De Borges al rock Martín Pérez Calarco,2025-03-20 Borges, Walsh, el Che, Montoneros, Favio, Lamborghini, Urondo, Torre Nilsson, Marechal, Solanas, Porchetto, Aira, Perlongher, Caetano, Maradona, Calamaro, Páez, Saccomanno, Kartun, Spinner son, entre otros, quienes en verdad van tramando el itinerario de este libro. A través de ellos, De Borges al rock rastrea la marca de agua con la que Facundo y Martín Fierro reclaman vigencia en la Argentina contemporánea, entre el Golpe de 1955 y el Bicentenario. Del enfrentamiento peronismo / antiperonismo a la emergencia protagónica de la juventud, la militancia por la despenalización de las drogas y las reivindicaciones de género, la literatura, el cine y el rock son abordados aquí como relatos culturales que se inscriben de manera significativa en las disputas por nuestras marcas identitarias e incorporan nuevos sentidos a nuestros mitos de origen. “Facundo y Martín Fierro son los dos clásicos de nuestra literatura que más han sido citados, resignificados, apropiados, reescritos. Han fundado tradiciones, categorías y claves para pensar nuestra historia y nuestro presente. Pero la riqueza de estos textos contiene, en sí, una amenaza velada: el lugar común, la repetición de memoria, la apropiación dócil. El libro de Martín Pérez Calarco recorre un camino inédito, porque encuentra significaciones y ecos de esos clásicos donde nadie los ha buscado y nunca es autocelebratorio: no se conforma con el hallazgo, sino que bucea, con lucidez y rigor, sus sentidos renovados”. José Luis de Diego

Cómo escribir una historia de amor Fernanda Pérez,2021-05-01 El primer manual para escribir literatura romántica en

castellano. Una serie de tópicos centrales -comienzos, finales, diálogos, lenguaje, erotismo- intercalados con numerosas entrevistas a escritores, tanto del género como de otros ámbitos, para todo aquel interesado en la escritura del amor. No hay sentimiento más fuerte en nuestra especie humana que el amor, y no hay tampoco sentimiento más complejo. No se puede definir, no se puede encasillar, no se puede limitar. El género romántico vive hace algunos años una etapa de renacimiento; ha recuperado mucho espacio en las mesas de las librerías y, también, en las preferencias de los lectores, siendo uno de los más buscados y leídos hoy. Novelas, cuentos, poesía, películas, series y obras de teatro han renovado su pacto con el amor, ese tema inagotable que nos convoca a todos sin excepción. En este manual sobre el género y sus desafíos, Fernanda Pérez - reconocida periodista y autora también de novelas románticas- propone revisar algunas de las cuestiones centrales a la hora de escribir sobre el amor: los comienzos y los finales, los personajes, el lenguaje, el erotismo, el contexto histórico o contemporáneo y, además, los desafíos más actuales, como el feminismo o los estereotipos de lo femenino. A lo largo del libro, numerosas entrevistas con escritoras referentes del género, como Florencia Bonelli, Cristina Bajo, Viviana Rivero, Gloria Casañas, pero también con autores de otros ámbitos como Rosa Montero, Liliana Heker, Perla Suez o Luz Gabás, agregan matices, métodos de trabajo y recorridos de lectura que sirven de guía para todo interesado en escribir sobre el eterno tema del amor.

Humanities Lawrence Boudon, 2005-02-01 The one source that sets reference collections on Latin American studies apart from all other geographic areas of the world.... The Handbook has provided scholars interested in Latin America with a bibliographical source of a quality unavailable to scholars in most other branches of area studies. —Latin American Research Review Beginning with volume 41 (1979), the University of Texas Press became the publisher of the Handbook of Latin American Studies, the most comprehensive annual bibliography in the field. Compiled by the Hispanic Division of the Library of Congress and annotated by a corps of more than 130 specialists in various disciplines, the Handbook alternates from year to year between social sciences and humanities. The Handbook annotates works on Mexico, Central America, the Caribbean and the Guianas, Spanish South America, and Brazil, as well as materials covering Latin America as a whole. Most of the subsections are preceded by introductory essays that serve as biannual evaluations of the literature and research under way in specialized areas. The Handbook of Latin American Studies is the oldest continuing reference work in the field. Lawrence Boudon, of the Library of Congress Hispanic Division, has been the editor since 2000, and Katherine D. McCann has been assistant editor since 1999. The subject categories for Volume 60 are as follows: Art History (including ethnohistory) Literature (including translations from the Spanish and Portuguese) Music Philosophy: Latin American Thought
