The Beach House Lake Perry, 2021-02-17 This is a family memoir consisting of conversations, historic photographs, regional and natural history, and anecdotes all which document the story of the building of an architecturally unique house that became a local landmark dubbed the Witches House located in Laguna Beach, California. The house was included in the city's 1981 Historic Resources Inventory and was deemed eligible for the National Registry of Historic Places (#21). The designer and builder of the Beach House is the author's grandfather E. Vernon Barker, who went on to be a principal architect and planner of the UCLA Medical Center complex (1944-1966). Her grandaunt Bertha S Barker, of Riverside, California, instigated and financed the project. They began building in 1925, but as Mr. Barker noted in 1976, ...and it's not done yet! This multi-generational family story of the unusual elements, both interior and exterior, is told in detail using transcribed conversations of the Barker siblings recorded by the author in 1976 when the elders were in their eighties, and with photographs from 1925 through the 1980s culled from family albums. Historic and current photographs of the exquisitely beautiful Pacific Ocean coves of Laguna Beach are included

The Beach House Mary Alice Monroe, 2017-01-03 Celebrate the 20th Anniversary of The Beach House! The most fulfilling journey is one that leads back home... Mary Alice Monroe is helping to redefine the beauty and magic of the Carolina Lowcountry. Every book she has written has felt like a homecoming to me. —Pat Conroy Twenty years ago, Caretta Rutledge

left her Southern roots far behind for a successful career as a businesswoman in Chicago. But an unusual request from her mother—coming just as her own life is spinning out of control—has Cara heading back to the scenic Lowcountry of her childhood summers. Before long, the rhythms of the island open her heart as she repairs the family beach house, becomes a bona fide “turtle lady” and renews old acquaintances long thought lost. But it is in reconnecting with her mother that she will learn life’s most precious lessons—true love involves sacrifice, family is forever and the mistakes of the past can be forgiven. Known for her moving characters and emotional honesty, Mary Alice Monroe brings readers a beautifully rendered story that explores the fragile yet enduring bond between mothers and daughters.

The Beach House Jane Green, 2008-06-17 From the author of *Falling* and *Sister Stardust* comes the New York Times bestseller about finding your place in the place you call home. Ever since her life took an unexpected turn, Nan Powell has enjoyed living alone on the sun-drenched shores of Nantucket. At sixty-five, she’s just as likely to be found at Windermere, her beach front home, as she is skinny dipping in her neighbor’s pool. But when the money she thought would last forever starts to dwindle, Nan decides to do something drastic to keep hold of her free-spirited life: open up Windermere to strangers. After placing an ad for summer rentals touting water views, direct access to the beach, and a sexagenarian roommate, Nan’s once quiet house is soon full of noise, laughter, and the occasional bout of tears. Between her eclectic new tenants and the sudden return of her son, Nan gets a taste of what life is like when you have someone to care for besides yourself. But just as she starts to happily settle in to her new existence, the arrival of a visitor from her past threatens to turn everyone’s lives upside down...

The Beach House Brenda Mize Garza, 2018-04-11 In *The Beach House*, a self-proclaimed gang of five kids living in quiet Shell Cove on Starfish Island while away their carefree days on the islands white beaches, building sandcastles and riding the crystal-blue oceans waves as they crash ashore. One day, they decide to go exploring. They enter an old, abandoned beach house and discover they have left behind the idyllic world of sunlit sand and entered a strange world of unfamiliar voices, disappearing people, and wily demons. The author, Brenda Mize Garza, draws together two disparate worlds: the familiar realm inhabited by people with faith in God and the domain of demons whose plans oppose the Lord. She explores what happens when these two realities touch down in the lives of five young people. The kids' curiosity leads them into the terrain of a longstanding battle. They come to appreciate what Ms. Martha, the town librarian, tells them about the reasons Paul the apostle had in mind when he counseled the Christians in Ephesus, writing, Put on the whole armour of God, that ye may be able to stand against the wiles of the devil. *The Beach House* promises to delight its readers with the tale of the companionship of five curious young people and to challenge them with the ramifications of discovering a place where the kingdoms of good and evil cross paths and the ensuing conflict leaves no person unchanged.
