**What We Talk About When We Talk About God** Rob Bell, 2014-09-02 How God is described today strikes many as mean, primitive, backward, illogical, tribal, and at odds with the frontiers of science. At the same time, many intuitively feel a sense of reverence and awe in the world. Can we find a new way to talk about God? Pastor and New York Times bestselling author Rob Bell does here for God what he did for heaven and hell in *Love Wins*: he shows how traditional ideas have grown stale and dysfunctional and reveals a new path for how to return vitality and vibrancy to how we understand God. Bell reveals how we got stuck, why culture resists certain ways of talking about God, and how we can reconnect with the God who is with us, for us, and ahead of us, pulling us forward into a better future—and ready to help us live life to the fullest.

[The Rob Bell Reader](#) Rob Bell, 2012-06-19 New York Times bestselling author Rob Bell is known for bringing out into the open and exploring the deeper questions of Christian life and faith—how we relate to God, how to love others, how to channel difficulty into creativity, how to understand eternity, and how to live as Jesus taught. He invites us to examine closely the beliefs we claim to hold most dear but often do not take the time to reflect upon. Time calls Bell the most exciting voice in the church today and, now with the *Rob Bell Reader*, readers can sample selections from *Love Wins*, *Velvet Elvis*, *Jesus Wants to Save Christians*, *Sex God*, and *Drops Like Stars*.

*Love Wins (Enhanced Edition)* Rob Bell, 2011-11-15 This enhanced edition of *LOVE WINS* includes extras such as the complete *LOVE WINS COMPANION* as well as the book trailer video that started it all and ten brand-new videos featuring Rob Bell discussing each of the chapters. In *LOVE WINS*, bestselling author of *VELVET ELVIS* and the 2 million-plus selling Nooma videos, Rob Bell, reveals a secret deep in the heart of millions of Christians—they don't believe what they have been taught are the essential truths of their faith. Bell brings out to the open and faces squarely the questions on everyone's mind: Does it really make sense that God is a loving, kind, compassionate God who wants to know people in a personal way, but if they reject this relationship with Jesus, they will be sent to hell where God will eternally punish them forever? Bell goes to the heart of these issues and argues that the church's traditional understanding of heaven and hell is actually not taught by the Bible. Bell is emphatically not offering a new view of heaven and hell—instead, he closely examines every verse in the Bible on heaven and hell and shows what they really teach. And he discovers that Jesus's most fundamental teaching about heaven and hell is, *Love wins*.

**How to Be Here** Rob Bell, 2016-02-22 'New York Times' bestselling author Rob Bell shows us how to discover the greatness we were born for, successfully pursue our dreams, find our path, and live confident, fulfilled lives.

*What Is the Bible?* Rob Bell, 2017-05-16 Instant New York Times Bestseller Rob Bell, the beloved author of *Love Wins* and *What We Talk About When We Talk About God*, goes deep into the Bible to show how it is more revelatory, revolutionary, and relevant than we ever imagined—and offers a cogent argument for why we need to look at it in a fresh, new way. In *Love Wins*, Rob Bell confronted the troubling questions that many people of faith were afraid to ask about heaven, hell, fate, and faith. Using the same inspired, inquisitive approach, he now turns to our most sacred book, the Bible. *What Is the Bible?* provides insights and answers that make clear why the Bible is so revered and what makes it truly inspiring and essential to our lives. Rob takes us deep into actual passages to reveal the humanity behind the Scriptures. You cannot get to the holy without going through the human, Rob tells us. When considering a passage, we shouldn't ask Why did God say . . . ? To get to the heart of the Bible's meaning, we should be asking: What's the story that's unfolding here and why did people find it important to tell it? What was it that moved them to record these words? What was happening in the world at that time? What does this passage/story/poem/verse/book tell us about how people understood who they were and who God was at that time? In asking these questions, Rob goes beyond the one-dimensional question of is it true? to reveal the Bible's authentic transformative power. Rob addresses the concerns of all those who see the Bible as God's Word but are troubled by the ethical dilemmas, errors, and inconsistencies in Scripture. With *What Is the Bible?*, he recaptures the Good Book's magic and reaffirms its power and inspiration to shape and inspire our lives today.

**Love Wins** Rob Bell, 2011-03-15 Millions of Christians have struggled with how to reconcile God's love and God's judgment: Has God created billions of people over thousands of years only to select a few to go to heaven and everyone else to suffer forever in hell? Is this acceptable to God? How is this good news? Troubling questions—so troubling that many have lost their faith because of them. Others only whisper the questions to themselves, fearing or being taught that they might lose their faith and their church if they ask them out loud. But what if these questions trouble us for good reason? What if the story of heaven and hell we have been taught is not, in fact, what the Bible teaches? What if what Jesus meant by heaven, hell, and salvation are very different from how we have come to understand them? What if it is God who wants us to face these questions? Author, pastor, and innovative teacher Rob Bell presents a deeply biblical vision for rediscovering a richer, grander, truer, and more spiritually satisfying way of understanding heaven, hell, God, Jesus, salvation, and repentance. The result is the discovery that the good news is much, much better than we ever imagined. Love wins.

**Rob Bell and a New American Christianity** James K. Wellman, 2012 Is Rob Bell the most important leader in the new American religious landscape?

**Jesus Wants to Save Christians** Rob Bell, Don Golden, 2012-07-24 The New York Times-bestselling author of *Love Wins* reveals how justice is the key to biblical teaching—and to the answers we seek in our faith today. The New York Times has called Rob Bell “one of the country’s most influential evangelical pastors.” In *Jesus Wants to Save Christians*, he teams up with Dan Golden, Christian activist and vice president of World Relief, to offer a refreshingly simple yet provocative new perspective on the Bible. By following the common thread of justice woven through the fabric of biblical history, the whole Bible becomes much clearer. Justice is the issue when God redeems Israel from Pharaoh. Justice is at the heart of the Sinai law and justice is what Israel must show the world as a kingdom of priests. Justice is the measure the Jews failed to meet in their days of power and empire in Jerusalem. It was justice the prophets proclaimed as the way of return during the exile of the Jews in Babylon and it was justice that Jesus incarnated.

**Drops Like Stars** Rob Bell, 2010-10-04 This book is an exploration of the complex relationship between suffering and creativity, driven by the belief that there is art in the agony.

*Love Wins Companion* Rob Bell, 2011-11-15 For anyone who wants to delve deeper into Rob Bell's bestselling *Love Wins*, the expansive and accessible *Love Wins Companion* offers scholarly support and critiques, resources for individuals, groups, and classes, and brand new material by Rob Bell himself. As *Love Wins* continues to become a touchstone for thousands of readers worldwide, controversy surrounds the book's arguments. Author Brian D. McLaren wrote that with *Love Wins* “thousands of readers will find freedom and hope and a new way of understanding the biblical story, yet *USA Today* observed

that “Bell has stuck a pitchfork in how Christians talk about damnation. Here, in *The Love Wins Companion*, Rob Bell offers commentary on the positive and negative attention his groundbreaking book is receiving, delivering a crucial supplement to one of the most talked-about books in recent memory.

**Love Wins: For Teens** Rob Bell, 2013-03-12 If God were throwing a party, would everyone be invited? Or does God invite some and not others? And if so, how does God decide? Is it what you say? Is it what you do? Is it what you're going to do? Is it who your friends are? Or what your friends do? Or what religion you happened to be born into? Or where you live, or what you look like, or what you believe? What if the idea of heaven and hell that we have been taught is not, in fact, what the Bible teaches? What if Jesus meant something very different by the concepts of heaven, hell, and salvation from how we've come to understand them? And what if the answer to life's meaning is much better than we ever imagined? In his teen edition of the bestselling book *Love Wins*, Rob Bell tackles all these questions in a way that addresses the real challenges of growing up in today's world. This is not just a book of questions and this is not just a book of answers. This is a book of exploration. This is a book of discovery. This is a book about why love wins.

**The Zimzum of Love** Rob Bell, Kristen Bell, 2014-10-28 As he revolutionized traditional teaching on hell in the phenomenal New York Times bestseller *Love Wins*, Rob Bell now transforms how we understand and practice marriage in *The Zimzum of Love*, co-written with his wife, Kristen. Despite the divorce statistics, people are still committing to each other, instinctively believing and hoping that theirs is a sacred union that will last forever. Yet when these couples encounter problems, they often lack the resources that keep them connected to this greater mystery surrounding marriage. Rob and Kristen Bell introduce a startling new way of looking at marriage, *The Zimzum of Love*. Zimzum is a Hebrew term where God, in order to have a relationship with the world, contracts, creating space for the creation to exist. In marriage, zimzum is the dynamic energy field between two partners, in which each person contracts to allow the other to flourish. Mastering this field, this give and take of energy, is the secret to what makes marriage flourish. Rob and Kristen Bell are brutally honest about their own struggles, their ups and downs, as together they pass along what matters most for couples. In this wise book, they explore the secret of what makes a happy union—probing the mystery at the heart of the extraordinary emotional connection that binds two people. With his down-to-earth charm, a dose of whimsy, and memorable stories, Rob, writing with his wife Kristen, changes how we consider marriage, providing insight that can help all of us create satisfying and sacred unions of our own.

**Everything Is Spiritual** Rob Bell, 2025-09-23 An exciting vision of the future --Michael Eric Dyson *Everything Is Spiritual* is an unexpected and compelling invitation to see your life in a whole new way. We have the great moments of our lives, the highs, those times when we soar, when it all makes sense, when it feels like it all has purpose and meaning. And then there are all those other moments—the lows and aches and failures and struggles and experiences that leave us

wondering what the point of it all is. Are our lives ultimately bits and pieces and fragments—you try to find a little peace and hope and then it's over? Or is there more going on here? In our increasingly polarized and disoriented world, *Everything Is Spiritual* gives us a radical new take on how it all fits together, how it works, how it's all connected. Part memoir, part extended riff on the quantum nature of reality, part history of the universe, Rob Bell takes us back through the twists and turns and struggles of his story in order to help us see the larger story so that we can reconnect with our story.
