*The 4337 Most Common Words in English* Coach Moin, 2021-10 Why Read This Book? When it comes to vocabulary there is a saying which I often quote, that is: Word Power is World Power. If we closely see, we will find that most of the everyday conversation consists of few Common Words which roughly amounts to 3000 to 4000 so if we are aware of the most common words present in this list, we will easily be able to converse, understand and communicate in our day-to-day life. We often put a lot of effort in memorizing and learning new English words so I prepared this list to make your life easier. All you need is to go through this list once and see if you are familiar with these words or no. Do not waste your time in learning words that may not be helpful, rather start from this list and later keep adding more as per requirement. Coach Moin Khan AUTHOR
