**Drums, Girls, and Dangerous Pie** Jordan Sonnenblick,2010-01-01 A brave and beautiful story that will make readers laugh, and break their hearts at the same time. Now with a special note from the author! Steven has a totally normal life (well, almost).He plays drums in the All-City Jazz Band (whose members call him the Peasant), has a crush on the hottest girl in school (who doesn't even know he's alive), and is constantly annoyed by his younger brother, Jeffrey (who is cuter than cute - which is also pretty annoying). But when Jeffrey gets sick, Steven's world is turned upside down, and he is forced to deal with his brother's illness, his parents' attempts to keep the family in one piece, his homework, the band, girls, and Dangerous Pie (yes, you'll have to read the book to find out what that is!).

**Drums, Girls & Dangerous Pie** Jordan Sonnenblick,2004 Steven's world is turned upside down when his brother Jeffrey gets sick, and he is forced to deal with his brother's illness.

**After Ever After** Jordan Sonnenblick,2012-05-01 Jeffrey isn't a little boy with cancer anymore. He's a teen who's in remission, but life still feels fragile. The aftereffects of treatment have left Jeffrey with an inability to be a great student or to walk without limping. His parents still worry about him. His older brother, Steven, lost it and took off to Africa to be in a drumming circle and find himself. Jeffrey has a little soul searching to do, too, which begins with his escalating anger at Steven, an old friend who is keeping something secret, and a girl who is way out of his league but who thinks he's cute.

**Falling Over Sideways** Jordan Sonnenblick, 2016-09-27 A girl navigates the chaos of eighth grade while handling a family tragedy in this funny and honest novel by the author of *Drums, Girls, and Dangerous Pie*. Claire's life is a joke . . . but she's not laughing. While her friends seem to be leaping forward, she's dancing in the same place. The mean girls at school are living up to their mean name, and there's a boy, Ryder, who's just as bad, if not worse. And at home, nobody's really listening to her—if anything, they seem to be more in on the joke than she is. Then into all of this (not-very-funny-to-Claire) comedy comes something intense and tragic—while her dad is talking to her at the kitchen table, he falls over with a medical emergency. Suddenly the joke has become very serious—and the only way Claire, her family, and her friends are going to get through it is if they can find a way to make it funny again. Praise for *Falling Over Sideways* “It’s a powerful and profound look at a family coping with unexpected change.” —Publishers Weekly, starred review “Authentic, funny, dramatic, fantastic.” —Kirkus Reviews “[Sonnenblick] does an exceedingly good job developing his adolescent characters . . . I would highly recommend this novel for any collection serving a middle school audience.” —School Library Journal
