The Collected Works of Henrik Ibsen: An enemy of the people Henrik Ibsen,1907

The Collected Works of Henrik Ibsen Henrik Ibsen,1920

The Collected Works of Henrik Ibsen: An enemy of the people, tr. by Mrs. E. Marx-Aveling; The wild duck, tr. by Mrs. F.E. Archer Henrik Ibsen,1907

An Enemy of the People Henrik Ibsen,1907 An Enemy of the People is a five-act drama about one Doctor Thomas Stockmann, a medical officer who finds the water in the public baths to be contaminated. When he refuses to be silenced, he is declared an enemy of the people. The Wild Duck is a five-act drama about the Ekdal family and one man, Gregers Werle, who has an unfortunate compulsion to always tell the truth, no matter what the cost. That is, he reveals to the family unasked-for information about each family member's past. This unsolicited knowledge eventually destroys their family life, as well as the Ekdals' daughter, who kills herself after one of Werle's revelations

Nor Shall Diamond Die: american studies Carme Manuel,Paul S. Derrick,2003 Homenaje a Javier Coy, catedrático jubilado del Departamento de Filología Inglesa y Alemana de la Universitat de València de 1990 a 2000, y uno de los primeros investigadores en introducir los estudios norteamericanos. Se recogen 50 artículos de especialistas en este campo, que reflejan el estado de los estudios sobre la cultura y literatura de los Estados Unidos contemporáneos.

An Enemy of the People Arthur Miller,Henrik Ibsen,1977-11-17 A Penguin Classic When Dr. Stockmann discovers that the water in the small Norwegian town in which he is the resident physician has been contaminated, he does what any responsible citizen would do: reports it to the authorities. But Stockmann's good deed has the potential to ruin the town's

reputation as a popular spa destination, and instead of being hailed as a hero, Stockmann is labeled an enemy of the people. Arthur Miller's adaptation of Henrik Ibsen's classic drama is a classic in itself, a penetrating exploration of what happens when the truth comes up against the will of the majority. This edition includes Arthur Miller's preface and an introduction by John Guare. For more than seventy years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,700 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors, as well as up-to-date translations by award-winning translators.

An Enemy of the People Henrik Ibsen, 2018-06 First performed in 1882, Henrik Ibsen's *An Enemy of the People* is the story of the animosity that can befall someone whose actions, while in the best interest of the public good, threaten the economic well being of a community. The story begins during an evening of entertaining at the household of Dr. Stockmann, the titular enemy of the people. When the mayor of the town, Dr. Stockmann's brother Peter, and the editor of the town newspaper, Hovstad, come to Dr. Stockmann's home, he is confronted over the rumors that the water of the town baths may be contaminated. The two brothers argue over the morality of concealing or falsely shaping the narrative in regards to the problem. When a letter arrives confirming the contamination, Dr. Stockmann convinces Hovstad that he must publish the report, which sets into motion a great conflict amongst the townspeople over the financial cost of dealing with the contamination. In this tensely dramatic work we find Ibsen at his best in addressing the economic consequences of doing the right thing. This edition is printed on premium acid-free paper, follows the translation of R. Farquharson Sharp, and includes an introduction by Otto Heller.
