

Basilica Di Santa Sabina

Hartmann Grisar

Rome and Vatican City Sonia Gallico, 2007

The Sacred Architecture of Byzantium Nicholas N. Patricios, 2014-04-24 The churches of the Byzantine era were built to represent heaven on earth. Architecture, art and liturgy were intertwined in them to a degree that has never been replicated elsewhere, and the symbolism of this relationship had deep and profound meanings. Sacred buildings and their spiritual art underpinned the Eastern liturgical rites, which in turn influenced architectural design and the decoration which accompanied it. Nicholas N Patricios here offers a comprehensive survey, from the age of Constantine to the fall of Constantinople, of the nexus between buildings, worship and art. His identification of seven distinct Byzantine church types, based on a close analysis of 370 church building plans, will have considerable appeal to Byzantinists, lay and scholarly. Beyond categorizing and describing the churches themselves, which are richly illustrated with photographs, plans and diagrams, the author interprets the sacred liturgy that took place within these holy buildings, tracing the development of the worship in conjunction with architectural advances made up to the 15th century. Focusing on buildings located in twenty-two different locations, this sumptuous book is an essential guide to individual features such as the synthronon, templon and ambo and also to the wider significance of Byzantine art and architecture.

Rome Through the Mist Joe Gartman, 2023-03-02 Join Joe Gartman, culture columnist for Italia! Magazine, on a journey among 80 of Rome's celebrated fountains, and find a more intimate way of experiencing the Eternal City. On foot with book in hand, or simply in imagination, each chapter takes readers on a vivid walk, enhanced with colorful, revealing photographs of Roman life. Every fountain in Rome tells a story and every story is about Rome: her history, her legends, and her extraordinary people--poets and popes, artists and models, architects and emperors, saints and sinners. Every street, piazza, wall and garden that contains a fountain has a past worth knowing. Discover the paths in this book, with 15 different turn-by-turn walking tours, 17 maps, and 181 full-color photos. Journey from Trevi's torrents to the Naiad's naughty nymphs and from the quiet basins in Piazza San Simeone to Bernini's mighty Four Rivers in Piazza Navona; or perhaps find a secret fountain where tourists rarely go, and listen to the voices of the waters.

Lonely Planet Rome Duncan Garwood, 2022-12 Lonely Planet's Rome is your passport to the most relevant, up-to-date advice on what to see and skip, and what hidden discoveries await you. Explore the piazzas, feel the history at the Roman
