*The Things We Leave Unfinished* Rebecca Yarros, 2021-02-23 Told in alternating timelines, *THE THINGS WE LEAVE UNFINISHED* examines the risks we take for love, the scars too deep to heal, and the endings we can't bring ourselves to see coming. Twenty-eight-year-old Georgia Stanton has to start over after she gave up almost everything in a brutal divorce—the New York house, the friends, and her pride. Now back home at her late great-grandmother's estate in Colorado, she finds herself face-to-face with Noah Harrison, the bestselling author of a million books where the cover is always people nearly kissing. He's just as arrogant in person as in interviews, and she'll be damned if the good-looking writer of love stories thinks he's the one to finish her grandmother's final novel...even if the publisher swears he's the perfect fit. Noah is at the pinnacle of his career. With book and movie deals galore, there isn't much the "golden boy" of modern fiction hasn't accomplished. But he can't walk away from what might be the best book of the century—the one his idol, Scarlett Stanton, left unfinished. Coming up with a fitting ending for the legendary author is one thing, but dealing with her beautiful, stubborn, cynical great-granddaughter, Georgia, is quite another. But as they read Scarlett's words in both the manuscript and her box of letters, they start to realize why Scarlett never finished the book—it's based on her real-life romance with a World War II pilot, and the ending isn't a happy one. Georgia knows all too well that love never works out, and while the chemistry and connection between her and Noah is undeniable, she's as determined as ever to learn from her great-grandmother's mistakes—even if it means destroying Noah's career.

**The Things We Leave Unfinished** Rebecca Yarros, 2021-02-23 A new heart-wrenching novel from bestselling author Rebecca Yarros that examines the risks we take for love, the scars too deep to heal, and the endings we can't bring ourselves to see coming.

*The Things We Left Behind* Debra Allen Alford, 2018-02-14 While this book is being published as fiction, the very essence of the story is a true one. The gentleman this book is actually about felt that his sins were far too horrible to be forgiven. While the names and certain events have been altered in order to avoid sharing any inaccurate information, therefore making it fiction, he did, in fact, grow up in a small rural community in the south. The innocence of that idyllic childhood was

shattered due to the draft during the Vietnam War. Then he struggled to rebuild his life from that point forward. However, he found that there was no returning to the things he left behind. The innocence of youth was forever lost. While he survived physically, although narrowly, any semblance of normal life was gone. From that point forward, he dealt with overwhelming guilt. Guilt for going and leaving loved ones behind, some he would never see again. Guilt for coming home and leaving his men behind, many whom would never make it home. Guilt for things he had to do during the terror that was an integral part of war. He tried to seek relief by rebuilding and helping as much as he could. He was, however, overwhelmed with the fear that nothing would ever be good enough to bring about forgiveness for his seemingly unthinkable sins. Like many who have been through such traumas, he suffered silently, and this took its toll. He was fortunate enough to have had many caring people who tried to help through the years. In the end, he was blessed to finally find the answer through one seemingly simple question that allowed him to find the peace he so desperately sought. His dying wish was that his story might help others.

One unfinished manuscript. The love story of a lifetime... When Georgia Stanton discovers that her late grandmother, Scarlett, the infamous romance author, didn't get the chance to finish her last book, she is determined to share her story. But first, it needs to be written. Enter Noah Harrison, the bestselling and most charismatic romance author of his generation. When Georgia meets him, she is distraught - he might be charming and handsome, but he's also totally vapid. As they start working together, though, Georgia begins to see that there might be more to Noah than meets the eye. Together, they realize that Scarlett was saving the greatest love story of all until last - her own. While serving in World War Two, she fell in love with Jameson, the handsome and enigmatic fighter pilot. As Georgia and Noah work together to unravel her grandmother's past, are they about to discover that not all love stories have a happy ending...?
