**Media and Propaganda in an Age of Disinformation** Nelson Ribeiro, Barbie Zelizer, 2025-03-19 A critical and timely collection that argues for the centrality of propaganda in discussions about the contemporary media landscape and its informational ecosystems. This book explores how “propaganda,” a foundational concept within media and communication studies, has recently been replaced by alternative terms (disinformation, misinformation, and fake news) that fail to capture the continuities and disruptions of ongoing strategic attempts to (mis)guide public opinion. Edited by Nelson Ribeiro and Barbie Zelizer, the collection highlights how these concepts must be understood as part of a long legacy of propaganda and not just as new phenomena that have emerged in the context of the digital media environment. Chapters explore the strategies and effects of propaganda through a variety of globally diverse case studies, featuring both democracies and autocratic regimes, and highlight how only by understanding propagandistic forms and strategies can we fully begin to understand how public opinion is being molded today by those who resort to deception and falsehood to gain or keep hold of power. An important resource for students and scholars of media and communication studies and those who are studying and/or researching media and propaganda, media and power, disinformation, fake news, and political communication. **Without Merit** Colleen Hoover, 2017-10-03 From Colleen Hoover, the #1 New York Times bestselling author of *Regretting You*, *It Starts with Us*, and *It Ends with Us*, comes a moving and haunting novel of family, love, and the power of the truth. Not every mistake deserves a consequence. Sometimes the only thing it deserves is forgiveness. The Voss family is anything but normal. They live in a repurposed church, newly baptized Dollar Voss. The once cancer-stricken mother lives in the basement, the father is married to the mother's former nurse, the little half-brother isn't allowed to do or eat anything fun, and the eldest siblings are irritatingly perfect. Then, there's Merit. Merit Voss collects trophies she hasn't earned and secrets her family forces her to keep. While browsing the local antiques shop for her next trophy, she finds Sagan. His wit and unapologetic idealism disarm and spark renewed life into her—until she discovers that he's completely unavailable. Merit retreats deeper into herself, watching her family from the sidelines, when she learns a secret that no trophy in the world can fix. Fed up with the lies, Merit decides to shatter the happy family illusion that she's never been a part of before leaving them behind for good. When her escape plan fails, Merit is forced to deal with the staggering consequences of telling the truth and losing the one boy she loves. Poignant and powerful, *Without Merit* explores the layers of lies that tie a family together and the power of love and truth.
