

# Treasure Of Nadia Attic Key

S Ashworth

**Wish Hunter** Jordan Riley Swan, Hero Bowen, 2023-02-20 Explore the dark underworld of wish hunting in the compelling first installment of this urban fantasy trilogy set in Savannah, Georgia—perfect for fans of Laini Taylor and V. E. Schwab. Nadia Kaminski's family has stolen wishes for generations, auctioning them off to skeezy business tycoons and politicians in back-alley deals. Their operation is simple enough. Find someone who gained a wish after saving a life. Trick the wisher into sharing a deep secret. Steal the wish. And as a marriage counselor, Nadia has more access to people's secrets than most. But when Nadia comes across the perfect opportunity to steal a wish for herself, she takes it—and the rock star she's stolen it from desperately wants his wish back. As Nadia tries to figure out how to get rid of the cocky thorn in her side, she must face off against vengeful wish hunters, her all-too-powerful family, and the consequences of her own desires—because stealing wishes can be a deadly affair. Content note: spousal death, gun violence, miscarriage.

**The Politics of Protest** Nadia E. Brown, Ray Block Jr., Christopher Stout, 2020-12-17 This collection provides a deep engagement with the political implication of Black Lives Matter. This book covers a broad range of topics using a variety of methods and epistemological approaches. In the twenty-first century, the killings of Black Americans have sparked a movement to end the brutality against Black bodies. In 2013, #BlackLivesMatter would become a movement-building project led by Alicia Garza, Patrisse Cullors, and Opal Tometi. This movement began after the acquittal of George Zimmerman, who murdered 17-year-old Trayvon Martin. The movement has continued to fight for racial justice and has experienced a resurgence following the 2020 slayings of Ahmaud Arbery, George Floyd, Breonna Taylor, Sean Reed, Tony McDade, and David McAtee among others. The continued protests raise questions about how we can end this vicious cycle and lead Blacks to a state of normalcy in the United States. In other words, how can we make any advances made by Black Lives Matter stick? The chapters in this book were originally published in the journal Politics, Groups, and Identities.

**Quicksand** Gigi Pandian, 2023-04-21 A thousand-year-old secret room. A sultan's stolen treasure. A missing French priest. And an invitation to Paris to rekindle an old flame... Historian Jaya Jones finds herself on the wrong side of the law during an art heist at the Louvre. To redeem herself, she follows clues from an illuminated manuscript that lead from the cobblestone streets of Paris to the quicksand-surrounded fortress of Mont Saint-Michel. With the help of enigmatic Lane Peters and a 90-year-old stage magician, Jaya delves into France's colonial past in India to clear her name and catch a killer.
