Although both Lou's father, Bernard, and her sister, Treena, work, neither makes enough money to help the family make ends meet without Lou's income. For this reason, it is decided that Lou should apply for a new job at the Job Centre as soon as possible. The next day Lou goes to the gym to see her boyfriend, Patrick. He sees Lou's lost job as an opportunity for her to improve herself and find something better. The counselor at the Job Centre suggests Lou apply as a care assistant for a man in a wheelchair. She is not interested in this job, but she is running out of options. She agrees to go for the interview. Chapter 2 Lou usually wears odd, eccentric clothes. For the job interview, Josie, her mother, insists she wear a business suit. Lou goes to Granta House, an elegant and expensive home next to the local tourist attraction, Stortfold Castle. She is interviewed by Camilla Traynor. Camilla is Will Traynor's mother. Will became a quadriplegic after being hit by a motorcycle. He already has a nurse named Nathan to take care of his personal and medical needs. Camilla wants to hire someone to be a companion for Will and to stay with him during the day when no one else can be there. Lou thinks the interview goes badly. Therefore, she is surprised when Camilla offers her the job with a six-month contract and generous pay. Chapter 3 Lou reports for work at Granta House the following morning. Camilla shows her around the annexe, a space that was once stables but was turned into guest quarters. This is where Will lives now that he is confined to a wheelchair. Camilla explains her duties to Lou. She makes it clear that Lou is not to leave Will alone and unattended for more than 15 minutes at any one time. Camilla introduces Lou to Will and Nathan, Will's nurse. Nathan explains Will's medications to Lou and tells her she is there to cheer Will. Nathan leaves, and Lou and Will are left to get to know each other. It does not go well. Will is sullen, quiet, and talks very little. She keeps herself busy with cleaning and household chores to fill in the time. Lou is unhappy about the first day at her new job. She talks to her sister Treena about it. Treena asks her to stick with the job because she has decided to quit her

job and go back to college. She has received a grant to help pay her tuition, but will have to quit her job. Lou feels this puts more pressure on her to earn an income...
