Joel Paul Sakala

Chasing River M C Sakala, 2023-05-27 Lips of honey and eyes of fire. Armani Nnandi was always the good girl. She was always the girl with the perfect grades, the one who never broke the rules and almost never went out. She thrived off of academic validation always striving for the top spot and nothing less. Her parents expected nothing less of perfection from her and she'd always known it, what kind of daughter would she be if she were to ever let them down? But what happens when she gets cast away to one of the most prestigious art academies in France all on her own, no parents, no rules and all the freedom she could've ever asked for. But rumor has it that something's not quite right at St Kathrines, that there's doors opening past midnight, pathways that lead to nowhere and hushed secrets. Armani is about to learn that sometimes the skeletons hidden in one's closet tend to resurrect. Armani made herself and her parents one simple promise, no boys until after college. But that was until she found herself entangled in the beautiful chaos that was her art class rival River Kennedy. It was clear that he was one of God's favorites, with silvery blue eyes and looks that could kill-he was art. But every masterpiece has a story behind it, and River's happened to be crashing into him and drowning him all at once.
