*The Downfall of America* Jake Klausner, 2022-07-20 Far too often, people are introduced to a caricature of the conservative movement before they've actually heard what the average conservative has to say. In *The Downfall of America*, Jake Klausner presents a conservative perspective on the forces currently working to tear down long-standing American traditions and institutions. The book outlines the ways in which the Left has waged war against traditional American values and even reality itself. In an age of emotional appeals, it makes the conservative argument using logic and statistics. The challenge conveyed to the reader is simple, but critical: "Don't let freedom be extinguished in your lifetime; make sure that it's still there for your kids and theirs."

*The Progressive Revolution* Ellis Washington, 2013-05-09 The *Progressive Revolution* (Vols. I & II) chronicles both the historical significance and political deconstruction that the Progressive Revolution, or the Progressive Age, (circa 1870–present) has continuously perpetrated against society, even to this day. These volumes are a collection of selected essays, articles, and Socratic dialogues from the weekly columns written by the author for WorldNetDaily.com, an independent news website of primarily conservative thought and ideas. This opus is divided into two volumes: Vol. I (2007-08 articles) and Vol. II (2009 articles) that are organized topically according to their subject matter of twelve intellectual disciplines including law, politics, foreign policy, philosophy, aesthetics, the academy, religion, economics, science, culture, society, and history.

*Green Fraud* Marc Morano, 2021-03-23 If you care about America's future, read this book.—Mark Levin A must-read book that shows how the Green New Deal is dangerous, impractical, misguided, and guaranteed to fail with disastrous results for the American people.—Sean Hannity A New Lockdown to Save the Climate That's what's in store for us if Alexandria Ocasio-Cortez and the Democrats pass their radical climate plan—the Green New Deal. It is packed with guarantees so completely irrelevant to the problem it purports to "solve" (like "free college" and incomes for everyone "unable or unwilling to work") that even its boosters have admitted it's not really about the climate. The intrepid Marc Morano, author of the bestselling *Politically Incorrect Guide to Climate Change*, breaks down the science and the politics to expose the truth about the Green New Deal: • The science is settled: copious evidence—and prominent defections from the "climate consensus"—make clear

we are not facing a man-made climate disaster • “Climate change” is the perfect Trojan horse for the socialist agenda of the Left • Fossil fuels lifted the West out of poverty—but our elites now want to deny them to the world’s poor • The Green New Deal is on a collision course with self-government and our fundamental rights Climate change has already been “solved” multiple times over the past two decades—with highly touted international agreements—and yet it never goes away as an excuse for leftist policies that will cripple our economy, impoverish the world, and take away our freedoms. Packed with telling statistics, damning quotations, and real science, Green Fraud is your source for all the facts you need to understand—and resist—the threat.

**The Jasper Love Trilogy** Onyx Cantor,2020-03-02 This is the story of one man’s triumph over Cult Religion. As a preacher’s son, Jasper Love struggled to comply with the dogma and bigotry of the unpredictably changeable Doctrine of Good Enough dictated by Cult Religion. He and four sisters labored to comply with cult demands consistent with their mother’s mantra: “People expect preacher’s kids to be perfect.” The Voice of Truth (bestowed on Jasper as a child in a genuine salvation encounter with Jesus Christ) conflicts with voices of deception from pulpits and pews, triggering crippling anxiety, depression, and suicidal ideation. Further compounding his confusion is a terrifying awareness of the cult’s distortion of scripture concerning his innate identity. When a Connecticut preacher detects his private struggle, the Bible scholar promises: “If you marry a good Pentecostal girl, this thing will just fade away.” Jasper foolishly accepts the challenge, believing that the pastor’s counsel is based on Truth. A 32-year battle ensues, during which a Pentecostal preacher’s daughter who, aware of his struggle and trained in Exploitation of Advantage, manipulates and controls the miserable husband who strives to suppress and conceal an innate identity which “simply won’t leave me alone.” Cultists despise his genuine relationship with God when the Holy Spirit weakens the tenacious grasp of the antiChrist’s claim on his soul, rescuing him from abominable doctrines through Spiritual Enlightenment to Truth Absolute. Spiritual Warfare ensues, during which he is molested by authority figures, betrayed by cult dishonesty, falls into sin, is attacked by demons, and is delivered by the Holy Ghost through visions of spiritual combat between the demons of Cult Religion and the Angels of Truth. In the end, his foolish attempt to conform with the Doctrine of Good Enough predictably results in the destruction of everything he wasted a lifetime building: marriage, family, home, career, material wealth, and reputation. Yet, in losing all, he is delivered from the Darkness of cult idolatry, whereupon he is finally free to immerse himself in genuine Truth, Light, and Love, breaking the tyrannical chains of Cult Religion. Released by the Holy Spirit from cult bondage, he is at last unleashed to fulfill his destiny: To teach the Truth about Jasper Love (that boundless, unconditional love known only to those who genuinely experience Spiritual Enlightenment) to a people deceived by the hateful harlots of idolatry who are nothing more than power-crazed, authoritarian, self-aggrandizing, despotic antiChrist heretics who worship only one god - CONTROL.

You Will Be Made to Care Erick Erickson,Bill Blankschaen,2016-02-22 Religious liberty is under attack in America. Your

freedom to believe may not last much longer. To all those who say they don't care about the culture war, Erick Erickson has only one response: The Left will not let you stay on the sidelines. You will be made to care. Now the former Editor-in-Chief of RedState.com joins with Christian author Bill Blankschaen to expose the war in America on Christians and all people of faith who refuse to bow to the worst kind of religion—secularism—one intent on systematically imposing its agenda and frightening doubters into silence. The book features first-hand accounts from Christians who've been punished for their beliefs and the perspectives of concerned thought leaders to make the case that Americans of faith can't afford to ignore what's happening—not anymore. You Will Be Made to Care offers hope for preserving freedom of conscience with practical steps that believers, families, pastors, church leaders, and citizens can take to resist tyranny and experience a resurgence of faith in America.

Guilty, O Lord; Yes, I Still Go to Confession Bernard Basset,1975 A practical and human approach to the whole concept of sin and forgiveness that conveys the real meaning and joy of confession. An exploration of its emotional and spiritual meaning, especially the happiness that comes with forgiveness. For the author, sincere confession is the ultimate acceptance of God's all-encompassing love, and he reminds us that there is no case in the Gospels of a sinner who approached Christ for forgiveness and went away sad. Offers hope and strength to the worst sinner burdened with shame and regret.

*Jimmy Higgins* Aileen Krador,1988-08-24 This study fills a conspicuous gap in the secondary literature on the Communist Party by examining the mental world of the wholly committed rank-and-file Party member. Jimmy Higgins was an imaginary composite considered the ideal for members to emulate; the attitudes and beliefs held by Jimmy Higgins-type members have not been adequately studied until now. As Krador demonstrates these members differed in important ways

from the Party leaders and cadre, and also from the vast majority of members who belonged to the Party for only a few years. Basing her analysis on a detailed textual examination of thousands of pages of Party publications and on her own experience as a long-term Party member, Kraditor reconstructs the second reality in which the devout rank-and-file member lived.

**Spain and the Western Tradition** Otis Howard Green, 1968 The late Renaissance in Spain was a period of progressive military, diplomatic and social defeat, and the spirit of the Spaniards, moving from confidence to doubt, reflected a growing disillusion with grandeur. After an examination of optimism and pessimism in terms of the baroque period, Professor Green discusses 'desengaño' - disillusion - as a related and prevalent factor. In its positive aspect, disillusion was a form of wisdom, that the Stoic Sapiens who was fully aware of what constituted the supreme good and was enticed by nothing else. The factors are apparent in the Spanish attitude toward death. When he writes in seriousness, the Spaniard of the baroque period recognises death the obedient executor of the will of a just and merciful God. Thus, the concept of the Spanish seventeenth century as one of total despair collapses in the presence of the evidence adduced. Far removed from attitudes of despondency, the originality of Spain's literary accomplishments reached full tide in the baroque period, a literary age characterized by the growth of a new sophistication. The use of brilliant metaphor, of allegory, of double and triple meanings of words to form bridges of intellectual association, is the result of a consistent growth that developed inevitably from the Renaissance style. -- Publisher's description.
