The Secrets of Midwives Sally Hepworth, 2015-02-10 With empathy and keen insight, Sally Hepworth delivers a page-turning novel about the complex, lovely, and even heartbreaking relationships between mothers and daughters.—Emily Giffin Three generations of women Secrets in the present and from the past A captivating tale of life, loss, and love...Neva Bradley, a third-generation midwife, is determined to keep the details surrounding her own pregnancy—including the identity of the baby's father— hidden from her family and co-workers for as long as possible. Her mother, Grace, finds it impossible to let this secret rest. The more Grace prods, the tighter Neva holds to her story, and the more the lifelong differences between private, quiet Neva and open, gregarious Grace strain their relationship. For Floss, Neva's grandmother and a retired midwife, Neva's situation thrusts her back sixty years in time to a secret that eerily mirrors her granddaughter's—one which, if revealed, will have life-changing consequences for them all. As Neva's pregnancy progresses and speculation makes it harder and harder to conceal the truth, Floss wonders if hiding her own truth is ultimately more harmful than telling it. Will these women reveal their secrets and deal with the inevitable consequences? Or are some secrets best kept hidden?

*Outback Secrets (A Bunyip Bay Novel, #5)* Rachael Johns, 2021-11-01 Keeping secrets comes naturally to him ... but will it ruin his chance at love? Liam Castle knows the secrets of everyone in Bunyip Bay. As the owner of the pub, he's heard it all - from marriage proposals and farming disasters to family rifts and everything in between. The locals love to confide in him, but no one knows he's hiding a tragic past. And he wants to keep it that way. Agricultural pilot Henrietta Forward lives for her job, choosing work over romance. But when an incident in the air brings Henri home to Bunyip Bay earlier than planned, she finds herself questioning everything she believes about herself. But Henri's secret isn't her only problem. Her mother will stop at nothing to have her settled down back in the Bay, and while Henri had always known domesticity wasn't the life for her, now she wonders what her future holds. So when Liam - always the first to lend a hand to those in need - agrees to play along with Henri's scheme to ward off her mother, she has mixed feelings. What happens when a pretend romance starts to feel like the real thing? Will Henri's demons and Liam's traumatic past prove too great a barrier to love?

*Talk to the Heart (Rose Hill, #3)* Rachael Johns, 2023-11-01 How hard can it be to resist temptation? Adeline Walsh never thought she would give up her worldly possessions - her iPhone, her make-up and even her successful life as a dog breeder - to join a convent on the other side of the country. But after the discovery of a shocking family secret she feels called to a life of poverty, chastity and obedience. Life at the Smallton convent is nothing like Adeline expected. The other sisters quickly become like family and Adeline feels like she's found her place in the world. Until she meets Holden Campbell, a man as tempting as the devil himself. Due to a devastating accident in his past, Holden is not interested in any relationship or even a friendship with Adeline, but when their dogs keep bringing them together, he reluctantly accepts her help to organise a charity event. An accidental kiss tests both their resolves, but they are determined to fight the attraction raging between

them. Holden doesn't believe in love and Adeline isn't going to risk everything she's just found. Can they resist each other while continuing to work on a cause they both passionately believe in? An emotional and uplifting story about overcoming your past from bestselling author Rachael Johns.

**The Secret Midwife** The Secret Midwife,Katy Weitz,2020-02-06 For fans of *One Born Every Minute*. *The Secret Midwife* is a heart-breaking, engrossing and important read. At once joyful and profoundly shocking, this is the story of birth, straight from the delivery room. Strongest supporter, best friend, expert, cheerleader and chief photographer . . . Before, during and after labour the role of a midwife is second to none. *The Secret Midwife* reveals the highs and lows on the frontline of the maternity unit, from the mother who tries to give herself a DIY caesarean to the baby born into witness protection, and from surprise infants that arrive down toilets to ones that turn up in the lift. But there is a problem; the system which is supposed to support the midwives and the women they care for is starting to crumble. Short-staffed, over worked and underappreciated - these crippling conditions are taking their toll on the dedicated staff doing their utmost to uphold our National Health Service, and the consequences are very serious indeed.

*The Routledge History of Women in Early Modern Europe* Amanda L. Capern,2019-10-30 *The Routledge History of Women in Early Modern Europe* is a comprehensive and ground-breaking survey of the lives of women in early-modern Europe between 1450 and 1750. Covering a period of dramatic political and cultural change, the book challenges the current contours and chronologies of European history by observing them through the lens of female experience. The collaborative research of this book covers four themes: the affective world; practical knowledge for life; politics and religion; arts, science

and humanities. These themes are interwoven through the chapters, which encompass all areas of women's lives: sexuality, emotions, health and wellbeing, educational attainment, litigation and the practical and leisured application of knowledge, skills and artistry from medicine to theology. The intellectual lives of women, through reading and writing, and their spirituality and engagement with the material world, are also explored. So too is the sheer energy of female work, including farming and manufacture, skilled craft and artwork, theatrical work and scientific enquiry. The Routledge History of Women in Early Modern Europe revises the chronological and ideological parameters of early-modern European history by opening the reader's eyes to an exciting age of female productivity, social engagement and political activism across European and transatlantic boundaries. It is essential reading for students and researchers of early-modern history, the history of women and gender studies.

**Desire** Anna Clark, 2008 A sweeping survey of sexuality in Europe from the Greeks to the present, *Desire* follows changing attitudes toward sexuality through the major turning points of European history. Drawing on a rich array of sources including poetry, novels, pornography and film as well as court records, autobiographies and personal letters, this volume integrates the history of heterosexuality with same-sex desire, and explores the emotions of love and lust as well as the politics of sex and personal experiences.

The collector is Edward C. Atwater, Professor Emeritus of Medicine and the History of Medicine at the University of Rochester Medical School. Christopher Hoolihan is History of Medicine Librarian at the University of Rochester Medical School's Edward G. Miner Library.
