry him. As it turns out, the marriage is pretty wonderful, the stepkids were, well, typical pre-teens, the weather in Los Angeles perfect. But life is not spotless. The spots belong to Jim's mutt, Eddie. Possessive and jealous, Eddie behaves like Jim's mistress—if a mistress could bark and compete for space on his beloved's lap. As time goes on, a full-on war ensues. Mia slams the door in Eddie's face, cordons off the house into dog- and wife-territories, and leaves the back door open . . . by, er, accident, of course. She even tries to leave Eddie behind in California when she and Jim abruptly relocate to New York. But in the end, it's clear that not even a wife can come between man and dog. As Eddie ages, Mia softens, and as with any new family struggling to blend, the two must make peace with each other. Ultimately, Stepdog is a triumphant story about finding love at an unexpected stage in life and the many unforeseen obstacles—not only of the four-legged variety—that can get in the way on the road to happily ever after.

**One Man's Planet** Stephen M. Testa,2009 One Man's Planet is a slightly off-centered geologist's introduction to how politics, pop-culture and the earth sciences mix it up every day in all of our lives. A humorous look at a myriad of issue that grace the news and drive political debates from local councils to international discourse. One Man's Planet picks apart the rhetoric on all sides of these debates to look at how the science describes the issue, often to the nakedness of the opposing parties. Tackling topics like climate, energy, water, and hazards, Stephen Testa channels Beanie Babies, Mad Max, and Shakespeare among others to examine the latest scientific understanding of these issues. Author Stephen Testa weaves science, personalities, pop culture and politics into a very informative and entertaining tapestry on the planet today and the planet's tomorrow. Come tour the Earth with Testa as your guide!

**Critical Media Studies** Brian L. Ott,Robert L. Mack,2013-12-02 Fully revised to reflect today's media environment, this

new edition of Critical Media Studies offers students a comprehensive introduction to the field and demonstrates how to think critically about the power and influence of media in our daily lives. Material new to this edition includes a chapter on sociological analysis and reveals new ways audiences use media in their everyday lives to manage social roles, relationships, and contexts. Readers will also appreciate the extensive updating of previously discussed examples to reflect contemporary industry standards, textual forms, and audience behaviors and the inclusion of more international material to reflect contemporary media's global reach. Continuing its well-received writing style that is both engaging and accessible, the book's twelve perspectives provide readers with a diverse array of critical approaches to media studies, including original approaches such as erotic, sociological, and ecological analysis. Combining the best of well-tested theory with cutting-edge scholarship, this new edition of Critical Media Studies, offers invaluable insights into our current understanding of the nature and consequences of media in today's world. Updated and enhanced online resources for instructors - including PowerPoint slides, test bank, study guides, and sample assignments - can be found at [www.wiley.com/go/criticalmediastudies](http://www.wiley.com/go/criticalmediastudies).

*Los Angeles Magazine* ,2002-12 Los Angeles magazine is a regional magazine of national stature. Our combination of award-winning feature writing, investigative reporting, service journalism, and design covers the people, lifestyle, culture, entertainment, fashion, art and architecture, and news that define Southern California. Started in the spring of 1961, Los Angeles magazine has been addressing the needs and interests of our region for 48 years. The magazine continues to be the definitive resource for an affluent population that is intensely interested in a lifestyle that is uniquely Southern Californian.

*Communication Arts* ,2007

**Sex and Sexuality in a Feminist World** Karen A. Ritzenhoff,Katherine A. Hermes,2009 Sex and sexuality are topics that have defined feminism since its inception. What has changed is that there is now a generation of feminists and scholars who are comfortable not only to write in their own disciplines but who incorporate feminist ideas in their research. This book assembles a variety of essays, most of which were written especially for this collection, that negotiate sex and sexuality in historical contexts as well as in contemporary times. There is a common ground of history and (popular) culture among the articles. While different theories of feminism operate in these essays, feminist lenses have allowed the reevaluation of familiar topics from early religious practices to medieval literature to current films and advertising. The authors represented in this collection range from established feminist and gender scholars to those who employ feminist theoretical frameworks in their respective disciplines.

The Alphabetical Hookup List R-Z Phoebe McPhee,2002-09-01 How 3 girls tried to hook up with 78 guys in 1 semester: the final Installment. It's coming down to the wire.... Jodi has taken a job as a cab driver. What better way to meet random guys? Celeste still just wants to meet Mr. Right. No matter what letter his name starts with. Ali maintains a commanding lead. Unfortunately, she's stuck on R. But the girls have bigger worries than hooking their way up through the end of the alphabet. Somebody knows all about their little contest. Somebody sleazy. And if they don't do exactly what he tells them to, they're all going to lose. Who would have thought the ABCs could be so dangerous?
