**The Family Business 5** Carl Weber, La Jill Hunt, 2020-01-28 New York Times bestselling author Carl Weber and Essence bestseller La Jill Hunt return with a story of love, betrayal and racism in the next addition to the wildly popular Family Business series. From the time he was a boy in Georgia, LC Duncan, patriarch and leader of the Duncan clan, has battled racism. Even now that he and his family are truly successful, the racism can still be in-your-face. Maybe it's the political climate or perhaps it's just bad timing, but LC and the rest of the Duncans are being challenged by the ultimate power-hungry racist, Sheriff KD Shrugs. Nevada Duncan is at that age when girls and sex are always on his mind. His handsome face and superior intellect attract Kia, the beautiful "Blasian" call girl who tempts him into running away to a place where the Duncans are definitely not wanted—El Paso, Texas, the home of KD Shrugs. What is the worst thing that can happen to a handsome, rich millennial? Rio Duncan would say it's mistaken identity after being beat down in a nightclub by someone who thinks he's Roman Johnson, a stickup kid who happens to be Rio's doppelganger. What happens next will open up the biggest can of worms the Duncans have ever had to deal with. Get ready for another roller coaster ride with the Duncan family.

**Lending Behavior toward Family Firms** Thomas Pijanowski, 2014-07-25 Sufficient capital is the basic requirement necessary to operate the business, to fund innovation, to drive growth and to successfully hand over the business to next generations. Thomas Pijanowski investigates the impact of family firms on bank loan officers' judgment and decision making in the context of lending. Using an experimental conjoint approach and building upon behavioral economics he examines the question of whether and why loan officers deal heterogeneously with different types of family firms in the context of their credit availability decisions. The outcome of this research project holds some important implications for practitioners.

Danes, Elisa Balabram, 2023-01-20 Building on the current structural focus of the family firm discipline, this Concise Introduction provides a function-based, processual approach to the area.
