

The Ice Palace Vesaas

Tarjei Vesaas

The Ice Palace Tarjei Vesaas, 2009-05-01 A new edition of what is commonly seen as the legendary Norwegian writer's masterpiece, this story tells the tale of Siss and Unn, two friends who have only spent one evening in each other's company. But so profound is this evening between them that when Unn inexplicably disappears, Siss's world is shattered. Siss's struggle with her fidelity to the memory of her friend and Unn's fatal exploration of the strange, terrifyingly beautiful frozen waterfall that is the Ice Palace are described in prose of a lyrical economy that ranks among the most memorable achievements of modern literature.

Northern Arts Arnold Weinstein, 2021-12-07 Northern Arts is a magnificent and provocative exploration of Scandinavian literature and art. With intellectual power and deep emotional insights, writer and critic Arnold Weinstein guides us through the most startling works created by the writers and artists of Scandinavia over the past two centuries. Here readers will gain new perspectives on canonical giants such as Søren Kierkegaard, Henrik Ibsen, August Strindberg, Edvard Munch, Knut Hamsun, and Ingmar Bergman. Readers will also encounter popular favorites like children's writer Astrid Lindgren, and come to know the work of lesser-known masters such as the novelist Tarjei Vesaas and the painters Ernst Josephson and Lena Cronqvist. Weinstein uses the concept of breakthrough--boundary smashing, restlessness, and the exploding of traditional forms and values--as a thematic lens through which to expose the roiling energies and violence that course through Scandinavian literature and art. Defying preconceptions of Scandinavian culture as depressive or brooding, Weinstein invites us to imagine anew this transformative and innovative tradition of art that continually challenges ideas about the sacred and the profane, family and marriage, children, patriarchy, and personal identity. Through these works he brings us face-to-face with our most hidden selves and urges, enriching our understanding of the emotions and forces that govern our lives. Northern Arts is the essential introduction to Scandinavian literature and art, one that illuminates the fierce

beauty and breathtaking reach of these incomparable works.

Morning, Noon, and Night Arnold Weinstein, 2011-02-15 From Homer and Shakespeare to Toni Morrison and Jonathan Safran Foer, major works of literature have a great deal to teach us about two of life's most significant stages—growing up and growing old. Distinguished scholar Arnold Weinstein's provocative and engaging new book, *Morning, Noon, and Night*, explores classic writing's insights into coming-of-age and surrendering to time, and considers the impact of these revelations upon our lives. With wisdom, humor, and moving personal observations, Weinstein leads us to look deep inside ourselves and these great books, to see how we can use art as both mirror and guide. He offers incisive readings of seminal novels about childhood—Huck Finn's empathy for the runaway slave Jim illuminates a child's moral education; Catherine and Heathcliff's struggle with obsessive passion in *Wuthering Heights* is hauntingly familiar to many young lovers; Dickens's Pip, in *Great Expectations*, must grapple with a world that wishes him harm; and in Marjane Satrapi's autobiographical *Persepolis*, little Marjane faces a different kind of struggle—growing into adolescence as her country moves through the pain of the Iranian Revolution. In turn, great writers also ponder the lessons learned in life's twilight years: both King Lear and Willy Loman suffer as their patriarchal authority collapses and death creeps up; Brecht's *Mother Courage* displays the inspiring indomitability of an aging woman who has "borne every possible blow. . . but is still standing, still moving." And older love can sometimes be funny (Rip Van Winkle conveniently sleeps right through his marriage) and sometimes tragic (as J. M. Coetzee's David Lurie learns the hard way, in *Disgrace*). Tapping into the hearts and minds of memorable characters, from Sophocles' Oedipus to Artie in Art Spiegelman's *Maus*, *Morning, Noon, and Night* makes an eloquent and powerful case for the role of great literature as a knowing window into our lives and times. Its intelligence, passion, and genuine appreciation for the written word remind us just how crucial books are to the business of being human.

Peter Owen, Not a Nice Jewish Boy Peter Owen, James Nye, 2021-12-02 In this wry, candid and sometimes poignant memoir, Peter Owen recalls his lonely Jewish boyhood in Nazi Germany and migration to England where he survived the London Blitz, a teenage dalliance with aspiring actress Fenella Fielding, and working with a motley variety of book publishers. He founded his eponymous publishing firm in 1951, becoming one of the youngest publishers in Britain. A pioneer of books on social themes, gay and lesbian writing and literature in translation, Owen's authors included ten Nobel laureates and brought Hermann Hesse, Ezra Pound and Anaïs Nin to a wider audience. Enjoying their success, he and his wife Wendy were memorably stylish and eccentric figures at the literary parties of the 1960s and 1970s. Owen describes his often hilarious encounters with many of those he published, including John Lennon, Yoko Ono and Salvador Dalí, his adventures in Japan with Yukio Mishima and Shūsaku Endō, and in Morocco with Tennessee Williams and Paul and Jane Bowles. As one of the last of the great émigré publishers, his death in 2016 aged 89 signalled the end of a literary era.

The Birds Tarjei Vesaas, 2025-10-07 “Tarjei Vesaas has written the best Norwegian novel ever, *The Birds*— it is absolutely wonderful, the prose is so simple and so subtle, and the story is so moving that it would have been counted amongst the great classics from the last century if it had been written in one of the major languages.” — Karl Ove Knausgaard *The Birds* tells the story of Mattis, a deeply sensitive, intellectually disabled young man living in a small house in the Norwegian countryside with his sister Hege. Eking out a modest living knitting sweaters, Hege encourages her brother to find work to ease their financial burdens, but his attempts come to nothing. When he finally sets himself up as a ferryman, the only passenger he manages to bring across the lake is a lumberjack, Jørgen. But when Jørgen and Hege become lovers, Mattis finds the safety of his familial life threatened and his jealousy quickly spirals. In *The Birds*, Norway’s most celebrated writer of the twentieth century allows us to rediscover the world. By turns frightening, beautiful, confounding, and full of mystery, it is a world we come to see more vividly through Mattis’s eyes.

Literary Landscapes John Sutherland, 2018-11-13 *Literary Landscapes* delves deep into the geography, location, and terrain of our best-loved literary works and looks at how setting and environmental influences storytelling, character, and our emotional response as readers. Fully illustrated with hundreds of full-color images throughout. Some stories couldn't happen just anywhere. As is the case with all great literature, the setting, scenery, and landscape are as central to the tale as any character, and just as easily recognized. *Literary Landscapes* brings together more than 50 literary worlds and examines how their description is intrinsic to the stories that unfold within their borders. Follow Leopold Bloom's footsteps around Dublin. Hear the music of the Mississippi River steamboats that set the score for Huckleberry Finn. Experience the rugged bleakness of Newfoundland in Annie Proulx's *The Shipping News* or the soft Neapolitan breezes in *My Brilliant Friend*. The landscapes of enduring fictional characters and literary legends are vividly brought to life, evoking all the sights and sounds of the original works. *Literary Landscapes* will transport you to the fictions greatest lands and allow you to connect to the story and the author's intent in a whole new way.

The Ice Palace F. Scott Fitzgerald, 2004-06 She rose at six and sliding uncomfortably into her clothes stumbled up to the diner for a cup of coffee. The snow had filtered into the vestibules and covered the floor with a slippery coating. It was intriguing, this cold, it crept in everywhere. Her breath was quite visible and she blew into the air with a naive enjoyment. Seated in the diner she stared out the window at white hills and valleys and scattered pines whose every branch was a green platter for a cold feast of snow.
