

# The Fool And The Fitz

**Robin Hobb**

*Assassin's Fate* Robin Hobb, 2017-05-09 NEW YORK TIMES BESTSELLER • The stunning conclusion to Robin Hobb's Fitz and the Fool trilogy, which began with *Fool's Assassin* and *Fool's Quest* "Every new Robin Hobb novel is a cause for celebration. Along with millions of her other fans, I delight in every visit to the Six Duchies, the Rain Wilds, and the Out Islands, and can't wait to see where she'll take me next."—George R. R. Martin More than twenty years ago, the first epic fantasy novel featuring FitzChivalry Farseer and his mysterious, often maddening friend the Fool struck like a bolt of brilliant lightning. Now New York Times bestselling author Robin Hobb brings to a momentous close the third trilogy featuring these beloved characters in a novel of unsurpassed artistry that is sure to endure as one of the great masterworks of the genre. Fitz's young daughter, Bee, has been kidnapped by the Servants, a secret society whose members not only dream of possible futures but use their prophecies to add to their wealth and influence. Bee plays a crucial part in these dreams—but just what part remains uncertain. As Bee is dragged by her sadistic captors across half the world, Fitz and the Fool, believing her dead, embark on a mission of revenge that will take them to the distant island where the Servants reside—a place the Fool once called home and later called prison. It was a hell the Fool escaped, maimed and blinded, swearing never to return. For all his injuries, however, the Fool is not as helpless as he seems. He is a dreamer too, able to shape the future. And though Fitz is no longer the peerless assassin of his youth, he remains a man to be reckoned with—deadly with blades and poison, and adept in Farseer magic. And their goal is simple: to make sure not a single Servant survives their scourge.

*Fool's Assassin* Robin Hobb, 2014-08-12 NEW YORK TIMES BESTSELLER Nearly twenty years ago, Robin Hobb burst upon the fantasy scene with the first of her acclaimed Farseer novels, *Assassin's Apprentice*, which introduced the characters of FitzChivalry Farseer and his uncanny friend the Fool. A watershed moment in modern fantasy, this novel—and those that followed—broke exciting new ground in a beloved genre. Together with George R. R. Martin, Robin Hobb helped pave the way for such talented new voices as Scott Lynch, Brandon Sanderson, and Naomi Novik. Over the years, Hobb's imagination has soared throughout the mythic lands of the Six Duchies in such bestselling series as the *Liveship Traders Trilogy* and the *Rain Wilds Chronicles*. But no matter how far she roamed, her heart always remained with Fitz. And now, at last, she has come home, with an astonishing new novel that opens a dark and gripping chapter in the Farseer saga. FitzChivalry—royal bastard and former king's assassin—has left his life of intrigue behind. As far as the rest of the world knows, FitzChivalry

Farseer is dead and buried. Masquerading as Tom Badgerlock, Fitz is now married to his childhood sweetheart, Molly, and leading the quiet life of a country squire. Though Fitz is haunted by the disappearance of the Fool, who did so much to shape Fitz into the man he has become, such private hurts are put aside in the business of daily life, at least until the appearance of menacing, pale-skinned strangers casts a sinister shadow over Fitz's past . . . and his future. Now, to protect his new life, the former assassin must once again take up his old one. . . . Praise for Fool's Assassin "Hobb knows the complicated workings of the wayward human heart, and she takes time to depict them in her tale, to tell her story sweetly, insistently, compellingly. . . . A book meant to be inhabited rather than run through."—The Seattle Times "[FitzChivalry Farseer is] one of the best characters in fantasy literature."—Fantasy Book Review "[Hobb's] prose sparkles, her characters leap off the page."—Tordotcom "Modern fantasy at its irresistible best."—The Guardian "Fantastic . . . emotionally rich storytelling."—Library Journal (starred review)

**Fool's Quest** Robin Hobb, 2016-07-26 NEW YORK TIMES BESTSELLER • NAMED ONE OF THE BEST BOOKS OF THE YEAR BY BUZZFEED AND THE INDEPENDENT • Ranking alongside George R. R. Martin as a groundbreaking master of fantasy, Robin Hobb delivers the second book in her long-awaited Fitz and the Fool trilogy. The harrowing adventures of FitzChivalry Farseer and his enigmatic friend the Fool continue in Robin Hobb's triumphant follow-up to Fool's Assassin. But Fool's Quest is more than just a sequel. With the artistry and imagination her fans have come to expect, Hobb builds masterfully on all that has gone before, revealing devastating secrets and shocking conspiracies that cast a dark shadow over the history of Fitz and his world—a shadow that now stretches to darken all future hope. Long ago, Fitz and the Fool changed the world, bringing back the magic of dragons and securing both the Farseer succession and the stability of the kingdom. Or so they thought. But now the Fool is near death, maimed by mysterious pale-skinned figures whose plans for world domination hinge upon the powers the Fool may share with Fitz's own daughter. Distracted by the Fool's perilous health, and swept up against his will in the intrigues of the royal court, Fitz lets down his guard . . . and in a horrible instant, his world is undone and his beloved daughter stolen away by those who would use her as they had once sought to use the Fool—as a weapon. But FitzChivalry Farseer is not without weapons of his own. An ancient magic still lives in his veins. And though he may have let his skills as royal assassin diminish over the years, such things, once learned, are not so easily forgotten. Now enemies and friends alike are about to learn that nothing is more dangerous than a man who has nothing left to lose. Praise for Fool's Quest "A complex tapestry of adventure, betrayal, destiny, and unrelenting peril . . . Hobb's expertise is evident as always."—Publishers Weekly "Glorious and beautiful storytelling . . . Hobb lets rip with revelations, treachery, vengeance, sword fights and full on magical mayhem."—SciFiNow "If readers have any doubt that Robin Hobb is one of the finest writers in the fantasy genre, then they haven't read any of her work."—SFFWorld

**Fitz and the Fool 2. The Fool's Quest** Robin Hobb, 2015-08-13 Years ago, they freed a dragon from the glaciers on

Aslevjal. Then they parted ways, the Fool returning to far-off Clerres, while Fitz finally claimed a wife, a family and a home of his own. Now, betrayed by his own people and broken by torment, the Fool has made his way back to the Six Duchies. But as Fitz attempts to heal his old friend in Buckkeep Castle, his young daughter Bee is abducted from Withywoods by pale and mysterious raiders who leave ruin and confusion in their wake. Fitz must find a way to rescue his beloved Bee. At the same time it is the Fool's fiercest wish to return to Clerres with the best assassin he has ever known, to gain vengeance and justice. Can Fitz bear to take up the tools of his old trade again, even to avenge his dearest friend and save his child?

**Fitz and the Fool** Robin Hobb, 2016-07-28

**Golden Fool** Robin Hobb, 2003-12-09 "As good as gold . . . Golden Fool proves again that Hobb is one of the best in the business."—Monroe News-Star Fitz and the Fool continue their quest as new challenges beset their land and threaten the ruling family in this "page-turning treat" (Romantic Times, four stars). Prince Dutiful has been rescued from his Piebald kidnappers and the court has resumed its normal rhythms. There, Fitz Chivalry Farseer, gutted by the loss of his wolf bondmate, must take up residence at Buckkeep as a journeyman assassin. Posing as a bodyguard, Fitz becomes the eyes and ears behind the walls, guiding a kingdom straying closer to civil strife each day. Amid a multitude of problems, Fitz must ensure that no one betrays the Prince's secret: that he, like Fitz, possesses the dread "Beast Magic." Only Fitz's friendship with the Fool brings him solace. But even that is shattered when devastating revelations from the Fool's past are exposed. Bereft of support and adrift in intrigue, Fitz finds that his biggest challenge may be simply to survive.

Can Fitz bear to take up the tools of his old trade again, even to avenge his dearest friend and save his child?

**Fitz and the Fool Trilogy (3 Book Series)** Robin Hobb, 2017-12-26

The Enduring Fantastic Anna Höglund, Cecilia Trenter, 2021-06-11 Fantastic fiction is traditionally understood as Western

genre literature such as fantasy, science fiction, and horror. Expanding on this understanding, these essays explore how the fantastic has been used in Western societies since the Middle Ages as a tool for organizing and materializing abstractions in order to make sense of the present social order. Disciplines represented here include literature studies, gender studies, biology, ethnology, archeology, history, religion, game studies, cultural sociology, and film studies. Individual essays cover topics such as the fantastic creatures of medieval chronicle, mummy medicine in eighteenth-century Sweden, how fears of disease filtered through the universal and adaptable vampire, the gender aspects of goddess worship in the secular West, ecocentrism in fantasy fiction, how videogames are dealing with the remediation of heritage, and more.

**The Cambridge Companion to Fantasy Literature** Edward James, Farah Mendlesohn, 2012-01-26 This is the first introduction to the whole field of modern fantasy literature in the English-speaking world.

Fool's Errand Robin Hobb, 2002 FitzChivalry Farseer emerges from seclusion when Prince Dutiful, the young heir to the Farseer throne, disappears, and as Fitz sets out to find the Prince before his betrothal ceremony, he is unexpectedly confronted by betrayal and intrigue at every turn.

**Fitz and the Fool** Robin Hobb, 2018-05-10 For Over Twenty Years, Bestselling author Robin Hobb has brought us into the world of FitzChivalry Farseer -royal bastard and former king's assassin and his uncanny friend the Fool .
