Ashley Morgan Jackson

Tired of Trying Study Guide Ashley Morgan Jackson, 2025-04-22 A four-session study for the disillusioned and disappointed—for those of us wrestling with God. Based on her debut book, *Tired of Trying*, Ashley Morgan Jackson equips you with what you need to endure the hard seasons of life. When we stand with our overwhelm and hurting hearts, our frustration and doubt, we're left with deep (and often unanswerable) questions that begin to bubble up, including: Why isn't God fixing this even though I have prayed? Why is He allowing this to hurt for so long? and Why does it seem like everyone else's life is so easy and smooth? Does God love them more? In this four-session study designed for individual or small-group use, you'll get real about the wrestle you're currently facing. Wrestling isn't for the faint of heart. But with Ashley as your guide, you'll take a close look at the principles of *Tired of Trying* through practical personal study and discussion prompts—and you'll discover that if our good God invites us to wrestle, He WILL bring us through it. Streaming videos for each session also available (sold separately)

Tired of Trying Ashley Morgan Jackson, 2023-08-01 What if that hard thing you're going through is not happening to you but for you? You've tried it all—saying the right words and prayers, reading the right Bible verses—but nothing seems to work. What do you do when your faith doesn't seem to be “working” anymore? Ashley Morgan Jackson is no stranger to this kind of spiritual exhaustion and discouragement. Much like the biblical character Jacob, Ashley wrestled with God, trying desperately to keep trusting Him despite her pain. It was here she found that sometimes God requires us to hold on to Him so we can let go of everything holding us back. Rich with biblical encouragement, personal story, and practical application, *Tired of Trying* is an invitation to wrestle—and face God in your greatest fears, pains, and unanswered questions. You'll learn to: break out of the cycle of frustration by saying yes to wrestling; identify the lies you are believing about God, yourself, and your circumstances and replace them with truth; shift your perspective so you can choose faith, persevere, and discover God's purpose for you. Choosing to wrestle isn't easy or quick—but it does have purpose. What seemingly tears us down may be an opportunity to grow. God is good at redeeming heartache. When we reach the place where the only choice is to run to God or run from Him, we can hold tight . . . because transformation and blessing will come.

This is My Body Margery Latimer, 1930

Frozen In Time Ms. Ly. Ric., 2011-12-01 *Frozen In Time: A Collection of My Thoughts* is a window into the mind of girl

searching for love, her place in a world she doesn't fit and most importantly herself. You witness the struggle she goes through involving the ever changing dynamics of her family, the loyalty (and sometimes lack thereof) of friends, the ups, downs and confusion of relationships, and her perception of herself in comparison to what others see and desire her to be. As with life, *Frozen in Time* will take you on a roller coaster ride full of joyous highs and painful lows. I wrote this, not as a book in the beginning, but as a therapy to help me get through the most difficult of times in my life. I love to read and many authors have given me stories I relate to. Over the years I was encouraged by many to publish these thoughts for others to enjoy. My goal in this is to let people, who go through the same things I went through, know that they are not alone. Someone else in the world can feel the very pain or struggle you may be going through. There is hope.

Our Appalachia Laurel Shackelford,Bill Weinberg,2021-11-21 Many books have been written about Appalachia, but few have voiced its concerns with the warmth and directness of this one. From hundreds of interviews gathered by the Appalachian Oral History Project, editors Laurel Shackelford and Bill Weinberg have woven a rich verbal tapestry that portrays the people and the region in all their variety. The words on the page have the ring of truth, for these are the people of Appalachia speaking for themselves. Here they recollect an earlier time of isolation but of independence and neighborliness. For a nearer time they tell of the great changes that took place in Appalachia with the growth of coal mining and railroads and the disruption of old ways. Persisting through the years and sounding clearly in the interviews are the dignity of the Appalachian people and their close ties with the land, despite the exploitation and change they have endured. When first published, *Our Appalachia* was widely praised. This new edition again makes available an authentic source of social history for all those with an interest in the region.
